#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	I have only recently moved here from Morrab Road. It is cleaner, quieter, more of a community feel (my neighbours welcomed me here). I now have birds singing in my garden. It has a completely different atmosphere.	5/20/2019 9:14 PM
2	I'm unsure - there's plenty of misogyny, crime, hatred & dog shitting causing trouble, drugs etc, people seem to think they can behave however they like at the detriment to others health and peace. People cover up crimes for each other.	5/20/2019 9:06 PM
3	Heamoor has (as all villages) its own identity but it is part of Penzance, dare I say "greater Penzance"	5/20/2019 6:33 PM
4	Moved to Heamoor 2 years ago. Good sense of community spirit shown by the Sportsmans Arms. The pub puts a lot of effort in at Christmas and our children had a wonderful time singing & seeing Santa!	5/20/2019 6:17 PM
5	Proud to be a Heamoor resident for nearly 50 years; but also proud to say I am a Penzance resident when asked where I live	5/20/2019 6:02 PM
6	Lived in Heamoor all my life. There were fields all around the village and they have slowly disappeared, enough is enough. we are a village, not joined in to Penzance. Madron, Treneere or Gulval.	5/18/2019 3:08 PM
7	Heamoor is a lovely village and should be left that way	5/17/2019 10:54 PM
8	It may have been in the past, but now local shops have closed we look to PZ	5/17/2019 10:14 PM
9	Not added to PZ, stay as we are, care abotu our neighbours	5/13/2019 11:32 PM
10	Don't join with PZ	5/13/2019 11:06 PM

Heamoor Questionnaire

11	There is good community spirit but I don't want to see it become isolated or precious	5/13/2019 11:00 PM
12	we seem to be losing sight of Heamoor being its own community	5/13/2019 10:29 PM
13	No longer a village or community	4/24/2019 11:47 PM
14	More community activities needed to promote this feel	4/24/2019 11:34 PM
15	Should be but disappeared	4/24/2019 11:30 PM
16	Should keep villages separate or one day there won't be any	4/24/2019 11:24 PM
17	If Heamoor is merged into PZ then Madron & Gulval will follow & we'll end up with a large urban area with little character	4/24/2019 11:18 PM
18	PZ is dead, never to recover town & I don't wish to be linked	4/24/2019 11:05 PM
19	Always been separate since at least 1274, never part of town structure	4/24/2019 10:59 PM
20	Heamoor is a village, must be kept separate from PZ	4/24/2019 10:44 PM
21	The appeal of living here is that it is close to a town but also a footstep from the countryside. You can walk the streets safely at night & can't in PZ.	4/24/2019 10:35 PM
22	Yes and we would like it to remain so	4/24/2019 10:12 PM
23	We've lost our community, we knew everyone in the village in the 60's	4/24/2019 7:15 PM
24	Heamoor is a proper village with its own identity and we would like it kept that way.	4/24/2019 7:06 PM
25	Heamoor has its own boundaries as has PZ and that should remain.	4/24/2019 5:17 PM
26	Definitely separate from PZ with a vibrant community feel	4/24/2019 4:11 PM
27	I moved back from PZ because I wanted to live in a village community that is smaller, quieter with access to fields & footpaths without using a car. It is important to my quality of life. Heamoor has its own centre, identity and history. Would hate to lose the village feel and friendly community spirit!	4/24/2019 4:01 PM
28	Important that Heamoor & any village maintains its identity	4/24/2019 3:35 PM
29	Wonderful community-based friendly village. Idyllic retirement venue. Peaceful.	4/24/2019 3:23 PM
30	Heamoor has always been a distinct Cornish village community not a PZ suburb, which must be preserved. Separate community status should be honoured.	4/24/2019 3:09 PM
31	Heamoor still feels like a community in & of itself	4/24/2019 2:54 PM
32	This is a village not a town.	4/24/2019 2:17 PM
33	"Heamoor has been settlement and then a village for many hundreds of years. Only 70 or so years ago it had 25+ shops where the village could buy all the variety of services and goods they needed without the necessity of travel into Penzance." The above written in the memoirs of Bill Dale a few years ago. Generations of families lived here and it was known for its community spirit and individual village identity - even with its own football team!	4/24/2019 2:10 PM
34	It's a small village	4/24/2019 1:58 PM
35	Heamoor is classy as a village, this won't be the case if development continues apace	4/24/2019 1:39 PM
36	No road space for more cars, we are a separate village & can't cope as it is	4/24/2019 1:20 PM
37	A peaceful village with peaceful, god-fearing, kind residents	4/22/2019 1:25 AM
38	Keep Heamoor rural (PZ is urban)	4/22/2019 1:11 AM
39	The Penzance sewerage scheme is at full capacity summertime it resorts to pumping into the sea at eastern green. 5000 new homes would only amplify the problem.	4/22/2019 12:55 AM
40	Heamoor is a village and should remain so	4/22/2019 12:52 AM
41	We are a village and should remain as such	4/22/2019 12:32 AM
42	Should be kept as a village not part of PZ so it doesn't lose its identity	4/22/2019 12:15 AM
43	Heamoor is a separate village on PZ outskirts and has its own identity	4/21/2019 12:47 PM
44	I moved from the town centre to live in a village with green fields and open spaces, don't take away the character of Heamoor with too many new homes	4/21/2019 11:56 AM
45	Separate community	4/21/2019 11:52 AM
46	Most of Heamoor is separated from Penzance by the A30 and long may it remain so	4/21/2019 11:33 AM

Heamoor Questionnaire

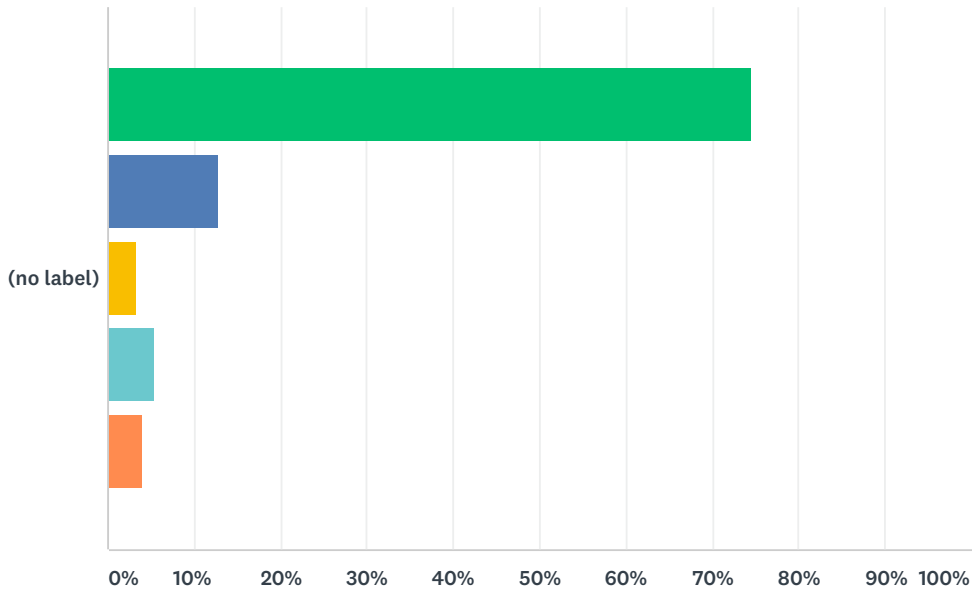

47	Housing, school, shops all the way from PZ	4/21/2019 11:20 AM
48	Heamoor has its own identity with church, bakery, school. It's been this way for hundreds of years and shouldn't change just for the sake of progress.	4/21/2019 12:27 AM
49	An identity that has evolved over many hundreds of years.	4/21/2019 12:17 AM
50	Heamoor has been joined since the late 60's	4/21/2019 12:10 AM
51	Separate community - Heamoor residents are more relaxed and caring of one another	4/20/2019 11:37 PM
52	Heamoor still has the village atmosphere and its own identity. However I think the community should not separate itself from PZ but work together.	4/20/2019 11:23 PM
53	Although close, village activities are important separate	4/20/2019 11:16 PM
54	Yes	4/18/2019 2:51 PM
55	Part of PZ	4/18/2019 2:17 PM
56	Strong community	4/18/2019 2:08 PM
57	We are a village not a town	4/18/2019 12:02 PM
58	Being part of a small, close-knit community is essential for mine and many others' emotional well-being. Many people don't want on live in a noisy busy place.	4/18/2019 11:01 AM
59	Unfortunately the road network would be at crisis point	4/18/2019 12:18 AM
60	It can't be completely separate when Penzance's major secondary school is in the village	4/18/2019 12:13 AM
61	And it should remain that way!	4/18/2019 12:04 AM
62	Moved to Heamoor 2 years ago. Good sense of community spirit, shame abotu the Sportsmans Arms. The pub puts a lot of effort in at Christmas and our children have a wonderful time singing and seeing Santa!	4/17/2019 11:50 PM
63	it is not connected physically to any other town (except Manor Way)	4/17/2019 11:00 PM
64	We will lose the individual character of our villages if we link them to the nearest town and reduce them to suburbs	4/17/2019 10:39 PM
65	It used to be but now Heamoor is left off addresses and classed as PZ	4/17/2019 10:24 PM
66	Village with limited amenities	4/15/2019 1:55 PM
67	We are on the outskirts of Penzance so therefore not a part of the main Penzance	4/8/2019 2:15 PM
68	Heamoor people have a very strong sense of the identity of their village. Anyone visiting Heamoor will encounter a happy community of all ages. There is no anti-social behaviour.	4/2/2019 2:52 PM
69	Heamoor is a very special community with a distinctively Cornish feel. And it's rural, where Penzance is urban.	4/2/2019 12:38 PM
70	As a long term resdient of Heamoor, I cannot stress just how good it is to live in a relatively small village and not be swallowed up by Penzance. Please do not ruin what is a little jem by building so many houses in our village. the infrastructure is not in place to support such an increase in population and all the inherent problems that come with such decisions.	3/27/2019 8:42 AM
71	All these communities are separate.	3/20/2019 3:58 PM
72	Related neighbors with PZ, obviously, but ours is a unique village community	3/19/2019 11:04 PM
73	I moved to Heamoor from Penzance in 1967 when I was 4. At Heamoor CP School we played football against teams from Penzance schools and we always felt that they were from another place, so I grew up with a strong identity of being from Heamoor, not Penzance. Growing up when Manor Way was built we felt that Penzance was encroaching onto Heamoor. We also had a rivalry with Madron and knew we were different to them. I grew up knowing Heamoor has its own separate identity to Penzance and that we were very much our own community here in Heamoor.	3/19/2019 12:00 AM
74	Penzance is on the south side of the valley Heamoor on the North. The south side of the valley is urban housing development right down to the bottom, the north side is countryside . . fields hedges trees and some cows. That's it, pure countryside. When the people living on the south side of the valley opposite the Trannack site look north, they see countryside . . fields, trees, hedges and some cows. That's it . . pure country side. The mere sight of building there would change the character of their neighbourhood to it's detriment . . unless it was done in a small enough quantity and in the right way.	3/18/2019 9:38 PM
75	Completely seperated by it rural identity	3/16/2019 10:41 AM

Heamoor Questionnaire

76	It is well documented that even small places that keep their own identities flourish.	3/16/2019 10:21 AM
77	We are a village community with a proper border with PZ	3/16/2019 9:08 AM
78	Heamoor is a delightful small village with a distinct personality, it is separated from Penzance, its near neighbour, in many ways culturally, as well as village life, we should all strive to maintain, their separate characteristics	3/16/2019 12:06 AM
79	More so when I moved here 30 years ago	3/14/2019 11:36 AM
80	Penzance is urban. Heamoor is rural. You do not see horses being ridden through the centre of Penzance!!!	3/11/2019 11:36 AM
81	Heamoor has always had its own identity. I have lived here for over 40 years and raised a family. Its important for community that we have our own identity	3/8/2019 3:47 PM
82	Heamoor is a small village outside of Penzance	3/8/2019 11:51 AM
83	It still has some form of separate identity but nowhere near what it used to have.	3/7/2019 12:33 PM
84	Although the majority of people have moved here from outside, I think most people feel they are now in a separate living area.	3/6/2019 3:32 PM
85	used to be! now seems all in one	3/6/2019 11:37 AM
86	Joining to Penzance will not help in any way	3/5/2019 3:15 PM
87	Heamoor is a village in it;s own right. The clue is in the name.	3/5/2019 11:46 AM
88	Heamoor is a separate village with its own character separate from the town of penzance. If you study historic maps you can see that it has evolved over the last 200 years	3/4/2019 8:13 PM
89	it is a picturesque village	3/4/2019 7:09 PM
90	It has it's own community spaces that are generally well patronised, therefore Heamoor is not fully reliant on another community like Pz.	3/4/2019 4:52 PM
91	Very definitely. A long history with its own community	3/4/2019 1:13 PM
92	Heamoor is a village,not part of Penzance.	3/3/2019 11:50 PM
93	Postal address says Heamoor Penzance Cornwall	3/3/2019 11:49 PM
94	Heamoor is a village with a small local network	3/3/2019 10:17 PM
95	Heamoor is a village on the outskirts of Penzance with its own specific issues unique to the village.	3/3/2019 7:25 PM
96	It is a village with its own character	3/3/2019 5:22 PM
97	Heamoor is and always has been a village ,and not an extension of Penzance ,and should always remain so ,in order not to lose its identity .	3/3/2019 4:46 PM
98	I would suggest that most of the vociferous few that are objecting to housing developement in the Heamoor are residents of properties built as estates in the late 1960's and mainly the 1970's on agricultural farm land of Sona Merg Farm namely Manor Way, Manor Close, Manor Place, Reens Crescent, Reens Road, to name a few, and all of the Bocathnoe Estate that was built on open boggy land	3/3/2019 3:02 PM
99	Really no defined boundary between penzance and heamoor	3/3/2019 11:13 AM
100	I have lived in Heamoor since a child and it has always had the community spirit. This should continue and keep it seerate from Penzance. The village has grown over the years and should not get any bigger.	3/3/2019 10:51 AM

Q3. Heamoor should not be joined up with nearby communities (Gulval, Madron, Treneere) by development

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	How could schools, the hospital and roads support more cars and people. It's such a crazy thought. It's ridiculous getting through Heamoor as it is and the roundabout is a nightmare at school time and such hour. No no no.	5/20/2019 9:47 PM
2	Don't ruin Gulval - Jesus! Stick them all up with Madron!	5/20/2019 9:06 PM
3	Heamoor village is already being taken over by too many cars parked either side of its main road and school times are a nightmare to negotiate.	5/20/2019 6:42 PM
4	I am a supporter of managed and sustainable development so future generations can thrive.	5/20/2019 6:33 PM
5	We need more hosues, but only if the infrastructure can support it. The main road through Heamoor needs double yellows don both sides, parking has not been planned in the past.	5/20/2019 6:17 PM
6	Create good roads, walkways & cycle paths all around satellite town of PZ	5/17/2019 10:14 PM
7	Village remain village	5/13/2019 11:32 PM
8	Keep Heamoor name	5/13/2019 11:06 PM
9	Already engulfed, soon will be lost!	5/13/2019 10:29 PM
10	No way should it be joined	4/24/2019 11:47 PM
11	Already is	4/24/2019 11:30 PM
12	Already joined to Treneere, only separated by underpass	4/24/2019 11:26 PM
13	Small communities keep people in touch more	4/24/2019 11:24 PM
14	Especially Treneere	4/24/2019 11:05 PM

Heamoor Questionnaire

15	Must have close contact with the other villages	4/24/2019 10:59 PM
16	Already a problem with traffic flow & parking. drainage & flooding will also be a problem. Lots of schools in area which add to congestion.	4/24/2019 10:50 PM
17	Must keep its own identity	4/24/2019 10:44 PM
18	Heamoor should remain a village!	4/24/2019 10:39 PM
19	Traffic surveys show high volume of traffic already coming through village. Gridlock at certain times of day - roads can't handle more traffic.	4/24/2019 10:35 PM
20	Green belts and spaces should separate these areas and be designated as recreational/country parks managed for that purpose.	4/24/2019 10:23 PM
21	Joining up would make Heamoor a small town like PZ and it would lose its identity.	4/24/2019 10:12 PM
22	We've lived here for over 50 years ad have seen the gradual erosion of green space. Enough is enough.	4/24/2019 5:17 PM
23	residents need to feel part of their own community, fosters good relation and wellbeing. Need some green spaces between concrete.	4/24/2019 4:11 PM
24	Clear, separate community identity is important to everyone	4/24/2019 3:44 PM
25	We really don't have the infrastructure for development!	4/24/2019 3:23 PM
26	Gulval & Madron should likewise be preserved as separate villages. Treneere is a PZ suburb already.	4/24/2019 3:09 PM
27	Penzance has a need for more housing, social & affordable not second homes. Tackling this without being excessive is necessary. A few in each location would maintain each area as a community.	4/24/2019 2:54 PM
28	Would like to keep Heamoor's unique identity	4/24/2019 2:46 PM
29	We need to retain the villages as they are. so many other places to build houses.	4/24/2019 2:17 PM
30	I and family love the proximity of open countryside. Our children when young explored there, all was an education in nature, exercise and socialising with other children. Sadly all this will go. Recent medical research stressed importance of mental and physical wellbeing of having access to countryside and woodland.	4/24/2019 2:10 PM
31	Each bit has its own community, we don't want to join in the middle and be lumped together	4/24/2019 1:39 PM
32	Total congestion by school in the morning - development means more cars	4/24/2019 1:20 PM
33	I chose to live here as it has its own village community as do many others	4/22/2019 1:20 AM
34	Heamoor is a village in its own right it is a distinct community with a distinct history	4/22/2019 1:14 AM
35	Keep Heamoor rural with its adjacent fields etc.	4/22/2019 1:11 AM
36	Additional fresh water from the reservoir is also the problem	4/22/2019 12:55 AM
37	Prefer to keep the character of the separate communities	4/22/2019 12:11 AM
38	Gulval, Madron & Heamoor are all separate villages with their own identity which would be lost if they were all lumped together in an extended Penzance sprawl	4/21/2019 11:39 AM
39	No more housing to be built on this road	4/21/2019 11:20 AM
40	Madron is independent like Heamoor. No reason to change this.	4/21/2019 12:27 AM
41	Heamoor still retains its own identity although the "village" title has been somewhat overtaken by current levels of development.	4/21/2019 12:17 AM
42	Yes, no more ribbon development. Madron, Heamoor and Gulval have their own identities.	4/21/2019 12:10 AM
43	Development connections would make the infrastructure suffer and ultimately only be a moneymaking scheme at the cost of community health.	4/20/2019 11:37 PM
44	It shouldn't expand any more or it will lose its village vibe	4/20/2019 11:23 PM
45	distinct villages and green areas between them are important	4/20/2019 11:16 PM
46	No we are a separate village	4/18/2019 2:51 PM
47	Better to join existing areas than create new small estates in rural areas	4/18/2019 2:17 PM
48	Heamoor will lose its identity and the road infrastructure couldn't take it. Flooding levels a worry.	4/18/2019 2:08 PM
49	We are losing all our green spaces	4/18/2019 12:02 PM

Heamoor Questionnaire

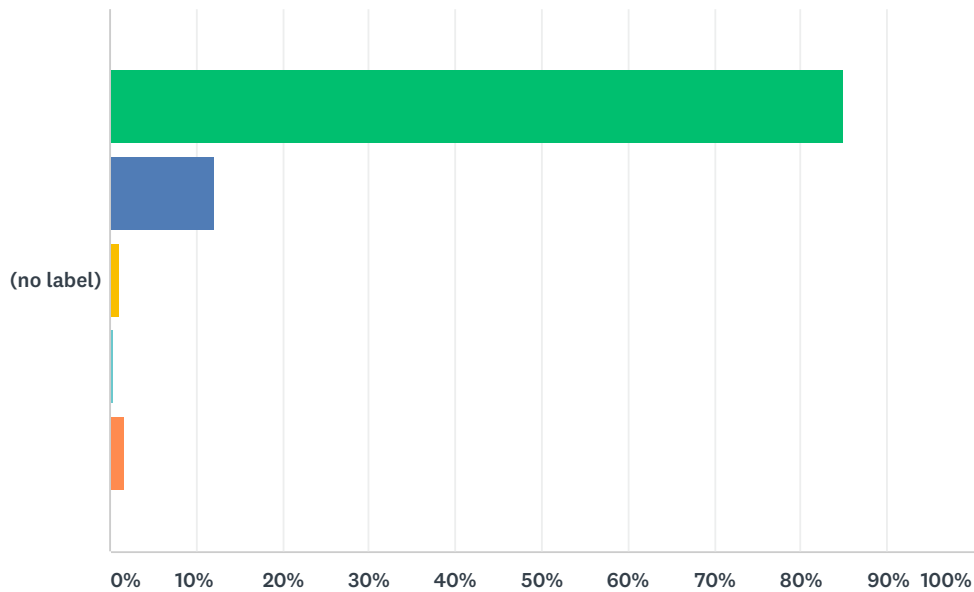

50	It is essential to curb pollution and its negative impact on our health and the climate by maintaining green space and woodland - growing more! Close to towns, roads and villages.	4/18/2019 11:01 AM
51	All of these villages have a right to exist as entities within distinct areas. It would be unpardonable for "sprawl" to fill the gaps.	4/17/2019 10:39 PM
52	but it already has been	4/17/2019 10:24 PM
53	Green space important road infrastructure around the area it's not extensive to support additional usage	4/15/2019 1:55 PM
54	If that should happen then if we are not careful we become a city the infrastructure could not support it.	4/8/2019 2:15 PM
55	Heamoor people respect the neighbouring communities of Gulval, Madron and Treneere, which all have their distinctive characters, and which should be preserved.	4/2/2019 2:52 PM
56	The green spaces that lie between us and other communities are really important to our sense of identity as a village.	4/2/2019 12:38 PM
57	We are a separate village and strongly wish to remain so.	3/27/2019 8:42 AM
58	They should be distinct.	3/20/2019 3:58 PM
59	Further development in this area will jeopardise the community spirit and diminish the rural nature of our environment.	3/19/2019 11:04 PM
60	Heamoor is it's own village with a separate identity. As mentioned before, I grew up feeling that coming from Heamoor this was my community and I and my family and friends always felt we were completely separate and different to Madron and Treneere. It would never cross my mind that I was connected to Gulval. Whilst we need new houses, we need to keep the identities of these individual communities separate and not join them into one great agglomeration where Penzance becomes the main centre for all and we lose our individual identities.	3/19/2019 12:00 AM
61	If there was going to be any development on the Trannack site, it must be completely different in style to the very urban character of Treneere . . completely different . . so that it retains a rural character and never resembles urban spread.	3/18/2019 9:38 PM
62	Will destroy country side and the identity of each area	3/16/2019 10:41 AM
63	We would loose our village status	3/16/2019 9:08 AM
64	Delightful villages, if they were amalgated, there would be no way back, much change is inevitable, some change is good, this change would be regrettable and unreversable	3/16/2019 12:06 AM
65	The areas should keep their own identity	3/13/2019 3:39 PM
66	Need green spaces for native fauna and flora.	3/11/2019 11:36 AM
67	Mainly due to worries about traffic and congestion as this is already an issue	3/11/2019 9:58 AM
68	We do not have the infrastructure to support increased housing and road traffic in an already crowded area.	3/8/2019 3:47 PM
69	Local villages would lose their own identity	3/8/2019 11:51 AM
70	The green field belts although diminished are vital to preserving identity and space.	3/7/2019 12:33 PM
71	Some may not approve, but new houses are required, and have to be built somewhere.	3/7/2019 11:15 AM
72	Green space should be retained surrounding Heamoor.	3/6/2019 8:47 PM
73	Communities need separate identities. I think people take more pride in themselves when they are not lost in a crowd of unanimity.	3/6/2019 3:32 PM
74	Each of these places has a very distinct identity, something that is recognised by the local community, even if it is not obvious to people from elsewhere.	3/5/2019 11:46 AM
75	Village communities is what makes living in penwith unique. from the rest of many Cornish areas, with individual customs and traditions	3/4/2019 8:13 PM
76	each of these communities would lose their separate identities if this happened	3/4/2019 7:09 PM
77	Depends what 'joined up' means. If you mean a single entity then absolutely not. A 'union' like the EU would be fine.	3/4/2019 4:52 PM
78	Infill on the green fields between these sites tends to harm the environment.	3/4/2019 3:30 PM
79	This would make Heamoor lose its community and individuality	3/4/2019 1:13 PM
80	These are all separate villages and should be left as such	3/4/2019 10:16 AM

Heamoor Questionnaire

81	Being Cornish I like lots of country side.	3/3/2019 11:50 PM
82	Bit it is and has been for years...as a child born and bred in Heamoor where there were fields and trees there are now housing estates...So therefore its abit too late now...	3/3/2019 11:49 PM
83	Heamoor is already congested with school runs. There isn't the infrastructure to cope with development in the area	3/3/2019 10:17 PM
84	Each of these villages are unique in their own way.	3/3/2019 7:25 PM
85	We need to retain the green areas, we need to have a buffer zone	3/3/2019 5:22 PM
86	As a County our current planners ,who largely ,are not born native to our County ,are passing through ,and one day will return from whence they came ,so they are not interested in local communities heritage ,or that of future generations who wish to uphold tradition as residents of our County,ie,villages ,coves, towns ,but seemingly are hellbent on redevelopment in every part of Cornwall ,to a point when as a County people wish to visit for holidays ,and pleasure ,we will be another sprawling concrete jungle at the end of England .It has to stop ,and sooner planners realize it the better.There is land laced with arsenic ,old mine workings ,from one end of Cornwall to the other ,our remaining farm land must remain as farm land ,to feed us and future generations ,and only redevelop dying towns centres ,recentralize our resources to reduce emmissions created by out of town shopping malls and unnecessary traffic when centralizing could be accessed better with public transport,reducing traffic flow ,and improve the environment we live in.A Unitary Council we voted against ,means councillors from anywhere in the county sitting on planning and developments meetings who personally have no connection with other than being a councillor ,whereas previously the District councils were largely people elected to represent Local people on matters brought before them ,and with local interests applied ,as they fully understood the implications ,as locally interested members of their particular district area.	3/3/2019 4:46 PM
87	Heamoor has been joined to Parc Mellan Treneere Estate since the Treneere Estate was built by developement along Treneere Lane, with the exception of one building, a former farm house, all of the developement since the late 1960's. It is better to use the smaller pockets of unusable farm land and some brown field area between the named villages than move out into prime agricultural land that is cultivated and used for animals not horses.	3/3/2019 3:02 PM
88	infilling should be allowed	3/3/2019 11:13 AM
89	If this were to happen Heamoor would loose it's identity as a good sound community. It would loose the green area surrounding the village. These areas should be protected not built on. One of the amazing thing about Heamoor is you don't have to walk far to get to trees and fields a beautiful countryside which needs to be preserved.	3/3/2019 10:51 AM

Q4. I like it that much of Heamoor is only a few minutes' walk from open countryside

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	That's why people choose to live in Heamoor. I for one would look to move out if that was in question.	5/20/2019 9:47 PM
2	Bloody roundabout, underpass & pavements! Yes if it was viable for disabled people to use the paths and lanes. Not higgledy piggledy lanes, narrow jagged uneven pavements hard task.	5/20/2019 9:06 PM
3	Have lived in Heamoor for 25 years and it has grown in size in this time. Traffic is heavy in and around the village already without additional vehicles from proposed new housing developments. The village is already being "joined" onto Penzance, especially with the new houses on Council ground by the leisure centre due to being completed shortly.	5/20/2019 6:42 PM
4	It's great for us 60+ years, lovely walks on our doorstep, great for wellbeing of residence, a lot of older people in the area love it, as do I. I love to photograph it and walk the dog.	5/18/2019 6:16 PM
5	Heamoor is very rural and beautiful	5/17/2019 10:54 PM
6	Give everyone countryside around them	5/17/2019 10:14 PM
7	Benefit of open space, important to mind and body	5/13/2019 11:32 PM
8	I like to see green fields when out walking	5/13/2019 11:06 PM
9	Fresh air and being able to walk in the countryside are important, especially for children and dog owners	5/13/2019 11:00 PM
10	This is why we love here. So much lost already.	5/13/2019 10:29 PM
11	So far it is	4/24/2019 11:47 PM
12	One of the reasons I chose to live in Heamoor	4/24/2019 11:32 PM

Heamoor Questionnaire

13	Fast losing it	4/24/2019 11:30 PM
14	This needs protecting	4/24/2019 11:18 PM
15	Footpath preservation now most important as Council is failing in its legal role, at least 50% of footpath signs in West Penwith broken or missing.	4/24/2019 10:59 PM
16	I walk every day in the open countryside	4/24/2019 10:44 PM
17	We need to keep open countryside for everyone's wellbeing	4/24/2019 10:39 PM
18	A large part of Heamoor is home to people of advancing years, a tight law-abiding community who enjoy the countryside and look after it. It's what drew us here in the first place.	4/24/2019 10:35 PM
19	Access to open countryside should not be blocked. Green spaces should connect through any developments to open countryside - this should be a design requirement for neighbourhood plan?	4/24/2019 10:23 PM
20	Green spaces are very beneficial to the wellbeing of our community, both mental and physical	4/24/2019 7:06 PM
21	I like here because it is close to countryside and not a concrete jungle	4/24/2019 5:09 PM
22	Green spaces essential for physical and mental health. Haven for wildlife & a place for children to roam safely and learn about local wildlife, trees, flowers. Children need to be taught to respect the countryside. There should be a green buffer between every pocket of development. All green buffers should be protected for the future.	4/24/2019 4:11 PM
23	I have a dog and children and use the footpaths most days - they are used by many families and are popular. I have a stressful job and this is very important to my quality of life. it attracts many visitors too.	4/24/2019 4:01 PM
24	Green spaces have a positive impact on everyone's wellbeing. All sorts of groups try to encourage children to spend more time in the countryside.	4/24/2019 3:44 PM
25	I moved here for access to the countryside	4/24/2019 3:35 PM
26	Idyllic! Even considered development is always a blot on the horizon.	4/24/2019 3:23 PM
27	All part of village charm & source of wellbeing.	4/24/2019 3:09 PM
28	It is a real draw for me as a dogwalker and feels great that a lot of the fields are working fields providing local produce.	4/24/2019 2:54 PM
29	This is a very positive element that makes Heamoor the community it is	4/24/2019 2:46 PM
30	This is very important as it allows people who can't walk very far to enjoy the open air	4/24/2019 2:38 PM
31	If houses are built in village it will be detrimental to everyone.	4/24/2019 2:17 PM
32	I want it to stay a green & pleasant land!	4/24/2019 1:58 PM
33	It's a pleasure to have green areas to walk in safely, our countryside is under threat, new homes come at a cost	4/24/2019 1:39 PM
34	Amazing for wildlife, especially the reservoir	4/24/2019 1:20 PM
35	Wildlife, wild flowers, fresh air	4/22/2019 1:25 AM
36	This is why the village is so special to all of us	4/22/2019 12:50 AM
37	This is especially important for the older residents	4/22/2019 12:32 AM
38	People live here for quality of life - key aspect which the countryside brings.	4/21/2019 12:27 AM
39	This is one of the overriding bonuses of life in and around the village and mustn't be allowed to be denigrated & diluted by development.	4/21/2019 12:17 AM
40	These are among the precious aspects of Heamoor, promoting physical and mental health. This applies to much of west Penwith which is what makes it unique. Don't let greedy developers destroy this.	4/20/2019 11:37 PM
41	Really important to have access to green spaces	4/20/2019 11:26 PM
42	Don't spoil this!	4/20/2019 11:16 PM
43	We like living in a village, don't want to be in a larger town	4/18/2019 2:48 PM
44	Good for dog walking, wellbeing enhanced. Makes Heamoor feel separate, natural elements are special.	4/18/2019 2:08 PM
45	We have some lovely walks in our area	4/18/2019 12:02 PM

Heamoor Questionnaire

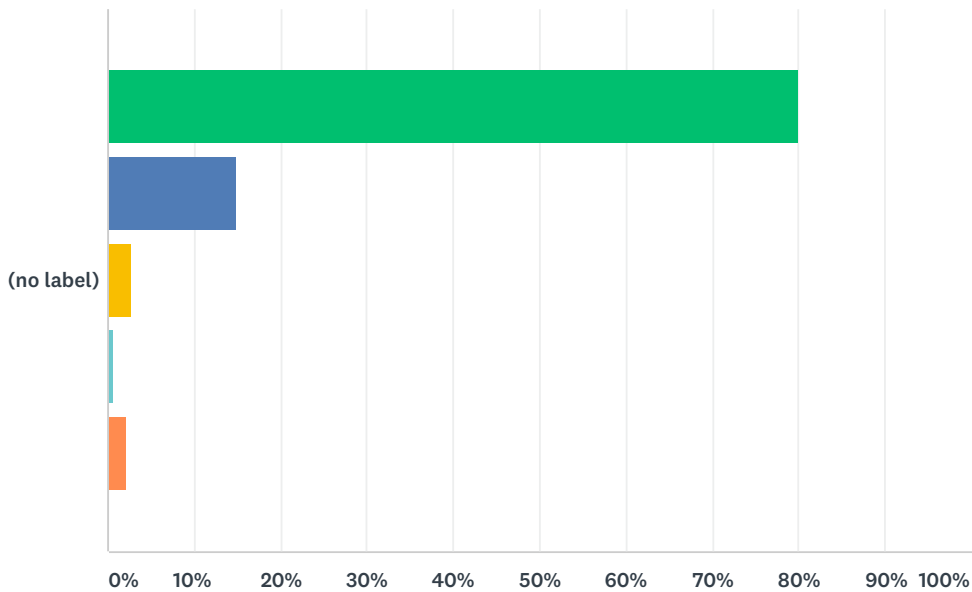

46	It is a real asset for Heamoor and Penzance alike to have country walks on our doorsteps as most residents don't have a garden and visitors come for green space.	4/18/2019 11:01 AM
47	The main reason we moved to Heamoor.	4/18/2019 9:19 AM
48	More and more green sites disappearing	4/18/2019 12:21 AM
49	It's a huge asset for us & many other locals	4/18/2019 12:16 AM
50	And it would be awful if this should change due to development on green land	4/18/2019 12:04 AM
51	We need more houses, but only if the infrastructure can support it. The main road through Heamoor needs double yellows down both sides, parking has not been planned in the past.	4/17/2019 11:50 PM
52	One of the joys of here. We need unpolluted countryside to breathe.	4/17/2019 10:39 PM
53	Green land important for environmental issues and health and well-being of residents	4/15/2019 1:55 PM
54	If the council keep building more and more houses we are not going to have any open countryside left	4/8/2019 2:15 PM
55	We are fabulously lucky to live cheek by jowl with green fields, trees and hedgerows. It is good for our mental and physical health.	4/2/2019 2:52 PM
56	The countryside around here is special. And the views to St Michaels Mount and beyond are magnificent and should be protected.	4/2/2019 12:38 PM
57	Open countryside makes so much difference to mental and physical well being.	3/27/2019 8:42 AM
58	In terms of traffic circulation alone, local roads are already struggling, yet the countryside at our front door is there for everyone to enjoy. Further building will destroy this.	3/19/2019 11:04 PM
59	This is one of the greatest benefits of living in Heamoor. Within 200 yards I can be in the beautiful countryside, whether to go into Poltair Woods, the paths up to Bone Valley or take the footpaths to Rosehill. To be able to enjoy this natural beauty and take my children for walks in the clean, diesel-petrol free air provided by this countryside and to give them, and myself, the mental and physical benefits and pleasures of being in the countryside so quickly is fantastic for our wellbeing. Long may it remain so.	3/19/2019 12:00 AM
60	Refer to the comments above.	3/18/2019 9:38 PM
61	Vitally important for physical and mental health	3/16/2019 10:41 AM
62	These green areas should be preserved.	3/16/2019 10:21 AM
63	One of the main reasons we moved to the village	3/16/2019 9:08 AM
64	Heamoor issurrounded by open country side, which helps to provide its unique character, walks and views are important to be preserved	3/16/2019 12:06 AM
65	It's why we live here	3/15/2019 10:06 PM
66	A lot of people in Heamoor own dogs and need somewhere to walk them	3/14/2019 3:44 PM
67	One of the reasons I chose Heamoor for my home	3/14/2019 11:36 AM
68	In Any direction	3/11/2019 11:36 AM
69	It would be a shame to lose the natural resource we have for walking in the countryside	3/11/2019 9:58 AM
70	We value the ability to reach open countryside in minutes.	3/8/2019 3:47 PM
71	To see green and trees is vital. If I wanted to live in a town I would have moved there.	3/8/2019 11:51 AM
72	It is important for health and well being to be able to see green space and access it easily.	3/6/2019 8:47 PM
73	Using the rural lanes (getting away from the traffic) to reach other areas is really pleasurable as is picking blackberries in the autumn. We shouldn't be so keen to do away with simple pleasures; and governments are always on about inactive children, and overweight adults - get them walking more - save our countryside and country lanes.	3/6/2019 3:32 PM
74	And often make use of the walks	3/5/2019 3:15 PM
75	I am severely sight impaired (registered blind). Being able to access the countryside without having to deal with heavy traffic is essential to my safety and quality of life.	3/5/2019 11:46 AM
76	Easy for walking in countryside	3/4/2019 5:26 PM
77	The destruction of our natural spaces here is abominable. It needs to stop.	3/4/2019 4:52 PM
78	I am often too be found in the country with my dog around Heamoor.	3/4/2019 1:13 PM
79	I like to cycle from Heamoor through the country lanes.	3/3/2019 11:50 PM

Heamoor Questionnaire

80	And long may it stay that way	3/3/2019 11:49 PM
81	So important for one's well being to be able to access green spaces and natural habitats.	3/3/2019 10:17 PM
82	The areas around our village attract many people ,to it for its tranquility,the open spaces ,public footpaths through local farmland ,and that needs to be kept for now ,and the future generations .	3/3/2019 4:46 PM
83	and should stay that way	3/3/2019 4:08 PM
84	Any developement will add very little if anytime to get to open countryside. Footpaths will be preserved in any developement.	3/3/2019 3:02 PM
85	The open countryside is just a short walk and should be protected at all costs.	3/3/2019 10:51 AM

Q5. The mature trees and hedges around the village are important to me

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Yes. I feel sorry for the old couple at the top, you built houses that cover their windows and ruin their property.	5/20/2019 9:06 PM
2	With managed development this can still be the case.	5/20/2019 6:33 PM
3	trees should be important to everyone. It's devastating to lose a healthy tree, wildlife need hedgerows.	5/18/2019 6:16 PM
4	All future developments should be better landscaped.	5/17/2019 10:14 PM
5	So necessary to help combat traffic fumes	5/13/2019 11:32 PM
6	Wildlife and birds becoming rarer. Don't want to see tree-felling or hedges torn down.	5/13/2019 11:00 PM
7	Extremely important in every aspect.	5/13/2019 10:29 PM
8	Trees are beautiful	4/24/2019 11:47 PM
9	Good for mental health & wellbeing	4/24/2019 11:24 PM
10	We are in danger of having less green spaces than some of the cities	4/24/2019 10:50 PM
11	We must keep for the wildlife	4/24/2019 10:44 PM
12	Not just to us but to birds and wildlife who call it home. conservation of these areas is vital to lead healthy lives.	4/24/2019 10:35 PM
13	All hedges and trees should be preserved - this should be a design requirement	4/24/2019 10:23 PM
14	A lot have disappeared in the last 5-10 years	4/24/2019 7:15 PM
15	Very important for our wildlife and also help our fight against climate change	4/24/2019 7:06 PM

Heamoor Questionnaire

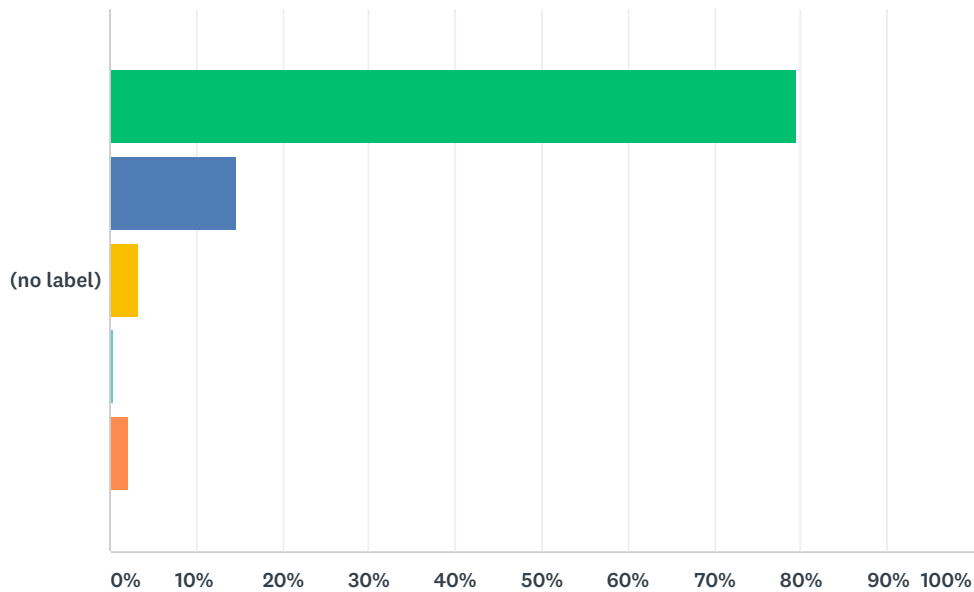

16	Part of the attraction of the village	4/24/2019 5:09 PM
17	For the environment as well as people	4/24/2019 4:52 PM
18	Besides being a joy to see they provide important and very necessary habitat for wildlife as does the winter countryside. Trees also help in the combat against pollution.	4/24/2019 3:35 PM
19	When they're removed it takes years for regrowth and completely alters air pollution!	4/24/2019 3:23 PM
20	Important to keep these plus keep horizons clear	4/24/2019 3:09 PM
21	More importantly they are important for wildlife to thrive and survive	4/24/2019 2:54 PM
22	The environmental factors far outweigh urban development.	4/24/2019 2:46 PM
23	They are an asset to the character of the village & wildlife	4/24/2019 2:38 PM
24	Not only to look nice but also to buffer noise	4/24/2019 1:58 PM
25	Trees & hedges are important to wildlife and a pleasure to see. when woodland gets destroyed it can't be replaced.	4/24/2019 1:39 PM
26	Cut the hedges no wildless!	4/24/2019 1:20 PM
27	So important so we don't flood. Beautiful.	4/22/2019 12:50 AM
28	We also need planting of new trees for the future	4/22/2019 12:36 AM
29	Farmers should be required to regularly maintain boundaries for access and safety	4/21/2019 11:51 PM
30	Yes very important	4/21/2019 12:37 PM
31	There is a lot of wildlife in these hedges, I have badgers and foxes call plus lots of small bones	4/21/2019 11:56 AM
32	Development is important as we have always struggled with housing for younger people but need to blend with the environment.	4/21/2019 12:27 AM
33	Trees re ok in the right context like local woods and countryside.	4/21/2019 12:10 AM
34	Including the trees cut down in the park adjacent to the old school	4/20/2019 11:55 PM
35	For us all, our children, tourist economy, our health & wellbeing!	4/20/2019 11:16 PM
36	Very important wildlife	4/18/2019 2:51 PM
37	To everyone	4/18/2019 2:17 PM
38	The birds need trees for nesting and hedges too. Wildlife is being destroyed.	4/18/2019 12:02 PM
39	It is essential for emotional and physical health to maintain green spaces. We need to nurture our wildlife and protect diversity for future generations to enjoy. People visit Cornwall to enjoy our green spaces and footpaths.	4/18/2019 11:01 AM
40	Preserving nature & wildlife should be of utmost importance	4/18/2019 12:16 AM
41	Once lost - gone forever	4/17/2019 10:39 PM
42	Yes they are a part of the community	4/8/2019 2:15 PM
43	The mature trees and hedges are a constant delight to all who live and work in Heamoor.	4/2/2019 2:52 PM
44	You just have to look on Google Earth to see how green Heamoor is, not just the surrounding fields but the village centre too. That's great for biodiversity, for our physical and mental well-being, and for absorbing carbon emissions.	4/2/2019 12:38 PM
45	Trees are the lungs of our world. We should be planting more, not cutting them down.	3/27/2019 8:42 AM
46	they are an intrinsic part of the community	3/20/2019 3:58 PM
47	These are a refuge for wildlife and a protection against traffic pollution, which has perhaps doubled in the last ten years or so.	3/19/2019 11:04 PM
48	I grew up playing in Poltair Woods, Bluebell Woods and walking the numerous footpaths round here (eg up Bone Valley, across the fields towards Madron, along the path from Madron to Rosehill and more. The Cornish hedges are such a part of our heritage and landscape and add to the natural beauty around here. They provide homes for numerous plants and animals and are great for exploring and learning about nature and are something we should all be proud and protective of. The trees, especially the tall ones that are left in Poltair Woods, something we don't really have a great deal of in the area, provide children with a great playground and also the chance to see and experience such stunning products of nature. Bluebell Woods provides beautiful trees and hedges next to the river for children to explore, not to mention the chance to see the stunning bluebell floor in spring.	3/19/2019 12:00 AM

Heamoor Questionnaire

49	A major aspect of any development that is proposed for the Trannack site must feature an enormous amount of natural planting. After any proposed development on that site is completed, it must be instantly clear that nature is winning and gloriously so, and not concrete as is the case in urban developments like Treneere. When we had our local council in Penzance, they were exceptionally good at planting along road sides, car parks, and our parks . . . Morab and Penlee gardens . . . exotic trees and plants and shrubs such as on Tresco, that do so well here, and it's this that has contributed so much to the unique character and personality of Penzance that we want to keep. So on the Trannack site, indigenous trees of varying heights, but also that exotic planting that Penzance is so good at . . . everywhere. The more trees and shrubs you plant, the less problem you will have with flooding issues, and the more you will retain the essential rural character. In fact, why not turn the north side of the valley into woodland, with small pockets of houses (10 at most) scattered throughout it, and keep the whole site as a wildlife protected area. The farmer David Jeffery on the north side of the valley has already started that, by turning over a substantial amount of his land to woodland planting.	3/18/2019 9:38 PM
50	Preserve the identity of the area uniqueness and beauty of Heamoor	3/16/2019 10:41 AM
51	In a time of rapid climate change, every tree is important.	3/16/2019 10:21 AM
52	Of course we need nature	3/16/2019 9:08 AM
53	Heamoor, is blessed with tall grand mature trees, sculptural beauties, which help to keep the air clean, and the soil healthy	3/16/2019 12:06 AM
54	With climate change and the decimation of natures natural habitats we need to maintain our trees and hedgerows.	3/8/2019 3:47 PM
55	We need trees for our oxygen and to give identity to the village of Heamoor	3/8/2019 11:51 AM
56	Too right. We should have a serious effort at re-forestry and planting more copses to replace ageing trees and greenery. There is some much in Cornwall that is left fallow or unused.	3/6/2019 3:32 PM
57	We can't just build everywhere,if fact we need more trees and green space	3/5/2019 3:15 PM
58	Not only do they contribute to the beauty of the area, they support wildlife, birds, counteract pollution and decrees the risk of flooding. Something Heamoor is prone to already.	3/5/2019 11:46 AM
59	they add to the character of the village	3/4/2019 7:09 PM
60	Trees and hedges are the best parts of Penwith. Apart from the sea, cliffs, moors etc., But not houses, particulary rubbish new builds.	3/4/2019 4:52 PM
61	With our current concerns over environmental issues, building over countryside and agricultural land is very short-sighted.	3/4/2019 3:30 PM
62	All part of the feel of the village	3/4/2019 1:13 PM
63	They are all part of our heritage.	3/3/2019 11:50 PM
64	But money talks...	3/3/2019 11:49 PM
65	Natural habitat versus concrete - no competition!!!	3/3/2019 10:17 PM
66	The trees and hedges are so important in the life of a rural village.	3/3/2019 7:25 PM
67	A country feel is important to the community and the environment. A shame that most is being cut down.	3/3/2019 7:09 PM
68	Trees help generate the air we breath ,they also soak up the excess water in the ground ,that has been a problem with the village getting flooded frequently in recent years,some of which may have been exacerbated by local developments,causing more surface water as a result .	3/3/2019 4:46 PM
69	Trees will be subject of preservation orders, and any developement will ensure more trees. Just look at the trees now on the Distrubtor Road to what was on the route before...none.	3/3/2019 3:02 PM
70	where possible mature trees/woodland should be retained for the benefit of all	3/3/2019 11:13 AM
71	We need to protect our countryside not build on it. The trees help with oxygen levels and thus should be a part of our way of protecting our children and grandchildren's future	3/3/2019 10:51 AM

Q6. The network of footpaths in the countryside around our village is an important asset

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	It all goes towards making Heamoor the village it is.	5/20/2019 9:47 PM
2	Yes but wronguns use it for evil.	5/20/2019 9:06 PM
3	As long as they are not being used for drugs and antisocial behaviour	5/20/2019 7:48 PM
4	It needs to be accessible to all.	5/18/2019 6:16 PM
5	Footpaths & cycle paths are the future.	5/17/2019 10:14 PM
6	Must not lose our right to walk ancient paths used every day by many	5/13/2019 11:32 PM
7	Footpaths should be kept clear	5/13/2019 11:06 PM
8	Some are historical, used to walk to church or chapel. We need to nurture our countryside not demolish it.	5/13/2019 10:29 PM
9	Sadly neglected - need to be cleared & surfaces repaired	4/24/2019 11:15 PM
10	Essential to maintain. some have been in use since 13th century	4/24/2019 11:05 PM
11	Well used & with us for generations	4/24/2019 10:44 PM
12	If more young people appreciated the health benefits of a stroll in the countryside I am certain there would be less mental health issues.	4/24/2019 10:35 PM
13	All development should contribute to additional access beyond the existing network	4/24/2019 10:23 PM
14	As we are retired we walk these daily and meet other walkers with dogs to socialise with	4/24/2019 10:12 PM
15	Many old and young people enjoy walking these footpaths.	4/24/2019 7:06 PM

Heamoor Questionnaire

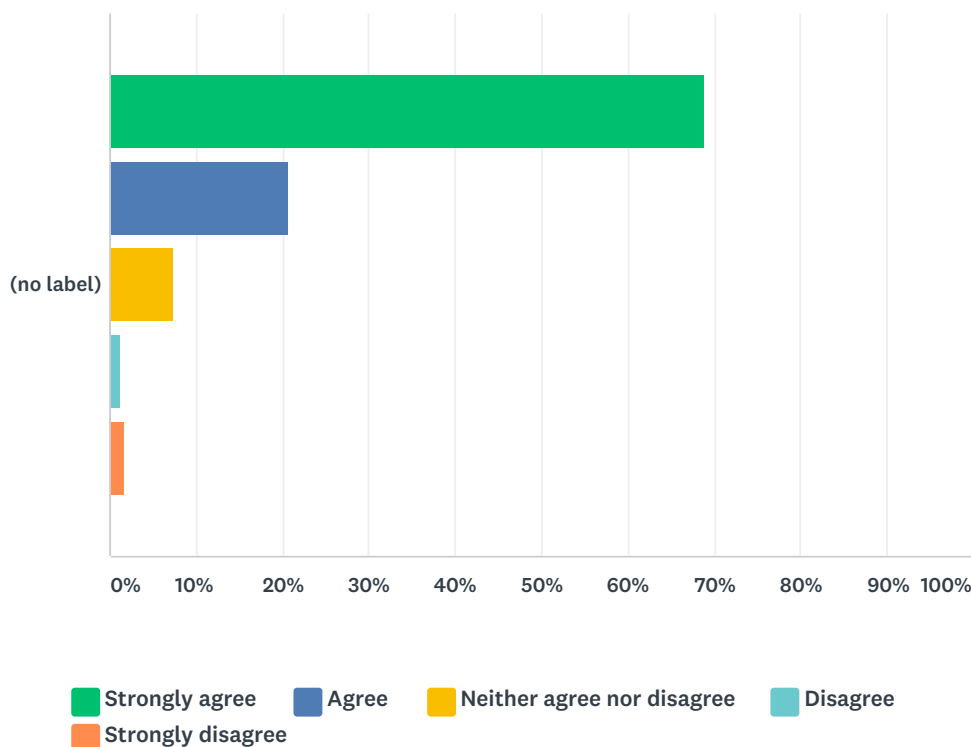

16	Everyone should walk more	4/24/2019 4:52 PM
17	Footpaths have been here & maintained for years, have helped keep me sane & healthy. Link to other villages and PZ so saves using car.	4/24/2019 4:01 PM
18	A wonderful asset indeed!	4/24/2019 3:50 PM
19	The schools use the surrounding green spaces/woods for pupil learning.	4/24/2019 3:44 PM
20	People rallied for the right to roam. The health benefits for walking are well documented.	4/24/2019 3:35 PM
21	It's so important for folk to be active. Safe footpaths are essential and used by all ages.	4/24/2019 3:23 PM
22	Important for village, provides exercise area fo young & old.	4/24/2019 2:46 PM
23	Footpaths need to be maintained, they are well used and need to be safe	4/24/2019 1:39 PM
24	Absolutely vital to have footpaths to enjoy the wonderful space	4/24/2019 1:20 PM
25	We all use the paths as most of us have dogs. It's lovely not to go on to the farmers lands via paths.	4/22/2019 12:50 AM
26	These need better clearing, signposting, maintenance etc.	4/22/2019 12:36 AM
27	Definitely, and enables us to walk and see the wonderful wildlife	4/21/2019 12:37 PM
28	Very important to keep Heamoor rural.	4/21/2019 12:27 AM
29	Important to maintain & share	4/20/2019 11:16 PM
30	It gives a feeling of freedom to be able to walk in the countryside.	4/18/2019 2:08 PM
31	It's somewhere safe to walk without traffic interference	4/18/2019 12:02 PM
32	They served historic and important purposes. Their use may have changed but they are necessary.	4/17/2019 10:39 PM
33	Important to be maintained	4/15/2019 1:55 PM
34	Again if they keep building like they are then this will all be lost to us.	4/8/2019 2:15 PM
35	The network of footpaths is very well used by walkers, including dog walkers. The cobbled ancient trackways link us with the past and keep the community grounded.	4/2/2019 2:52 PM
36	The Madron church path off Boscathnoe Lane is particularly important. So many locals use that path, it's almost like an informal village green.	4/2/2019 12:38 PM
37	I and many villagers use these pathways frequently.	3/27/2019 8:42 AM
38	They are used by many residents.	3/20/2019 3:58 PM
39	They provide regular enjoyment for visitors from neighbouring communities and an escape from the rat run that many local roads have become.	3/19/2019 11:04 PM
40	These paths provide the chance to go for a walk in stunning open countryside within seconds of my home. I an let my children go along them knowing they are safe away from the dangers of traffic, including petrol and diesel pollution (my children suffer from asthma so being able to get away from car pollution via this paths is a godsend. The paths allow us to walk in peace enjoying the lovely countryside and give us safe, pollution free healthy exercise.	3/19/2019 12:00 AM
41	There's no point in living in the countryside, if you are only allowed to walk along roads. It also provides continuity. The sense of belonging to a place depends on continuity. Some recognition of the problems this can cause to farmers and landowners needs to be addressed.	3/18/2019 9:38 PM
42	Vital for physical and mental health	3/16/2019 10:41 AM
43	Many people use these footpaths. I personally do not own a dog, but I walk these paths almost every day.	3/16/2019 10:21 AM
44	Yews every day	3/16/2019 9:08 AM
45	Some of these networks of foot paths are thousands of years old, and attract tourists, as well as locals, which in turn provide much needed help to the local economy	3/16/2019 12:06 AM
46	We value the network of good footpaths close to our village.	3/8/2019 3:47 PM
47	For health and wellbeing it is vital to have good county walks. Also o get to other areas without getting in a car	3/8/2019 11:51 AM
48	This does not mean that any development should be prohibited. Considerate planning can combine the housing need and retain current access to the countryside.	3/7/2019 11:35 AM
49	Walking, one free pleasure that is good for body and soul - no need to pay to go to a gym.	3/6/2019 3:32 PM

Heamoor Questionnaire

50	Very important to people's lives and well being	3/5/2019 3:15 PM
51	I use them daily to avoid busier roads to get to the shop, chemist, bakery and walk my service dog.	3/5/2019 11:46 AM
52	Many of these foot paths follow ancient routes to holy sites, these pathways have been used for many many generations	3/4/2019 8:13 PM
53	not everyone drives, and also having pathways can reduce the amount of people on the road taking short journeys- traffic is already a problem in the village	3/4/2019 7:09 PM
54	I have used them a lot although no longer can because of disability.	3/4/2019 5:26 PM
55	To quote Causley 'you have to (work) live amongst it to know it'. It's more important to me than it may be to others	3/4/2019 4:52 PM
56	Encouraging walks in the fresh air is healthy, it's less so if walking by major roads.	3/4/2019 3:30 PM
57	They give everyone access to rural walks	3/3/2019 11:50 PM
58	When was the last time they beat the bounds??	3/3/2019 11:49 PM
59	important for health and well being	3/3/2019 10:17 PM
60	These must be maintained at all cost ,there are those landowners who may wish otherwise ,with a view to development ,but these paths are there ,and the styles ,some of which have been altered to make passage difficult ,and dissuade the public from using them ,but keep at all cost .Some landowners do not upkeep these paths and styles in the hopes they can claim they they are extinct,and keep the public off their land forever.	3/3/2019 4:46 PM
61	Footpaths will be reserved...no problem.	3/3/2019 3:02 PM
62	I am a dog walker so use them daily	3/3/2019 12:59 PM
63	as above	3/3/2019 11:13 AM
64	Local people take a great delight in walking the local footpaths around the village to build on these areas would be criminal! Heamoor is a lovely place to live and these things need to be protected.	3/3/2019 10:51 AM

Q7. Heamoor's allotments should be preserved

Answered: 298 Skipped: 4

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Definitely. The chance for people to grow their own food is the way ahead. Many gardens in the small cottages typical of the area are just not suitable.	5/20/2019 9:47 PM
2	If people enjoy using them then let them carry on. If the access road is upgraded to the allotments and homes put there then that is also fine.	5/20/2019 6:17 PM
3	Social and health benefits	5/13/2019 11:32 PM
4	Important both socially and economically.	5/13/2019 10:29 PM
5	Some cottages don't have much gardens	4/24/2019 11:24 PM
6	Low priority compared to traffic problems	4/24/2019 11:05 PM
7	Biggest problem are unused ones left empty for too long although we are being told by council there is a year's waiting list	4/24/2019 10:59 PM
8	Communities are built around these sort of areas	4/24/2019 10:50 PM
9	Seem well used, many people enjoy	4/24/2019 10:44 PM
10	Allotments should be encouraged	4/24/2019 10:39 PM
11	More and more people are seeing the health benefits of growing your own fruit & veg. It brings people together & encourages a strong community.	4/24/2019 10:35 PM
12	Many people in Heamoor have little or no gardens. Allotments give people the opportunity to grow their own produce, get exercise and fresh air.	4/24/2019 7:06 PM
13	So long as they are being used and reallocated when necessary	4/24/2019 4:52 PM

Heamoor Questionnaire

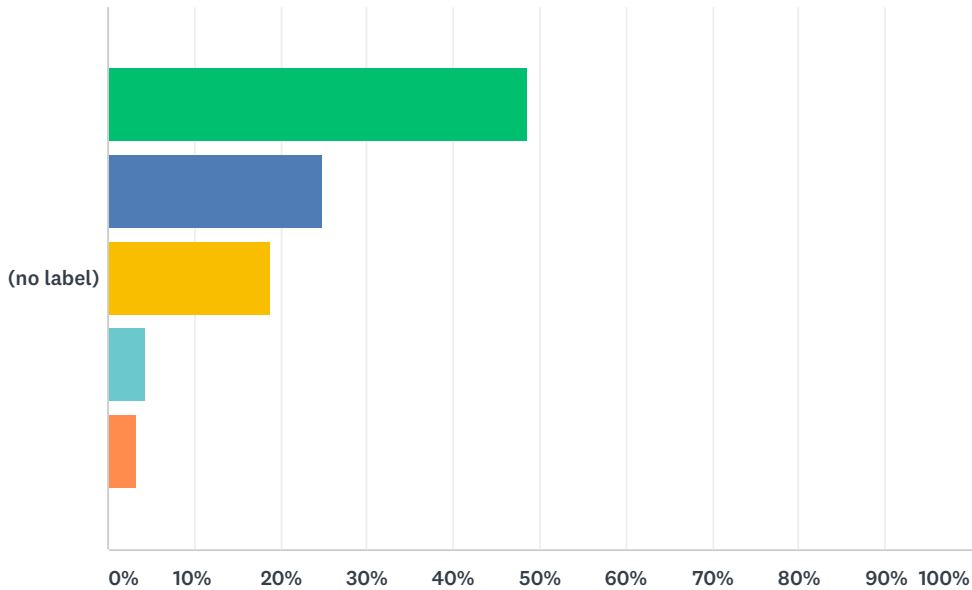

14	Allotments lessen isolation, they are a life line and a very important part of village tradition passed on down to families. I have learned many valuable skills and to grow my own veg - rewarding.	4/24/2019 4:01 PM
15	Some are not maintained and I think the allocation system should be overhauled to make the most of them.	4/24/2019 3:44 PM
16	Growing your own food keeps costs down and saving is always welcome no matter the family size.	4/24/2019 3:35 PM
17	Absolutely. Much love, attention, enjoyment & financial expenditure has been used to provide produce & a haven for all ages.	4/24/2019 3:23 PM
18	Allotments are a major feature in any rural community and should be extended	4/24/2019 3:09 PM
19	As long as they are all used. Could the allotments team up with local schools for education?	4/24/2019 2:54 PM
20	Yes, encourages eco environment.	4/24/2019 2:46 PM
21	To enable people to carry on with their leisure. it is also a healthy pastime.	4/24/2019 2:38 PM
22	These needed now more than ever, good organic food	4/24/2019 1:58 PM
23	well used and should be protected, old and young enjoy them	4/24/2019 1:39 PM
24	And added to	4/24/2019 1:28 PM
25	We should keep them - always been part of village	4/24/2019 1:20 PM
26	Someone (by parish mag maybe) needs to make sure they are taken on by local people and fully in use	4/22/2019 1:11 AM
27	It's great to see people growing their own produce and having a hobby. It can be the only people they see.	4/22/2019 12:59 AM
28	These are well maintained and a source of wellbeing and healthy activity to its users	4/22/2019 12:52 AM
29	Without a doubt - there's a waiting list for allotments here.	4/22/2019 12:50 AM
30	There is a growing and absolute need to become self-sufficient	4/22/2019 12:09 AM
31	There is a need, especially in the old part. Lots of properties on main road with no gardens.	4/21/2019 12:27 AM
32	Not only provides a source of self supply but keeps a feeling of togetherness & community spirit, also good exercise and a feeling of wellbeing.	4/21/2019 12:17 AM
33	Yes but not behind Parc Letta - boggy and overgrown with trees	4/21/2019 12:10 AM
34	This is very important as it promotes education, health and eco-awareness.	4/20/2019 11:37 PM
35	Very much so, not many used	4/18/2019 2:51 PM
36	Definitely - lots of houses only have yards so it gives people access to growing food.	4/18/2019 2:08 PM
37	If residents have one they should be responsible to keep it tidy and not use it as a dumping area	4/18/2019 12:02 PM
38	Only if they were being used	4/18/2019 12:04 AM
39	Not only preserved but encouraged where space permits.	4/17/2019 10:39 PM
40	Important for residence to be able to produce own produce and support health and wellbeing supporting national initiatives to get people fit both physically and mental health	4/15/2019 1:55 PM
41	Yes it is a part of the community if they do go then it is more than likely more houses will be built on them the locals love their allotments it is a way of life meeting up with your neighbours for a few hours grow your own veg and fruit so yes it is important to keep the allotments.	4/8/2019 2:15 PM
42	Our allotments will be increasingly important as food security whizzes up the agenda. They provide healthy food and employment for allotment holders, and their fresh produce connects the community with the land.	4/2/2019 2:52 PM
43	Especially at such a time of food insecurity, given the uncertainties of Brexit and the threat of climate change.	4/2/2019 12:38 PM
44	They help cement the community together, plus the benefits of fresh vegetables.	3/27/2019 8:42 AM
45	The health benefits of gardening are well known and for this reason the allotments provide an important service.	3/20/2019 3:58 PM
46	Allotments provide an important means of cultivation, relaxation and leisure for many who would not have access to these with them. The current Brexit situation makes them even more vital.	3/19/2019 11:04 PM

Heamoor Questionnaire

47	My dad had an allotment for years and really enjoyed the exercise and pleasure growing, in his case, vegetables for our family. A lot of Heamoor residents don't have gardens sufficient to grow vegetables and so having the chance to use an allotment is a great boon for them. Allotments also enable their growers to save some money, very important in these straightened times, by not buying so many things from shops. They also provide a community for the growers to chat and socialise with each other in the open air.	3/19/2019 12:00 AM
48	Absolutely. Heamoor is probably the allotment centre of the whole region. Rural people have always survived by self sufficiency . . growing your own food. More allotments, not less. Make it a feature of any new development where possible. Very much part of the character of Heamoor.	3/18/2019 9:38 PM
49	Really important for people to be able to grow the own vegetables preserve their mobility and physical and mental wellbeing	3/16/2019 10:41 AM
50	My wife has a small allotment at the bottom of Bone valley. It has been a great place for her to release some of the stress she has felt from her work place. We would hate to see them go.	3/16/2019 10:21 AM
51	I visit my allotment every day	3/16/2019 9:08 AM
52	We should all be encouraged to eat healthy food, and vegetables are an important part, to actually grow your own, provides exercise as well as nutrition	3/16/2019 12:06 AM
53	Gardens for most houses are so small especially in new builds, people need fresh air and exercise	3/11/2019 11:36 AM
54	Our village allotments should be preserved at all costs. As well as a growing platform they are a community space that helps with fitness, welfare and a space to just get away	3/8/2019 3:47 PM
55	Everyone is promoting to grow your own produce. For people who live in apartments the space is needed. Also for a social aspect	3/8/2019 11:51 AM
56	but feel more allotments should be opened up to people who can or would use them to there potential , even as community product supplies for fresh foods.	3/6/2019 11:06 PM
57	A essential that is important to many people and the wildlife. The allotment shed will have saved many a marriage. Absence (3-4 hours a day) makes the heart grow fonder.	3/6/2019 3:32 PM
58	Good on every level, to some people it's what gives them a life lifting interest	3/5/2019 3:15 PM
59	The allotments are the hub of the community to those who use them and subsidise food bills for many people on a low income.	3/5/2019 11:46 AM
60	with an uncertain political future, natural resources becoming scarce and people becoming more concerned and interested in the origin of their food, spaces where people can grow there own food should be preserved for future families	3/4/2019 8:13 PM
61	growing your own produce is cheaper, and a good way of keeping fit/getting outdoors	3/4/2019 7:09 PM
62	Not everyone has a green space or growing space. If people want them, let them have them. They are productive not destructive.	3/4/2019 4:52 PM
63	Used by the community	3/4/2019 1:13 PM
64	We have had an allotment since 1991 in the same field that my father, grandfather etc had before us they are more popular now than for many years, you want to encourage them not take them away	3/4/2019 10:16 AM
65	I am an allotment holder and we all enjoy growing our own crops and the friendship.	3/3/2019 11:50 PM
66	Always been there and should remain for the future	3/3/2019 11:49 PM
67	An asset for those without access to their own garden spaces.	3/3/2019 10:17 PM
68	It is vital that local allotments remain, given the rural nature of the village.	3/3/2019 7:25 PM
69	These were designed to create growing space for those unfortunate not to have any of there own ,they also are a social space for communities to come together ,and help some to provide food for the table .	3/3/2019 4:46 PM
70	Biggest eyesore in Heamoor with rat infestation spreading into village. There was a problem a few years ago that there was no demand for allotments.	3/3/2019 3:02 PM
71	an important asset for the community	3/3/2019 11:13 AM
72	Allotments should also be a protected area. These encourage people to grow their own produce giving people the exercise and joy of growing your own and fresh air. If there are free allotments these should be advertised.	3/3/2019 10:51 AM

Q8. Any development proposals should include new allotment spaces for new residents

Answered: 293 Skipped: 9

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Definitely, but then ideally these will not be any (large-scale) development in this area.	5/20/2019 9:47 PM
2	New residents should have garden area with the new development, if any new development!	5/18/2019 3:12 PM
3	Not practical/no space	5/17/2019 11:08 PM
4	Or decent sized gardens of their own.	5/17/2019 10:14 PM
5	Would be very helpful	5/13/2019 11:06 PM
6	Those already allocated should be regularly checked that they are being used not lying dormant	4/24/2019 11:37 PM
7	V low priority	4/24/2019 11:05 PM
8	The NP should set out the quantity of allotments delivered by any new development per household	4/24/2019 10:23 PM
9	I think this actively helps with mental health problems as well as supplementing their food	4/24/2019 7:15 PM
10	New spaces are always needed, people have to go on a waiting list.	4/24/2019 7:06 PM
11	A good idea as most gardens are tiny	4/24/2019 5:17 PM
12	Doubtful whether many new residents would be interested in allotments	4/24/2019 4:52 PM
13	Other benefits: exercise for all. occupation, social interaction for retired & those not working.	4/24/2019 3:35 PM
14	Do not want huge developments. Allotments are essential for health and vitality.	4/24/2019 3:23 PM
15	I think there are enough at the moment.	4/24/2019 2:54 PM

Heamoor Questionnaire

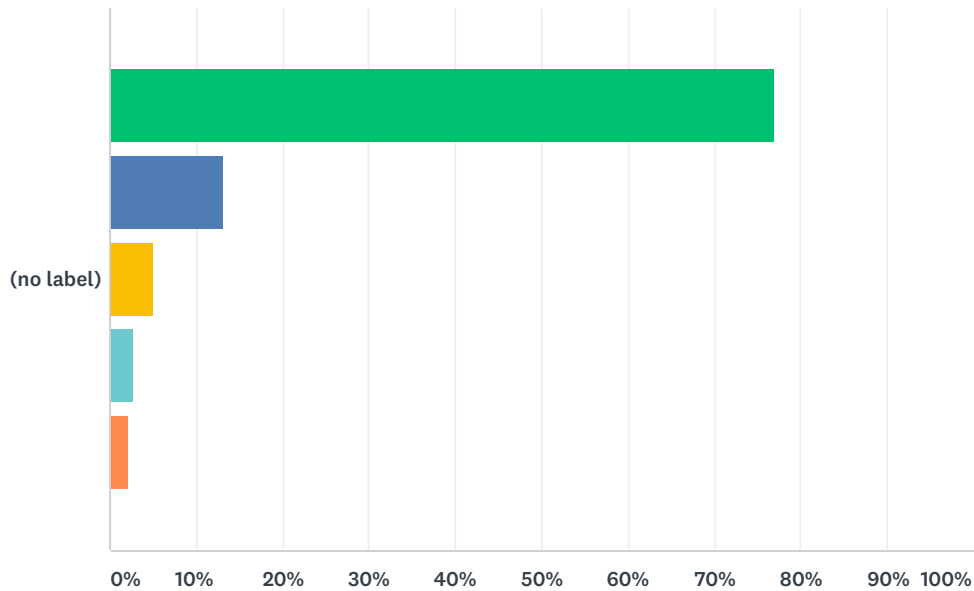

16	Should there be development, inclusion of open spaces is key. (Not sure we require any development.)	4/24/2019 2:46 PM
17	New residents should have the opportunity to grow their own veg etc, & it would also serve as a meeting place.	4/24/2019 2:38 PM
18	People enjoy growing their own veg and flowers and meeting like minded people	4/24/2019 1:39 PM
19	Essential people have the ability to grow food with the EU and climate crisis	4/24/2019 1:28 PM
20	100%	4/24/2019 1:20 PM
21	And old residents first	4/22/2019 1:25 AM
22	No to any development	4/22/2019 12:50 AM
23	Definitely & creative/commercial ways for them to be used	4/22/2019 12:36 AM
24	If there are no new developments there will be no need for more allotments	4/22/2019 12:15 AM
25	Use new allotments for existing residents - waiting list?	4/21/2019 12:29 AM
26	There should be allotments for existing residents	4/21/2019 12:02 AM
27	Yes but avoid development	4/20/2019 11:37 PM
28	There is already a waiting list for existing residents although in theory those with no garden space would benefit.	4/20/2019 11:23 PM
29	We need to have our own outdoor space to grow food locally	4/20/2019 11:16 PM
30	Is there a need for more allotments?	4/18/2019 2:17 PM
31	Yes definitely, important for young people to know where fruit & veg come from.	4/18/2019 2:08 PM
32	Parking should come before allotment spaces	4/18/2019 12:02 PM
33	Useful not vital	4/18/2019 12:21 AM
34	If people enjoy using them then let them carry on. if the access road is upgraded to the allotments and homes put there then all that is fine.	4/17/2019 11:50 PM
35	See above. Also for other outdoor activities.	4/17/2019 10:39 PM
36	If you are going to build new houses without gardens then yes the residents should be allowed to have an allotment supplied with the development.	4/8/2019 2:15 PM
37	Any new residents in the village should be offered the chance of an allotment so that they can produce their own food.	4/2/2019 2:52 PM
38	If we do have to have this extra housing, parking and allotments would be essential I feel.	3/27/2019 8:42 AM
39	Garden space will not be at a premium in any future developments so allotments will be a vital aspect.	3/20/2019 3:58 PM
40	See comment to above. Vital for wellbeing and the satisfaction of improved self-sufficiency. Good for the environment, too.	3/19/2019 11:04 PM
41	This will give new residents the chance to grow their own vegetables, a very healthy and economically friendly option for residents. Not to mention the social side of meeting other residents who may not live right next to themselves.	3/19/2019 12:00 AM
42	well yes, for the reasons above.	3/18/2019 9:38 PM
43	As above	3/16/2019 10:41 AM
44	I'm a vegetarian, so any small plot that grows vegetables is a good thing.	3/16/2019 10:21 AM
45	It's part of village life	3/16/2019 9:08 AM
46	See comments above	3/16/2019 12:06 AM
47	See above	3/11/2019 11:36 AM
48	As above	3/8/2019 3:47 PM
49	New builds never give enough outside space	3/8/2019 11:51 AM
50	Not just for new residents but also for existing residents who have been unable to get an allotment previously.	3/8/2019 11:14 AM
51	Important space for wildlife. And an allotment is such a lovely pastime. For many allotment holders it's very rewarding.	3/6/2019 3:32 PM

Heamoor Questionnaire

52	to promote self-sufficiency and exercise	3/4/2019 7:09 PM
53	Space and greenery is needed for peoples mental wellbeing	3/4/2019 1:13 PM
54	Why for new residents	3/4/2019 11:15 AM
55	There is always a waiting list for allotments.	3/3/2019 11:50 PM
56	But any further developments will cause the village to become even more joined up with other surrounding villages	3/3/2019 11:49 PM
57	Health & wellbeing considerations	3/3/2019 10:17 PM
58	Common areas must be part of society ,none of us know what the future holds regarding access to such land ,so keep it now.	3/3/2019 4:46 PM
59	good for physical and mental health	3/3/2019 4:08 PM
60	As above.	3/3/2019 3:02 PM
61	I agree again as this helps with the community in so many ways.	3/3/2019 10:51 AM

Q9. There should be a “green buffer” preventing development of the land immediately north of Polmennor Road/Josephs Lane/Boscathnoe Lane (do you have any other ideas for green buffers?)

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	All around Heamoor!	5/20/2019 9:47 PM
2	We do need more housing, not like Roscadghill as that is like downtown Baghdad. South of Polmennor Road around Treneere roundabout would be good for housing.	5/20/2019 6:17 PM
3	No development required!	5/18/2019 3:12 PM
4	I like the idea but we have to provide more affordable homes.	5/17/2019 10:14 PM
5	Between Boscathnoe & Trengwainton	5/17/2019 9:47 PM
6	A bypass would help	5/13/2019 11:06 PM
7	Buffers should be developed all around the village.	5/13/2019 10:29 PM
8	Unsure, we need hosues	4/24/2019 11:26 PM
9	New housing has to go somewhere & is better placed as expansion of existing settlements	4/24/2019 11:15 PM
10	Green areas must be retained.	4/24/2019 11:05 PM
11	Just that the trees planted are native and deciduous	4/24/2019 10:59 PM
12	Must retain identity & keep green buffer	4/24/2019 10:44 PM
13	Parked cars already make it dangerous, more housing would make it worse	4/24/2019 10:39 PM

Heamoor Questionnaire

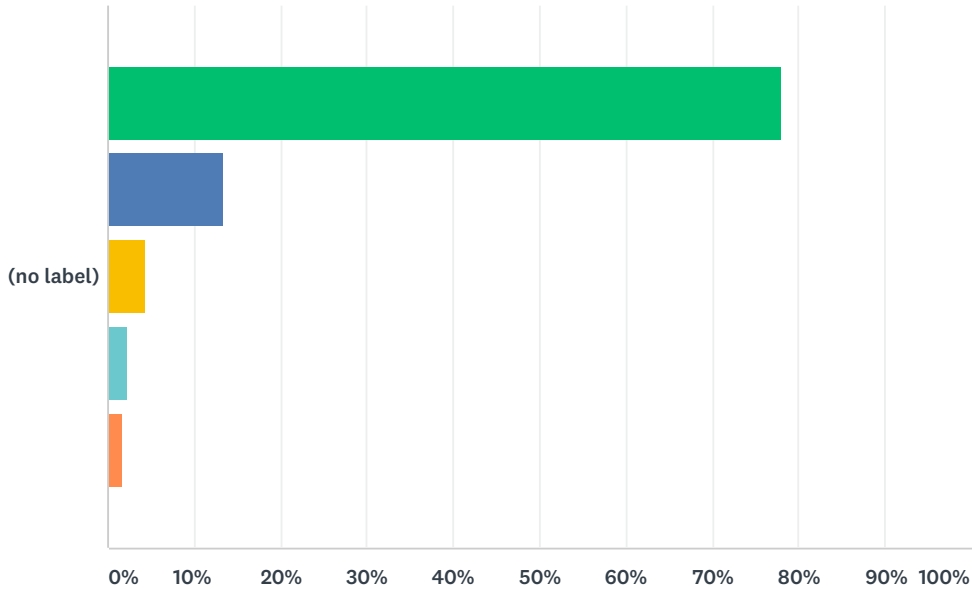

14	Cycle paths, bridle paths & new rambling routes - horse riders & cyclists gamble with their lives around here.	4/24/2019 10:35 PM
15	Plant lots more trees and hedges	4/24/2019 10:12 PM
16	The road to Madron	4/24/2019 7:15 PM
17	The only green space between Heamoor and PZ is the cricket club and cemetery so it's vital we retain the land north of Polmennor Road	4/24/2019 5:17 PM
18	How would this be done?	4/24/2019 4:52 PM
19	Green buggers vital for wildlife and people alike.	4/24/2019 3:44 PM
20	Yes, west of Trengwainton & south of Boscathnoe Lane. Fields alongside & beyond reservoir.	4/24/2019 3:35 PM
21	Yes, do not build.	4/24/2019 3:23 PM
22	There should also be a green buffer to the east between Heamoor and Gulval. Also one to the west of Boscathnoe way to include Trengwainton.	4/24/2019 3:09 PM
23	I agree with this buffer because the land is immediately above my street and until I am satisfied that the right infrastructure management is in place I'll fight it as it is a flood risk.	4/24/2019 2:54 PM
24	The area surrounding the reservoir & Trengwainton Gardens towards Boscathnoe Way lends itself perfectly to becoming a recognised nature reserve and promoting this would be a prime addition to the Heamoor area.	4/24/2019 2:46 PM
25	There should be another green buffer to the SW between the Boscathnoe estate and the Boscathnoe Reservoir, Hendra & Lesingey Lane.	4/24/2019 2:10 PM
26	If the development goes ahead there should be no entry to Boscathnoe Way from that end of the village to reduce the rat run effect	4/24/2019 1:58 PM
27	Please don't build on any green field site, keep areas open, plant more trees	4/24/2019 1:39 PM
28	The bypass would present a better buffer zone for both Heamoor and PZ residents	4/24/2019 1:28 PM
29	Have Trengwainton been informed? View from the Ha Ha will be ruined.	4/22/2019 1:25 AM
30	Boscathnoe Lane, between Boscathnoe Way and Trengwainton	4/22/2019 12:15 AM
31	Historic boundaries need to be preserved	4/21/2019 11:51 PM
32	Any development must include the proper infrastructure	4/21/2019 12:58 PM
33	Already too many houses in Heamoor now	4/21/2019 12:37 PM
34	A30 towards Alverton	4/21/2019 11:27 AM
35	Real review of brownfield sites and conversion of rooms above shops into housing needed.	4/21/2019 12:27 AM
36	We need the fields for food production and could make them pay, unfortunately the so-called farmers don't farm. No more building even one house developments of pastures.	4/21/2019 12:10 AM
37	Land west end of Boscathnoe Pollards Farm/reservoir	4/20/2019 11:58 PM
38	All should be connected by green wild hedges as these help preserve wildlife	4/20/2019 11:37 PM
39	Anywhere near Mounts Bay school due to traffic problems	4/20/2019 11:23 PM
40	Surely Trengwainton & Madron will remain untouched?	4/18/2019 2:17 PM
41	Trees planted?	4/18/2019 2:08 PM
42	Green buffer past Boscathnoe Estate so that any development doesn't encroach reservoir and Trengwainton gardens	4/18/2019 12:10 PM
43	Being surrounded by nature has been shown to improve the emotional wellbeing and confidence of schoolchildren, which helps their learning ability. Our schools should not be surrounded by housing estates.	4/18/2019 11:01 AM
44	These are areas of natural beauty and should be kept as such	4/18/2019 12:16 AM
45	There should also be one between Heamoor and any development at Treneere	4/17/2019 11:00 PM
46	Important for the environment	4/15/2019 1:55 PM
47	I agree if not then again we become a town in within a town	4/8/2019 2:15 PM
48	Green buffers are essential to protect our green fields from development given the threat from global warming. Any other green buffers would be welcome.	4/2/2019 2:52 PM

Heamoor Questionnaire

49	A green buffer to the west of Heamoor would also be helpful. If the proposed development at Boscathnoe ever goes ahead (which it shouldn't) then it should not be allowed to extend westward.	4/2/2019 12:38 PM
50	A buffer strip is the only way to ensure the survival of our village.	3/27/2019 8:42 AM
51	The countryside needs preserving.	3/20/2019 3:58 PM
52	We need green buffers to let our children have safe places to play and for us all to enjoy the countryside next to our homes. Heamoor is a rural village. It doesn't have the infrastructure to be developed into a huge town, especially at such a high cost ie the destruction of our immediate countryside.	3/19/2019 12:00 AM
53	again . . trees . . shrubs. They can reduce flooding issues dramatically. West Penwith could do with more trees.	3/18/2019 9:38 PM
54	Vitally important to preserve the identity of the area and the health and wellbeing both mental and physical	3/16/2019 10:41 AM
55	To maintain our village identity	3/16/2019 9:08 AM
56	The fields between poltair manor and the acedemy school	3/16/2019 12:06 AM
57	these green buffers could be used to create nature trails and habitats	3/8/2019 3:47 PM
58	With every new build new roads are put in making buffers hard to recognise	3/8/2019 11:51 AM
59	Was always part of the local plan, till a development got approved in Josephs lane on the wrong side of the road.	3/7/2019 12:33 PM
60	There should be no need for buffer zones if careful consideration is given to each proposed site before planning is approved. Each site should be judged on its individual merits.	3/7/2019 11:35 AM
61	Most definitely	3/7/2019 11:12 AM
62	sorry not sure large development needs to go on this outer area really.	3/6/2019 11:06 PM
63	it is very important to make people feel they are part of the countryside and not just an add-on to another housing estate.	3/6/2019 3:32 PM
64	All around Heamoor	3/5/2019 3:15 PM
65	all developments should include a green buffer fund, thats ring fenced for its care and maintenance so it is not a drain on the public purse in future years.	3/4/2019 8:13 PM
66	there is some beautiful land there that should be protected	3/4/2019 7:09 PM
67	Also land between Boscathnoe Way and Madron.	3/4/2019 5:26 PM
68	Don't build there. Marsh and stuff. Planners are idiots and will build the wrong thing in the wrong place.	3/4/2019 4:52 PM
69	Yes all of bone valley should be left as it is and also the fields between trannack lane and trevaylor etc	3/4/2019 10:16 AM
70	To stop the urban spread.	3/3/2019 11:50 PM
71	And towards Gulval and Nancealverne and Alverton.	3/3/2019 11:49 PM
72	This is crucially important	3/3/2019 5:22 PM
73	Yes ,also to include the south side of Boscathnoe lane from the top of Luthergwearne farm lane entrance ,to the reservoirs in the westerly direction along its entire length,as a screen of any possible developments ,and means of dehydrating those ares also ,preventing flooding .Luthergwearne farm has not been farmed now for many years ,and has largely become marshland as it's reverted back to its natural state ,,Marsh grass in abundance in all the fields ,rendering it a natural flood plane and unfit for development of any kind.	3/3/2019 4:46 PM
74	It is private land of little agricultural value with no public access	3/3/2019 3:02 PM
75	We do not want over development, we want to leave it as it is.	3/3/2019 10:59 AM
76	We currently have a green buffer around the village and this should be kept and protected at all costs. There are so many empty premises in Penzance town convert them into dwellings and keep our countryside green.	3/3/2019 10:51 AM

Q10. The old Penwith Council made the countryside on the Heamoor side of the A30 at Nancealverne/Castle Horneck a protected open area. The Neighbourhood Plan should do the same

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Very strongly agree.	5/20/2019 9:47 PM
2	I can't see how it would work to have any there! A lot of disruption for a small plot.	5/20/2019 9:06 PM
3	All areas should be looked at as long as it is managed in a sensible way, .e. proper road access and green areas especially trees, footpaths & cycle ways	5/20/2019 6:33 PM
4	Wasted space, good access onto the A30 for cars. Put houses there, this means less traffic going through the main road in Heamoor. New houses are needed but they must be correctly sited.	5/20/2019 6:17 PM
5	Please do, keep it safe. I love the beauty there!	5/18/2019 6:16 PM
6	Ask the young. Give people nice surroundings and maybe people won't be NIMBYs.	5/17/2019 10:14 PM
7	Protected open area, should be expanded not decreased	5/13/2019 11:32 PM
8	Don't want to see Alverton get any bigger	5/13/2019 11:06 PM
9	Don't allow CC to dictate to us in this area. Majority of councillors don't even live in this area.	4/24/2019 11:05 PM
10	These two areas are of considerable historical interest and need a full and detailed archaeological survey carried out	4/24/2019 10:59 PM
11	We need fields & green areas - keep as protected area	4/24/2019 10:44 PM
12	Heamoor was built as a village and all the space was used up at the time. The infrastructure would not cope.	4/24/2019 10:12 PM
13	Yes, must be protected	4/24/2019 5:17 PM

Heamoor Questionnaire

14	This agreement should be honoured to promote trust between community and Council.	4/24/2019 4:01 PM
15	Absolutely.	4/24/2019 3:23 PM
16	It seems to be used regularly for cattle grazing.	4/24/2019 2:54 PM
17	I agree, should be the same on neighbourhood plan	4/24/2019 1:39 PM
18	This should be maintained, not changed by CC bureaucrats who don't even live here ad see potential development in all!	4/24/2019 1:28 PM
19	Important for locals, rest of Cornwall & visitors.	4/21/2019 12:27 AM
20	Penwith is too small and now struggling. Heamoor needs small developments on land not being used.	4/21/2019 12:10 AM
21	Keep it protected and establish more protection	4/20/2019 11:37 PM
22	This is a lovely special area and needs preserving	4/20/2019 11:16 PM
23	Is this area legally protected?	4/18/2019 2:17 PM
24	Little hope I'm afraid!	4/18/2019 12:18 AM
25	We do need more housing, not like Roscadgill as that is like downtown Baghdad! South of Polmeor Road around Treneere roundabout would be good for housing.	4/17/2019 11:50 PM
26	This area (as others) must be protected.	4/17/2019 10:39 PM
27	Yes otherwise we are going to have nothing but new houses built on this land so keep it protected	4/8/2019 2:15 PM
28	This area should definitely be kept as a protected open area to provide green lungs for the local community.	4/2/2019 2:52 PM
29	As above.	3/27/2019 8:42 AM
30	Open areas are essential for well being.	3/20/2019 3:58 PM
31	This area is a highly valuable asset, open to all local communities and enjoyed by thousands. We MUST retain it.	3/19/2019 11:04 PM
32	Yes, it helps to keep Heamoor separate and provides another lovely area to walk and enjoy the countryside.	3/19/2019 12:00 AM
33	I regularly pass the beautiful grand old oak trees still standing in the meadow. Signifies history, which would have gone if 'progress' and it's clumsiness had been allowed in.	3/18/2019 9:38 PM
34	There are man areas suitable for redevelopment, please help us to maintain the open character of Heamoor, once it's gone, it will be gone for ever	3/16/2019 12:06 AM
35	Houses e are creeping in everywhere and our roads,school,hospitals and police cannot keep up.	3/8/2019 11:51 AM
36	This decision was made a number of years ago and we now live in different times where the needs of the community are different.	3/7/2019 11:35 AM
37	too right it should. Once it's gone it's gone.	3/6/2019 3:32 PM
38	People need open spaces	3/5/2019 3:15 PM
39	it helps to counteract the general pollution of all the cars using that road	3/4/2019 7:09 PM
40	Really, should you be asking? This is a no brainer, just do it.	3/4/2019 4:52 PM
41	Obviously they realised the importance of the green areas.	3/3/2019 11:50 PM
42	Again money talks	3/3/2019 11:49 PM
43	Once its gone no coming back : (If it was deemed a protected open area, then that assertion should still stand	3/3/2019 10:17 PM
44	That's why it had protected status ,and should be respected by Cornwall Council on their taking responsibility as custodians of previous councils recommendations.	3/3/2019 4:46 PM
45	It is better that good agricultural land is preserved for use.	3/3/2019 3:02 PM
46	The local people know the areas people in offices do not! Consultation should be of paramount importance as the local people have the local knowledge and want to protect the beauty of Cornwall.	3/3/2019 10:51 AM

Q11. Heamoor is not a suitable place for large-scale housing development

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Due to infrastructure.	5/20/2019 9:47 PM
2	Especially fields adjacent to Boscathnoe reservoir, they are a natural soakaway	5/20/2019 9:23 PM
3	Depends what you are looking at.	5/20/2019 9:06 PM
4	Strongly agree. Traffic at school times is already horrendous. Schools are full. Areas already flooding!	5/20/2019 6:23 PM
5	North of the A30 between Alverton & Heamoor roundabout is a good spot. north of the A30 at Treneere roundabout, another good spot.	5/20/2019 6:17 PM
6	Heamoor Island is too busy at rush hour, sheltered housing right next to island plus John Daniel Centre, schools, now 3 Dr's surgeries!	5/18/2019 6:16 PM
7	Maybe small development?	5/18/2019 6:04 PM
8	There would be too may cars and not enough places in schools.	5/17/2019 10:54 PM
9	Heamoor cannot take any more traffic - already a no-go area for residents before & after school	5/17/2019 10:48 PM
10	Any developments must include a good infrastructure with lots of open space	5/17/2019 10:14 PM
11	Not suitable. Also local hospitals need to do more so people don't need to go to Truro.	5/13/2019 11:06 PM
12	No infrastructure to sustain large-scale.	5/13/2019 10:29 PM
13	Where are all these extra children going to go to school? M B school & parking already at capacity.	4/24/2019 11:51 PM
14	After looking at what has been built at the old Council offices it looks like a disaster	4/24/2019 11:47 PM

Heamoor Questionnaire

15	Roads can't take any more traffic and schools are full	4/24/2019 11:32 PM
16	7 developments in past 50 yrs plus now St Clare	4/24/2019 11:30 PM
17	Roundabout traffic becoming worse all the time. Large scale development would make it almost impossible at peak times.	4/24/2019 11:18 PM
18	there have been large scale developments before and new housing is desperately needed	4/24/2019 11:15 PM
19	Totally unsuitable, no infrastructure, originally built for horses and carts	4/24/2019 11:05 PM
20	We need a small development for local families but at real affordable prices	4/24/2019 10:59 PM
21	Already close to capacity. Developers only care about profit not environment.	4/24/2019 10:50 PM
22	Roads can't cope with more cars, schools are full, flooding	4/24/2019 10:44 PM
23	Heamoor is big enough, roads are congested and dangerous. More houses won't help.	4/24/2019 10:39 PM
24	A long term assessment is needed along the lines of new town development near Truro. Just filling in houses here and there won't solve current or future housing issues.	4/24/2019 10:35 PM
25	Heamoor is already a result of corporate development. The density of houses make it unattractive with little green space.	4/24/2019 10:23 PM
26	Please remember they must be small developments.	4/24/2019 10:12 PM
27	We have had enough building around the village, we have no shops, schools and roads cannot support any more.	4/24/2019 7:15 PM
28	Doesn't have the infrastructure to sustain it.	4/24/2019 7:06 PM
29	Our roads are at capacity	4/24/2019 5:17 PM
30	You can't put in large-scale developments without improving roads and pavements.	4/24/2019 5:09 PM
31	Not many places in Cornwall are suitable for large scale development. Affordable housing isn't affordable for local people and is just a loophole used by builders when they want to develop. Definitely shouldn't be used for second homes, rules should be tightened.	4/24/2019 4:11 PM
32	Heamoor has already had major developments making roads very congested and dangerous with parked cars on both sides. It would become a less desirable place to live, losing its character.	4/24/2019 4:01 PM
33	Far too much traffic already with noticeable increase on school days. Hospital services already at breaking point. Schools wouldn't cope. Most families have 2 or more cars. Where are the jobs?	4/24/2019 3:35 PM
34	We do not have the infrastructure without ruining the village ambience.	4/24/2019 3:23 PM
35	Infrastructure totally inadequate to accommodate any size of housing development.	4/24/2019 3:09 PM
36	Doubling the size of the village is a ridiculous idea with no change to infrastructure. Social/affordable housing on a smaller scale is fine.	4/24/2019 2:54 PM
37	It would suffer considerably from increased traffic and a distinct increase in pollution	4/24/2019 2:38 PM
38	Roads in & out of village & at roundabout are congested at school time. It will be a nightmare to get in & out.	4/24/2019 2:17 PM
39	This is a village, rural not urban	4/24/2019 1:58 PM
40	Large scale development will put a strain on roads & services	4/24/2019 1:39 PM
41	We don't have the road space	4/24/2019 1:20 PM
42	Infrastructure is not sufficient for large scale development	4/22/2019 1:14 AM
43	Roads already congested at school time	4/22/2019 1:05 AM
44	The infrastructure wouldn't be able to cope	4/22/2019 12:52 AM
45	Infrastructure is completely inadequate & inappropriate	4/22/2019 12:36 AM
46	This would totally destroy the character	4/22/2019 12:32 AM
47	No infrastructure	4/22/2019 12:11 AM
48	But we need council houses built, not affordable	4/21/2019 11:40 PM
49	There is no infrastructure for so many buildings, plus the sewage works are over the limit now	4/21/2019 11:56 AM
50	Heamoor will not be able to cope	4/21/2019 11:52 AM

Heamoor Questionnaire

51	Congestion, lack of infrastructure creating ghettos where crime can flourish.	4/21/2019 12:27 AM
52	We could put over 25 houses in this village for locals without going into countryside.	4/21/2019 12:10 AM
53	Because it would destroy Heamoor and the mental health of its residents	4/20/2019 11:37 PM
54	Heamoor roads already busy enough	4/20/2019 11:26 PM
55	It is big enough	4/20/2019 11:16 PM
56	Long scale developments in Heamoor over past 40 years - saturation has been reached	4/18/2019 2:23 PM
57	Local people need affordable homes, irrespective of the size of developments	4/18/2019 2:17 PM
58	Infrastructure not there, roads are small and there has always been a flood risk especially in Rock Terrace.	4/18/2019 2:08 PM
59	Heamoor has no infrastructure for more homes. Too busy now with 2 schools and insufficient parking for houses.	4/18/2019 1:55 PM
60	Insufficient infrastructure, poor road system, already overloaded. Flood area.	4/18/2019 12:10 PM
61	we already experience very heavy traffic problems, any further housing development would increase this situation	4/18/2019 11:53 AM
62	Large housing developments would destroy the character of the village. Your narrow roads where children play could not cope with the traffic.	4/18/2019 11:01 AM
63	The roads would not cope with any more traffic.	4/18/2019 9:19 AM
64	Very busy now. Traffic lethal especially at school times.	4/18/2019 12:21 AM
65	The roads around Heamoor have already reached gridlock and any more development would make it impossible during rush hours.	4/18/2019 12:07 AM
66	The early morning traffic through the village currently causes chaos, more development would add to this.	4/18/2019 12:04 AM
67	Wasted space, good access on to the A30 for cars. Put houses there, this means less traffic going through the main road on Heamoor. New houses are needed but they must be correctly sited.	4/17/2019 11:50 PM
68	Due to lack of adequate roads and increase in pollution and flood risk	4/17/2019 11:00 PM
69	It is already developed to capacity.	4/17/2019 10:39 PM
70	It is very wet and would need a lot of drainage	4/17/2019 10:24 PM
71	Infrastruure not adequate Madron Road Athens main road in the centre of the village is already busy and gride locked during school drop off and end of day	4/15/2019 1:55 PM
72	Heamoor is a small place and is not suitable for large scale housing development our roads or sewerage cannot cope with that sort of development	4/8/2019 2:15 PM
73	It would be foolish to damage a successful community like Heamoor by overloading it with new development. Large-scale development would be disproportionate to local need.	4/2/2019 2:52 PM
74	Development should be proportionate to the size of the existing community and infrastructure. And given we are in a climate emergency we should not be building on green fields but reusing existing buildings wherever possible.	4/2/2019 12:38 PM
75	As stated before, the infrastructure is not in place. Perhaps the planning department should visit the village at times of rush hour. I live in Rosparvah Gardens Heamoor and the street is often gridlocked at these times. In the Summer, it is even worse. If further houses are added, it can only get worse.	3/27/2019 8:42 AM
76	The road network in the village is not equipped to deal with an increase in traffic through the village and changes to this would make Heamoor feel like a part of wider Penzance rather than a village in it's own right.	3/25/2019 9:58 AM
77	The infrastructure is not there for large scale developments and would not fit in with the Heamoor community.	3/20/2019 3:58 PM
78	Its rural character should be preserved. This is felt to be sacrosanct to those of us who have lives here for years.	3/19/2019 11:04 PM

Heamoor Questionnaire

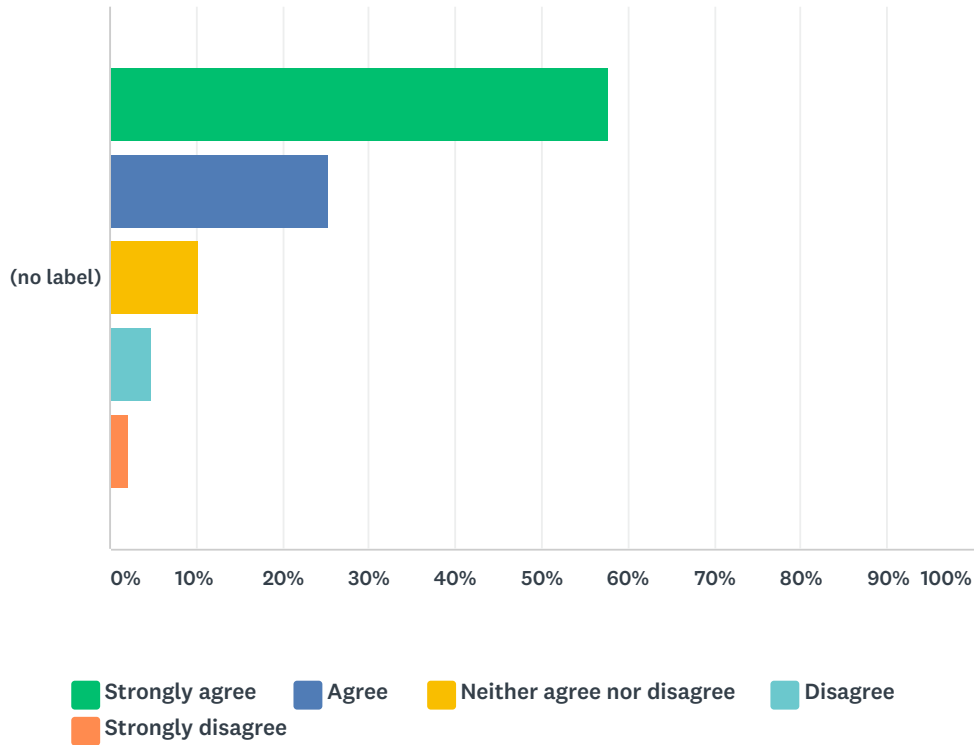

79	Firstly, we don't have the superstructure for a large-scale housing development: there's only one shop, the school doesn't have the space for a vast number more of pupils, the roads are already too busy at school start and end times, and the roads are not designed for greater traffic use (current Heamoor residents need to park their cars along the roads as very few residents have car ports or garages. This parking is excellent as it slows most of the traffic through the village, though we could still do with speed bumps as well as this). Also, where are the jobs for the extra residents going to come from? It's already extremely hard to get a job that pays a wage that's high enough to pay all the bills and support a family.	3/19/2019 12:00 AM
80	Large scale housing developments here would completely overwhelm any sense of community, bringing with it a whole range of social problems that ultimately the council would have to deal with. The local roads are already heavily congested, could not handle more traffic. We already get queues on the A30 from Hea Corner to the Tesco roundabout, and this is in March ! It's a valley, so steep hillsides. Wherever you put concrete you will get flash floods, and It rains a lot here as we all know.	3/18/2019 9:38 PM
81	Flooding infrastructure and lack of amenities	3/16/2019 10:41 AM
82	The roads can't cope with traffic already	3/16/2019 9:08 AM
83	Redevelop run down areas, of Penzance, industry changes, let's change with it, by redeveloping run down areas, near the bus and train tracks an routes, with the idea to lower road trips and in courage the use of public transportation	3/16/2019 12:06 AM
84	Roads are unsuitable for the heavy traffic we already have and the drainage/sewage system would not cope	3/14/2019 11:36 AM
85	See comments Q1	3/11/2019 11:36 AM
86	As per previous comment the traffic in Heamoor is already an issues with cars parked all along the main road to add more traffic to this would be dangerous	3/11/2019 9:58 AM
87	No infrastructure to support large scale development.	3/8/2019 3:47 PM
88	The roads cannot cope, the schools are at bursting point and the NHS cannot meet demand	3/8/2019 11:51 AM
89	However it already has happened.	3/7/2019 12:33 PM
90	There are suitable sites around Heamoor which can be used for housing development. I'm sure there was opposition to the building of houses on the land now known as Boscathnoe and Roscadghill estates. These developments are now an accepted part of the community. Where there is an identified need for housing then identified sites should be used.	3/7/2019 11:35 AM
91	Perhaps not large scale, but some development should be permitted.	3/7/2019 11:15 AM
92	Heamoor is a village, a large scale development would ruin that	3/7/2019 11:12 AM
93	development on a smaller scale to allow locals homes.	3/6/2019 11:06 PM
94	Heamoor is already prone to flooding in places. Large scale housing development is likely to add to this problem.	3/6/2019 8:47 PM
95	The roads are already to busy and getting dangerous to cross.Hea road is always blocked with parked cars which cause issues back onto the main road .This means that school kids are crossing at the junction between cars which are trying to get in or out with so much distraction how long before a life is lost. Madron road is chaos parking both sides traffic always struggles to get through, blocks at all junctions with poor vision then add in people and children crossing.	3/5/2019 3:15 PM
96	Traffic is becoming more and more of and issue in the village, places are becoming impassible and tensions flair. the infrastructure can not cope at the moment, the schools have recommended that pupils do not cycle to school because of safety concerns.	3/4/2019 8:13 PM
97	the roads in Heamoor get congested as it is, and the village would lose its individualiity	3/4/2019 7:09 PM
98	Problems with traffic and general over development.	3/4/2019 5:26 PM
99	Schools and doctors are already over stretched. Also the extra traffic would not help, as at times it is congested now	3/4/2019 4:53 PM
100	Roads can't take, coommunity doesn't want it or need it. Developers just want to (desperately) make their grubby money by any means.	3/4/2019 4:52 PM
101	Living adjacent the stream, flooding is a real worry especially if building causes more surface runoff. Having children of school age there are lots of problems with school budgets already.	3/4/2019 3:30 PM
102	The village has already expanded greatly with no increased infrastructure.The roads are very at times during the days.	3/3/2019 11:50 PM
103	But again unfortunately money talks	3/3/2019 11:49 PM

Heamoor Questionnaire

104	It is a village not a town and not suitable for or capable of sustaining mass development	3/3/2019 10:17 PM
105	There is no requirement for large scale housing developments in the village. The number of local people requiring housing, does not equate to the proposed building developments.	3/3/2019 7:25 PM
106	The village will not be able to cope with the proposed huge development. It's character will also be ruined forever	3/3/2019 5:22 PM
107	There will be small pockets of development around the village but I think,with in the past years ,the Reens,Sona merg,Nicholas Parc ,Heabrook terrace,Heabrook Parc ,Tremain Close,Roscadghill Parc,Rosehill Park,Poltair Close ,Roesehill Meadows,Boscathnoe Parc ,this village has had more development than most ,without all the others I've not mentioned Barton Close ,etc,etc.	3/3/2019 4:46 PM
108	apart from taking vital green land, we do not have the school, medical and road facilities for all any developments would generate	3/3/2019 4:08 PM
109	Heamoor is walkable to Penzance thereby discouraging car use, the further you move developement out in the country the more car use there will be. No good regular bus servive	3/3/2019 3:02 PM
110	The roads through heamoor are already to congested	3/3/2019 12:59 PM
111	the village already has large estates	3/3/2019 11:13 AM
112	As a local, I have lived here all my life, I don't want anymore changes to Heamoor.	3/3/2019 10:59 AM
113	Heamoor has more than doubled in size since I was a child and must not increase further. To do this would ruin the green countryside around us. We would loose the community spirit which I fight so hard to keep. We do not want to join with surrounding villages or the town. Heamoor dies not gave the infrastructure to accommodate any extra buildings. We used to have loads of shops wevare diwn to one shop a chemist and a chip shop! The schools are full and we need to protect the Cornish identity! The roads are busy enough without further vehicles coming through the village.	3/3/2019 10:51 AM

Q12. We need small affordable housing developments for locals

Answered: 293 Skipped: 9

	STRONGLY AGREE	AGREE	NEITHER AGREE NOR DISAGREE	DISAGREE	STRONGLY DISAGREE	TOTAL	WEIGHTED AVERAGE

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Within keeping of the village. A lot of the new development is a plain eyesore, with cheap materials that deteriorate quickly.	5/20/2019 9:47 PM
2	Our children are already priced out of their own area	5/20/2019 9:23 PM
3	They need gardens	5/20/2019 9:14 PM
4	Up Madron they do it?	5/20/2019 9:06 PM
5	As a horse rider, I speak for many who dread venturing out on the roads and fear for the safety of my horse and myself. There are no bridleways to ride on without having to use roads to get there and traffic doesn't seem to care about us. There is a motorbike that screams up and down Madron Hill at various times of the day - an accident waiting to happen! Speed bumps need to be put in place up this hill - might slow traffic a bit.	5/20/2019 6:42 PM
6	Precisely!	5/20/2019 6:33 PM
7	Must be correctly sited, infrastructure to support it, roads improved and not crammed in tight like Roscadgehill area.	5/20/2019 6:17 PM
8	My kids are on the Council waiting list, 17 years still waiting for a 3 bedroom local home, it's a joke	5/18/2019 6:16 PM
9	No suitable areas available	5/17/2019 11:08 PM
10	More need for affordable housing	5/17/2019 9:54 PM
11	Small should be priority	5/13/2019 11:32 PM
12	Emphasis on affordable	4/24/2019 11:32 PM
13	They need to be affordable. How much is affordable for local people?	4/24/2019 11:24 PM

Heamoor Questionnaire

14	Local means local! Affordable should be just that & take into account low wages	4/24/2019 11:05 PM
15	Lots of young working families caught paying high rent unable to build a deposit to buy so called affordable housing	4/24/2019 10:50 PM
16	Yes at a price locals can afford	4/24/2019 10:44 PM
17	If housing is agreed on then it should be small scale and for local people.	4/24/2019 10:39 PM
18	We all know someone who can't get on the housing ladder, who can save a £50k deposit on Cornwall wages?	4/24/2019 10:35 PM
19	A proportion of the allocation should be for this purpose. No large scale social housing to re-house/transfer communities from elsewhere.	4/24/2019 10:23 PM
20	If these are provided in the village area then we need better schools, roads and medical facilities. This is long term planning.	4/24/2019 7:15 PM
21	We need social housing which won't be sold off to tenants	4/24/2019 5:17 PM
22	Smaller scale developments like that at Eastern green have less impact on roads, pollution etc.	4/24/2019 5:09 PM
23	Great if this were possible, but the wider political issued need to be addressed first	4/24/2019 4:52 PM
24	Many empty buildings could be developed into affordable housing for locals.	4/24/2019 4:01 PM
25	We do but affordable housing hasn't proved to be affordable.	4/24/2019 3:35 PM
26	We do but not 800. Either side of A30 would be ideal.	4/24/2019 3:23 PM
27	We do need a small affordable housing development in West Penwith but so does everywhere in Cornwall.	4/24/2019 3:09 PM
28	Vast amount of houses built at St Clare less than a mile away, not sure Heamoor needs any.	4/24/2019 2:46 PM
29	Any hosues should only be available for local people, not holiday homes.	4/24/2019 2:17 PM
30	On small brown sites in the village itself. Also small green sites e.g. playing field of old junior school.	4/24/2019 2:10 PM
31	The council need to purchase derelict housing, not build new. Also save on infrastructure this way.	4/24/2019 1:58 PM
32	Heamoor doesn't need expensive houses that people can't afford but we need affordable rentals for locals	4/24/2019 1:39 PM
33	Affordable related to local wages not the figure given by CCC. Or housing associations where people buy houses then sell them back to the association when they move on.)	4/24/2019 1:28 PM
34	100% we do	4/24/2019 1:20 PM
35	If land is sold to Manchester council locals will not be included	4/22/2019 1:25 AM
36	Make sure it is bona fide local people who take the properties (no druggies from other places)	4/22/2019 1:11 AM
37	But needs to be strongly & appropriately implemented	4/22/2019 12:36 AM
38	Yes, for local people. Maybe empty homes could be used as well as small developments?	4/21/2019 11:49 PM
39	Local youngsters cannot afford them	4/21/2019 11:40 PM
40	We need affordable housing for young families	4/21/2019 12:39 PM
41	My grandchildren cannot afford their own homes, we need affordable homes	4/21/2019 12:37 PM
42	What is affordable on local wages? Developers may not be interested	4/21/2019 12:34 PM
43	Affordable means affordable!	4/21/2019 11:52 AM
44	At the moment few housing developments are affordable for locals even if designated as such	4/21/2019 11:39 AM
45	Presently there seem to be no plans for social housing development and most young people working locally will not earn enough to purchase, we need rental housing	4/21/2019 11:33 AM
46	Must be truly affordable with proper infrastructure must blend with environment.	4/21/2019 12:27 AM
47	No mention has been made in the plans of additional infrastructure to allow for their influx of hundreds more residents.	4/21/2019 12:17 AM
48	We start by reversing second home ownership first	4/20/2019 11:37 PM
49	We need more flats for single & elderly people	4/20/2019 11:26 PM

Heamoor Questionnaire

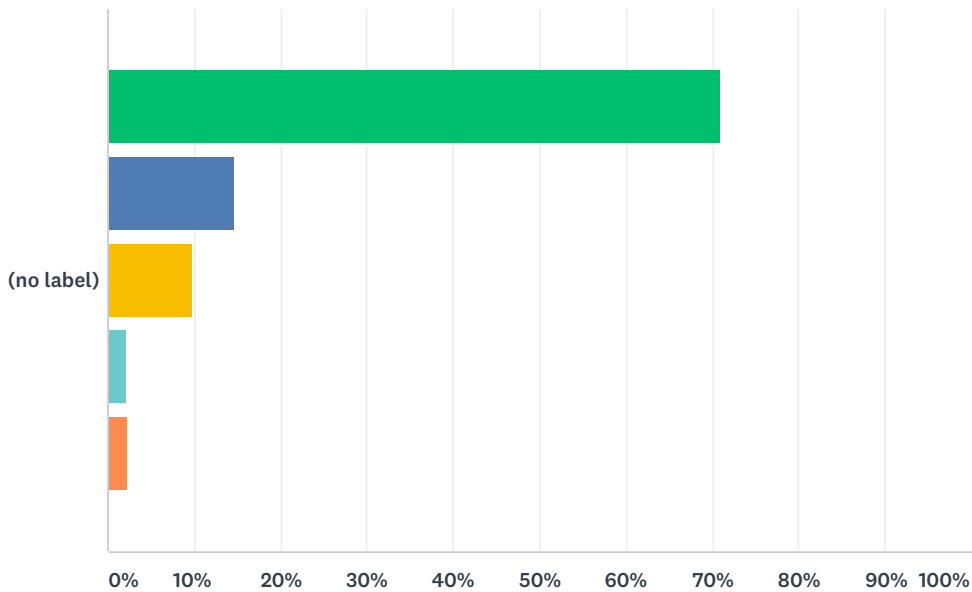

50	There should be more small bungalows for elderly and retirees. This might encourage people to downsize and free up larger houses with gardens for families.	4/20/2019 11:23 PM
51	There should be greater emphasis on social housing due to Cornwall's very high property prices	4/18/2019 1:57 PM
52	Not in Heamoor but somewhere else	4/18/2019 12:02 PM
53	Most housing seems to be bought up by wealthy second home owners and just destroys wildlife and nature so that a privileged few can profit financially.	4/18/2019 11:01 AM
54	Heamoor does not have the infrastructure to support further developments	4/18/2019 9:38 AM
55	On a small scale! For example, how about utilising the old primary school field, allotments that are not used?	4/18/2019 12:04 AM
56	North on the A30 between Alverton and Heamoor roundabout is a good spot. North on A30 at Treneere roundabout another good spot.	4/17/2019 11:50 PM
57	Emphasis on SMALL	4/17/2019 11:00 PM
58	Absolutely.	4/17/2019 10:39 PM
59	To a degree but at what expense to other aspects of community life	4/15/2019 1:55 PM
60	That is fine but do the locals get a chance to buy them also would they be able to afford them there is not enough work here as it is.	4/8/2019 2:15 PM
61	No more development in Heamoor	4/7/2019 6:11 PM
62	We accept small-scale organic development in proportion to local needs.	4/2/2019 2:52 PM
63	Provided suitable sites could be found, and that priority is given to families from the village.	4/2/2019 12:38 PM
64	Of course, locals need places to live but small scale sustainable developments would be more beneficial for those already living in the community.	3/20/2019 3:58 PM
65	With the emphasis on SMALL. We do not need large estates of small housing with no gardens. Maintain the character of the rural culture.	3/19/2019 11:04 PM
66	Yes, yes and yes. House prices are astronomically higher than locals' salaries can buy. There is no way my children will be able to buy a house in the village they are growing up in. I know of friends who are building attic spaces for their children to have a private area when they are older. These areas need to be small in keeping with the small villages that are Heamoor, Madron and surrounds. Affordable houses have to be made solely available for locals, they have to be completely protected against rich investors, hedge funds or other buyers whose sole interest is to rent them as holiday homes, long term rentals or for second homes, we already have far too many of these driving up prices out of locals' reach and reducing the number of houses available for locals to live in.	3/19/2019 12:00 AM
67	I refer you to my answer to Q5.	3/18/2019 9:38 PM
68	But it should be social housing not so called affordable housing people do not earn enough for even affordable housing	3/16/2019 10:41 AM
69	Essentially to keep young families in the village	3/16/2019 9:08 AM
70	To maintain the character of the towns and villages, and to encourage young locals to stay in the community	3/16/2019 12:06 AM
71	I agree but not in Heamoor	3/14/2019 3:44 PM
72	The term affordable needs to be looked at as i'm not sure that any young people are able to afford the houses currently being built	3/11/2019 9:58 AM
73	with the emphasis very much on small development	3/8/2019 3:47 PM
74	The say affordable but they still out price anything our young people can afford	3/8/2019 11:51 AM
75	We need affordable housing that will keep our younger generations here for the future, not retirement homes or houses for more undesirables from out of the county.	3/8/2019 11:14 AM
76	Where though, and how do you define local ?	3/7/2019 12:33 PM
77	We do, but not if it means using the beautiful countryside surrounding the village	3/7/2019 11:12 AM
78	smaller housing developments are less imposing, more personal, and fit in better.	3/6/2019 3:32 PM
79	local wages are low, younger people can't get on the property ladder and thus we will lose the younger generation to other places if they cannot afford to make a home here	3/4/2019 7:09 PM
80	Why small? Do people with less money need smaller spaces? Rubbish. Give everyone room to breathe.	3/4/2019 4:52 PM

Heamoor Questionnaire

81	Affordable housing is a fallacy, we tried using these schemes and none were affordable for real wages received (minimum wage) down here.	3/4/2019 3:30 PM
82	Sort out the many 2nd homes that now exist in Hea moor newlyn Mousehole Penzance etc and you will free up a hell of a lot of empty houses	3/4/2019 10:16 AM
83	So long as they really affordable to the local people.	3/3/2019 11:50 PM
84	Locals and only locals...but whats affordable??	3/3/2019 11:49 PM
85	Only small affordable housing developments are required in such a small village, as the number of local people requiring housing is not that high.	3/3/2019 7:25 PM
86	Ideally small developments of around 10 houses and preferably in brown field areas	3/3/2019 5:22 PM
87	If we need people to stay in our community,to service our needs ,and our future needs ,most homes in future need to be affordable,to local people ,they are our future,and must be respected to be trained in all walks of life ,to help keep our identity ,	3/3/2019 4:46 PM
88	Near to established village areas to boost community services, shops schools etc.	3/3/2019 3:02 PM
89	But what is affordable housing my son's both work and they still couldn't afford it. The word affordable housing is a joke.	3/3/2019 12:59 PM
90	I don't think heamoor needs any developments	3/3/2019 11:39 AM
91	affordable homes for first time buyers should be a priority	3/3/2019 11:13 AM
92	Any development would not be affordable to local people only people migrating diwn from upcountry. The wages diwn here are so low local young people cannot afford to get on the property ladder. These are the people that need housing not rich people moving down to our beautiful part of the country to retire, putting more pressure on out hospitals etc.	3/3/2019 10:51 AM

Q13. Large-scale housing development would make flooding in the village worse

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	If woodland scrub was cleared, yes definitely.	5/20/2019 9:47 PM
2	I don't know, I haven't got historical facts. I do know that more houses, more concrete, means more run-off & more flooding.	5/20/2019 9:14 PM
3	Yes - they still haven't unblocked any drains, dredged etc.	5/20/2019 9:06 PM
4	I am not sure this is correct	5/20/2019 6:33 PM
5	Water on roads & flooding already an issue!	5/20/2019 6:23 PM
6	If built around Josephs Lane and Polmennor it will badly affect the existing problems.	5/20/2019 6:17 PM
7	I imagine it would but I'm only a housewife, not a surveyor	5/18/2019 6:16 PM
8	This needs to be addressed before any new development	5/17/2019 10:14 PM
9	This would make transport more of an issue - parking is already an issue, roads are congested	5/17/2019 9:54 PM
10	Already has problems, don't need more	5/13/2019 11:32 PM
11	Need to plan well ahead if building ore houses, get things in place	5/13/2019 11:06 PM
12	There's very little flooding	4/24/2019 11:26 PM
13	New developments would have appropriate drainage systems	4/24/2019 11:15 PM
14	Removal of topsoil reduces medium for water absorbtion	4/24/2019 11:05 PM
15	With global warming & weather extremes, a full survey for capacity of all our rivers & streams is needed	4/24/2019 10:59 PM

Heamoor Questionnaire

16	The faceless people pushing developments through should be made public and take responsibility for future problems	4/24/2019 10:50 PM
17	Flooding is a problem & more developments would make it worse	4/24/2019 10:44 PM
18	Flooding is a real problem - more concrete will not help.	4/24/2019 10:39 PM
19	Proven fact country-wide	4/24/2019 10:35 PM
20	Design guide needs to require all new houses to have no concrete/tarmac driveways following EA guidelines and SUDS.	4/24/2019 10:23 PM
21	Flooding is lack of maintenance - people have to be responsible and deal with their own safety.	4/24/2019 7:15 PM
22	Already a serious problem. Large scale development would only compound it.	4/24/2019 7:06 PM
23	Concrete everywhere, where does the water go?!	4/24/2019 5:17 PM
24	Heamoor is in a valley and a lot of it is marshland, our garden is often flooded.	4/24/2019 5:09 PM
25	Area proposed for development is usually waterlogged for most of winter, on a flood plain. would greatly increase risk of flooding.	4/24/2019 4:01 PM
26	Possibly an over worked worry. as long as the farmers plough sensibly and the Council keep the gullies clear, flooding shouldn't be a problem.	4/24/2019 3:50 PM
27	We already have a major flooding problem resulting in walls being built outside properties to make them water-tight.	4/24/2019 3:23 PM
28	Obvious as plants & trees are removed.	4/24/2019 3:09 PM
29	Surface water already runs freely through Josephs Lane - where would it go with a large development?	4/24/2019 2:38 PM
30	Parts of the village are a flood plain.	4/24/2019 2:17 PM
31	Any further development will worsen flooding.	4/24/2019 2:10 PM
32	The village constantly floods now. Water manhole in Joseph's lane near bridge constantly overflowing.	4/24/2019 1:58 PM
33	Heamoor is prone to flooding and that's without new homes	4/24/2019 1:39 PM
34	This is vital, it already floods and this will make it worse	4/24/2019 1:20 PM
35	Ever been flooded council members? you are so shortsighted	4/22/2019 1:25 AM
36	This would negate all of the effort that has been made to alleviate this problem over the past few years	4/22/2019 1:03 AM
37	There is already a flooding and drainage problem at the bottom of Main Street	4/22/2019 12:42 AM
38	The flooding is quite a worry at present	4/22/2019 12:32 AM
39	This is already happening without more development	4/21/2019 11:49 PM
40	It floods already, more building would make it worse	4/21/2019 11:52 AM
41	Due to cost of "affordable homes" perhaps council houses should be built for local needs.	4/21/2019 11:27 AM
42	No more second homes in Cornwall full stop. Make it attractive to people moving down from other parts of the country.	4/21/2019 12:10 AM
43	We have flooding now	4/21/2019 12:02 AM
44	Concrete prevents soakaway	4/20/2019 11:37 PM
45	Madness to think there won't be water run-off	4/18/2019 2:08 PM
46	Must be correctly sited, infrastructure to support it, roads improved and not crammed in tight line.	4/17/2019 11:50 PM
47	Certainly there is reason not to add to the problems.	4/17/2019 10:39 PM
48	Potentially cause major environmental difficulties	4/15/2019 1:55 PM
49	Yes, it would because our drainage system is struggling now to cope. We used to have about once a month the small vehicle come around to clean the pavements and drains now we have not seen them for months	4/8/2019 2:15 PM
50	Already floods most winters	4/7/2019 6:11 PM

Heamoor Questionnaire

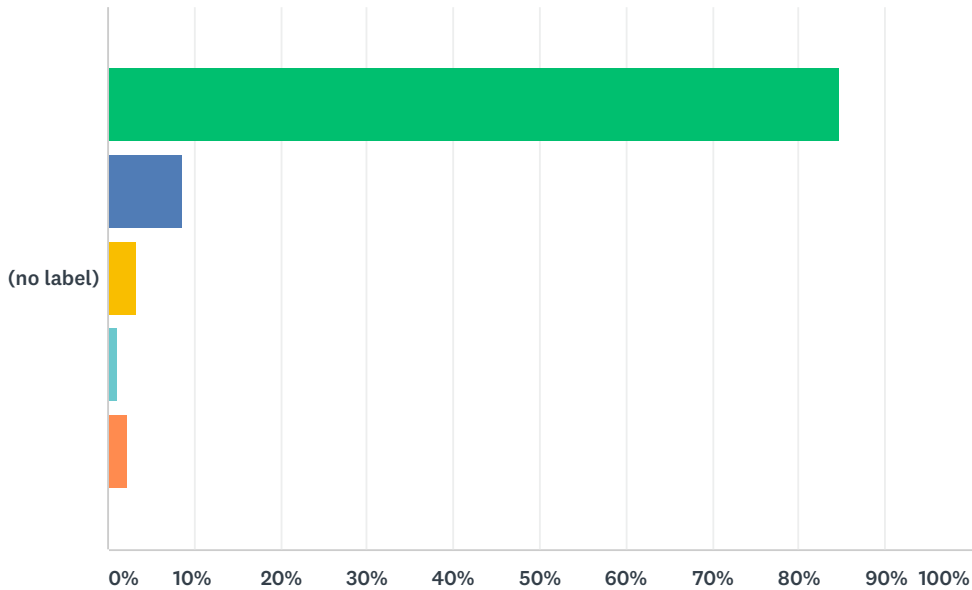

51	Large-scale housing development would inevitably mean more concrete and other hard surfaces, which would reduce the land's ability to soak up excess water, particularly with the extra rainfall now coming from global warming. This would be bound to make our existing (and just about manageable) flooding problem much worse.	4/2/2019 2:52 PM
52	The Boscathnoe site is on impermeable blue elvan bedrock, there's nowhere to store surface water runoff. The Trannack site is really steep, so runoff will be worse there. And in both cases, building on the sites is bound to create worse flooding: the existing trees, hedges and vegetation play a big role in absorbing surface water.	4/2/2019 12:38 PM
53	I would like to think modern engineering would deal with this so flooding would not be an issue.	3/25/2019 9:58 AM
54	Self explanatory really.	3/20/2019 3:58 PM
55	Polmennor Road is already at times a flash-flood area. Mores housing would be disastrous for locals, and particularly for those living and driving downhill of Heamoor.	3/19/2019 11:04 PM
56	Yes - no question. Mr Reynolds has already shown photographs of the kind of flooding the village is prone to.	3/18/2019 9:38 PM
57	The property I live in suffers from heavy flooding , when prolonged and heavy rain occurs. This comes from the farmland that is earmarked for development. This does not bode well for any proposed development. There just isn't sufficient infrastructure.	3/18/2019 6:11 PM
58	We don't need any more runoff	3/16/2019 9:08 AM
59	Ground water from rain cannot soak in to concrete, it just gets passed on to lower lying areas	3/16/2019 12:06 AM
60	we have already had flooding in the village	3/14/2019 3:44 PM
61	It floods now so where would the extra surface water go?	3/11/2019 11:36 AM
62	Heamoor has been subject to flooding in the past and any increased development would only add to this	3/8/2019 3:47 PM
63	The way the land is being used now is causing floods so any future developments would be devastating to the village.	3/8/2019 11:51 AM
64	Flood risk is part of the planning process and if the site is deemed appropriate and passes a flood risk assessment then it should be considered for development.	3/7/2019 11:35 AM
65	I don't know enough about this - though our village does occasionally flood. If the floods are caused by the destruction of farm hedgerows I fail to see how destroying more hedgerows to build houses would help things.	3/6/2019 3:32 PM
66	as well as traffic congestion, both parking and driving thru the village, schooling both primary and secondary to support increase in numbers not adequate, local services such as dentist, hospital wouldn't cope	3/6/2019 11:37 AM
67	Of course it would	3/5/2019 3:15 PM
68	The village has had an issue with flooding over the 15 years i have lived here and none of the drainage solutions that have been tried have alleviated the issue. The boscathnoe way developments is on moor land, historic in its own right, but covering all that land at the base of hills, Towards rose hill and madron is a potential disaster	3/4/2019 8:13 PM
69	it can get bad as it is eg around Rock Terrace, so more houses with less drainage options would make it worse	3/4/2019 7:09 PM
70	We live in Treneere Lane and already have problems from run-off.	3/4/2019 5:26 PM
71	Not really sure about this question as I have not heard of any major flooding in the area.	3/4/2019 4:53 PM
72	I don't know really, but developers usually cause these kind of problems because they are stupid so I reckon it's highly likely.	3/4/2019 4:52 PM
73	Common sense of needing trees and grass areas to avoid run off.	3/4/2019 3:30 PM
74	Currently a problem throughout the village with the current drainage not suitable and needing continual cleaning to try and cope.	3/4/2019 1:13 PM
75	Not only that but put a huge strain on other resources	3/4/2019 10:16 AM
76	Old sewageand drainage system will not and cannot cope at present	3/3/2019 11:49 PM
77	Flooding has already been a considerable issue for the village. The draining system is antiquated and cannot cope with the current population of Heamoor. To increase the village population through the proposed development would further overload the drainage system creating potentially catastrophic flooding within the village, causing disruption and upset to the local community	3/3/2019 10:17 PM

Heamoor Questionnaire

78	Flooding is already a problem in the village, which will only be exacerbated if there is large scale developments. This problem will get worse already given the climate changes forecast.	3/3/2019 7:25 PM
79	The village has been flooded on a number of occasions, a number of dwellings had to have flood protection gates fitted	3/3/2019 5:22 PM
80	This is a Cornwall Council agenda that must not happen ,where do they imagine the money and resources will come from ,and certainly would not be up for discussion under the former District Councils ,they promoted localism .	3/3/2019 4:46 PM
81	Not if it is properly managed in the planning stage, OR resolve the current issues as part of new planning conditions.	3/3/2019 3:02 PM
82	flood protection should be part of the plan	3/3/2019 11:13 AM
83	Both sites proposed have flooding issues and should never be built on. Trannack site is a steep gradient and at the bottom is a fluid plane. Biscathnoe site has a seam of blue Elvin hence why it is moorland the last bit of the mood if Heamoor and should be protected.	3/3/2019 10:51 AM

Q14. We should prevent new-build homes in Heamoor being used as second homes

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Strongly agree.	5/20/2019 9:47 PM
2	No second homes	5/20/2019 9:23 PM
3	It would be backward looking to allow this.	5/20/2019 9:14 PM
4	There shouldn't be any anywhere! There are people living in 2 Council flats in Cornwall who actually live in 1 and leave 1 empty, even in Heamoor.	5/20/2019 9:06 PM
5	No more second homes, if you got rid of second homes there be no need to build more houses	5/20/2019 7:48 PM
6	I cannot answer this. Some second homes should be available - but in very small & proportionate numbers.	5/20/2019 6:33 PM
7	I don't see this as being an issue as most second homes for tourists need to be by the sea with a view. Biggest problem is greedy landlords buying to let.	5/20/2019 6:17 PM
8	Well done St Ives!	5/20/2019 6:02 PM
9	We don't want a ghost town in winter when our kids can't find a home	5/18/2019 6:16 PM
10	Charge businesses who avoid paying their fair rates	5/17/2019 10:14 PM
11	There should be no restrictions on who buys a house as long as they can afford it	5/13/2019 11:37 PM
12	Not good for the community	5/13/2019 11:32 PM
13	Second homes shouldn't be built anywhere in Cornwall	5/13/2019 11:06 PM
14	Hard to enforce - put in a clause that only locals can buy them	5/13/2019 11:00 PM
15	Second homes should only be sold to locals.	5/13/2019 10:29 PM

Heamoor Questionnaire

16	Essential. If St Ives can do it so can we	4/24/2019 11:05 PM
17	Implement St Ives system	4/24/2019 10:59 PM
18	Lots of areas of Cornwall ghost towns in winter. with less users we lose services.	4/24/2019 10:50 PM
19	The locals need the housing	4/24/2019 10:44 PM
20	Help local people young & old to be able to stay here!	4/24/2019 10:39 PM
21	absolutely - full-time occupation only	4/24/2019 10:35 PM
22	A proportion should be available for this use.	4/24/2019 10:23 PM
23	Our main objection to development - we already have traffic jams	4/24/2019 10:12 PM
24	They would make new homes unaffordable for locals.	4/24/2019 7:06 PM
25	Heamoor has always been a working village not a resort.	4/24/2019 4:01 PM
26	We don't want development here.	4/24/2019 3:35 PM
27	Unless we do this we'll be in the same position as St Ives where village is dark in winter & nobody lives there	4/24/2019 3:23 PM
28	It makes no sense to allow second homes when we have insufficient 1st!	4/24/2019 2:38 PM
29	Definitely	4/24/2019 2:17 PM
30	This does nothing to enhance the village and at the same time destroys unique nature of Cornwall which attracts tourists.	4/24/2019 2:10 PM
31	Only residents that have lived here for at least 5 years.	4/24/2019 1:58 PM
32	Traffic is a problem, coming through too fast & also parking. School days are chaotic.	4/24/2019 1:39 PM
33	Any second homes should have council tax trebled to discourage, but also support the local community	4/24/2019 1:28 PM
34	No second homes!	4/24/2019 1:20 PM
35	For at least 50 years from first sale if cannot be ad perpetuum	4/22/2019 1:11 AM
36	Housing should be only for residents, new builds should have restrictions to local and for residential	4/22/2019 12:59 AM
37	No new homes should be built in Heamoor!	4/22/2019 12:15 AM
38	This kills communities	4/21/2019 11:49 PM
39	This would kill village life & shops - it's happened in Mousehole, Sennen & many other places in West Cornwall	4/21/2019 12:54 PM
40	We already have too many second homes, we need homes for young people more.	4/21/2019 12:39 PM
41	It wouldn't be right to see homes not being used when people haven't a home	4/21/2019 11:52 AM
42	Second homes are a blight on the whole country.	4/21/2019 12:17 AM
43	More parking by removing grass verges. Cars mounted on paths make it difficult for young people & elderly.	4/21/2019 12:10 AM
44	Should be illegal	4/20/2019 11:37 PM
45	There aren't many	4/20/2019 11:16 PM
46	How?	4/18/2019 2:17 PM
47	Not many anyway so not an issue	4/18/2019 2:08 PM
48	We can't afford to destroy green spaces and wildlife habitats which act to soak up carbon and pollution just so second home owners can profit.	4/18/2019 11:01 AM
49	Second homes are killing local communities.	4/18/2019 12:21 AM
50	If built around Josephs Lane and Polmeor it will badly affect existing problems.	4/17/2019 11:50 PM
51	New houses should be targeted and added to areas as needed by that locality and the inhabitants therein.	4/17/2019 10:39 PM
52	If you must build here then there must be a clause put in place saying not for second homes	4/8/2019 2:15 PM
53	No more new builds in Heamoor at all	4/7/2019 6:11 PM

Heamoor Questionnaire

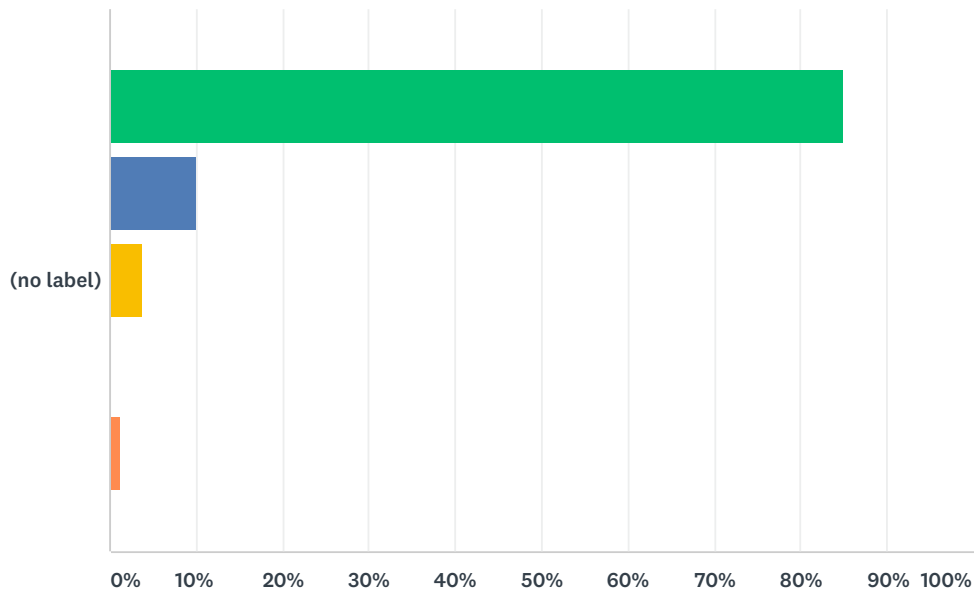

54	The community would resent land being swallowed up to build houses which are then only occupied for part of the year. A blanket new-build 2nd homes policy should apply across the parish of Penzance, including Heamoor.	4/2/2019 2:52 PM
55	Every new home built on greenfield sites comes at a price for existing residents in terms of loss of amenity; at a price for the environment in terms of biodiversity and carbon footprint; and at a price for the future in terms of loss of valuable agricultural land. Agricultural land is a valuable resource and should only be given up if there is genuine need, which doesn't include second homes.	4/2/2019 12:38 PM
56	The scourge of second homes has helped ruin many Cornish villages. This has priced the young locals out of the market. Help them.	3/27/2019 8:42 AM
57	They could provide useful rental accommodation for locals	3/25/2019 1:21 PM
58	We do need affordable homes for use by local people, we DO NOT need second homes which could lie vacant for months and bring no benefit to the local community at all.	3/20/2019 3:58 PM
59	A balance control of 2nd homes maintains a healthy equilibrium, aids the local economy and allows visitors to appreciate the area in limited numbers.	3/19/2019 11:04 PM
60	Definitely, we already have too many of these depriving locals of the chance to live in their home village or area. The Cornish have a very strong identity and being able to live in Cornwall is a major desire for many of us. Yet it is becoming harder and harder for for our children to be able to buy a house in Cornwall.	3/19/2019 12:00 AM
61	There is little point in doing so, if local people could not afford them anyway. Why shouldn't people have second homes here if they want to ? This isn't communist Russia after all. The point is, the council must develop a plan that monitors and maintains sustainable levels of 2nd homes in the various communities, rather than just saying Yes, or No to 2nd homes. People complain about it only when it has become a problem. If the council was to monitor and maintain appropriate levels, it would never become a problem. Would that not be a fair comment ?	3/18/2019 9:38 PM
62	No need for even more second homes empty for most of the year does not benefit the area	3/16/2019 10:41 AM
63	We haven't got enough houses as it is	3/16/2019 9:08 AM
64	Second home ownership could be encouraged in improving the existing housing stock, by bringing in enthusiasm, energy, and money which all help the existing community, rather than feeding off it	3/16/2019 12:06 AM
65	Too many properties county-wide being left vacant and our homeless situation severe already in Penzance area	3/14/2019 11:36 AM
66	Affordable housing is needed not second homes	3/11/2019 11:36 AM
67	Local people are struggling to get on the housing market, so these families/people should be the priority. Second home owners push the prices up	3/11/2019 9:58 AM
68	If you cannot provide evidence of attachment to the local area then no access to housing	3/8/2019 3:47 PM
69	Most people cannot afford one home let alone a second	3/8/2019 11:51 AM
70	Must not be allowed in any form.	3/7/2019 11:15 AM
71	All homes in the area, should be lived in by local people	3/7/2019 11:12 AM
72	We should stop any future 2nd home ownership in the county. Village communities are being destroyed.	3/6/2019 3:32 PM
73	New builds should be for locals this would maintain the community. But numbers should be limited	3/5/2019 3:15 PM
74	There are many existing properties for sale. There is absolutely no NEED fo build more for non residents.	3/5/2019 11:46 AM
75	there's not enough affordable housing for locals, second homes would make the problem even worse	3/4/2019 7:09 PM
76	Too many people move down with the idea that they know what is good for the area. The arts and culture has suffered in many areas due to this. There's no lack of places to holiday down here. You don't need a house empty 8 months of the year or whatever.	3/4/2019 4:52 PM
77	Of what real value are these to the community?	3/4/2019 3:43 PM
78	Second homes are no benefit to villages and help to increase house prices.	3/3/2019 11:50 PM
79	Heamoor never was and never should be a second home area that will only suffice to push up properly prices and defeat the object of affordable housing	3/3/2019 11:49 PM

Heamoor Questionnaire

80	Better used for long term rentals for the local community	3/3/2019 10:17 PM
81	Only affordable housing required for local people need to be built. The further west you go, the more tapered the county gets.	3/3/2019 7:25 PM
82	No new builds should get approval as 2 nd homes ,if people wish to visit Cornwall they can stay at Hotels,guesthouses,rent accommodation and actually invest into our economy,so we all share that money in more employment of local Labour to service that industry.	3/3/2019 4:46 PM
83	How is that going to be done? Houses would be bought for buy to let in any case. Against Human Rights?	3/3/2019 3:02 PM
84	this should be restricted	3/3/2019 11:13 AM
85	Second homes should not be permitted under any circumstance there are two many local people looking for affordable homes.	3/3/2019 10:51 AM

Q15. Traffic and road safety are major concerns for Heamoor residents

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Gridlocks at the two ends of the day now	5/20/2019 9:23 PM
2	It's really bad here already but I will be getting a move to a disabled place shortly. So I won't be in Heamoor thank God.	5/20/2019 9:06 PM
3	Inevitably - road & access planning should be a priority.	5/20/2019 6:33 PM
4	Strongly agree. Already horrendous!	5/20/2019 6:23 PM
5	The green area next to the old school should be flattened, tarmacked and used for parking to alleviate the dangerous parking on Madron Road.	5/20/2019 6:17 PM
6	20pmh often flouted. Parking on both sides of Madron Road causes severe congestion at school leaving times.	5/20/2019 6:02 PM
7	How can I walk into town without using the mincing underpass? Impossible to use my bicycle on it most of the time	5/18/2019 6:16 PM
8	This is of great concern, bad enough now!	5/18/2019 3:12 PM
9	Bikes on the pavement is now the norm, people can't hear them	5/17/2019 11:08 PM
10	No safe cycle routs to PZ, no way to travel without breathing in pollution	5/17/2019 10:14 PM
11	Speeding through the 20mph limit is an issue	5/17/2019 9:47 PM
12	Horrendous already - rat runs, bad parking	5/13/2019 11:32 PM
13	Concern of whole village	5/13/2019 11:06 PM
14	Huge increase in traffic flow in the last 3 years.	5/13/2019 11:00 PM

Heamoor Questionnaire

15	Volume of traffic is horrendous.	5/13/2019 10:29 PM
16	Main road through Heamoor extremely busy, needs speed restrictions	4/24/2019 11:32 PM
17	20mph limit not enforced	4/24/2019 11:26 PM
18	traffic speed is a concern at all crossings. Parked cars make it difficult to cross.	4/24/2019 11:24 PM
19	I have yet to see a car traveling at the required 20mph	4/24/2019 11:18 PM
20	Traffic horrendous, exacerbated by volume of double decker buses	4/24/2019 11:05 PM
21	Pollution is a major problem and proposed large developments will make it much worse	4/24/2019 10:59 PM
22	Congestion & safety are a major concern.	4/24/2019 10:50 PM
23	Traffic v. heavy at school times. Pavements narrow - difficult for children to walk to school.	4/24/2019 10:44 PM
24	Roads are overcrowded & dangerous far too much traffic already	4/24/2019 10:39 PM
25	Roads were made for horses and carts. Larger/more carts asking for trouble.	4/24/2019 10:35 PM
26	No new developments should access A30 via Madron.	4/24/2019 10:23 PM
27	Only safe way to PZ is subway which many elderly people are frightened to use	4/24/2019 10:12 PM
28	The main road to Madron is supposed to be 20mph but people ignore it.	4/24/2019 7:15 PM
29	Frequent disregard for speed limits which together with huge volume of traffic makes crossing roads very dangerous.	4/24/2019 7:06 PM
30	Speed of traffic is a constant worry.	4/24/2019 5:17 PM
31	Most definitely, children are not encouraged to cycle on Council's advice as roads are narrow, congested and dangerous.	4/24/2019 5:09 PM
32	Traffic is increasing each year. Many near misses. Traffic builds up at roundabout and causes congestion. Air pollution is also a big concern, especially for the elderly and children going to school.	4/24/2019 4:01 PM
33	School run congestion is the main problem, especially around Mounts Bay	4/24/2019 3:50 PM
34	Traffic needs to be looked at now, not after an accident that is waiting to happen.	4/24/2019 3:44 PM
35	Census already done on roundabout.	4/24/2019 3:35 PM
36	Roads already overstretched, not designed for huge volume of traffic	4/24/2019 3:23 PM
37	Roads already busy enough; bad idea.	4/24/2019 2:54 PM
38	Vehicles parked on pavements prevent wheelchair & pram access. Parked on dangerous corners at school time causing dangerous congestion & blockage.	4/24/2019 2:46 PM
39	This week at school time the main road through the village had nose to tail traffic in both directions, you couldn't cross it.	4/24/2019 2:17 PM
40	Council have done nothing about speeding through village. Air pollution bad enough already.	4/24/2019 1:58 PM
41	Cars drive very fast & don't allow for bikes or people	4/24/2019 1:39 PM
42	Driving through the village is a danger to pedestrians and other drivers due to the large numbers of cars parked at the roadside and non-observance of the 20mph limit	4/22/2019 1:20 AM
43	Speed limits are not observed	4/22/2019 12:52 AM
44	Parking is a major problem. Access for emergency vehicles is an issue.	4/22/2019 12:36 AM
45	Parking should be limited to one side of the road	4/22/2019 12:32 AM
46	my sister was killed in Heamoor in 2007 - road safety is a high priority for me	4/21/2019 11:58 PM
47	Already an issue	4/21/2019 11:49 PM
48	Cars parking on junctions, cars and bikes going too fast	4/21/2019 1:00 PM
49	More housing = more traffic problems, roundabout already too congested	4/21/2019 12:54 PM
50	It's already dangerous at times to cross the roads near Heamoor roundabout	4/21/2019 12:39 PM
51	I am 80 and already find it difficult to cross roads	4/21/2019 12:37 PM
52	It's chaos already	4/21/2019 11:52 AM
53	The roundabout is out of date, needs to be redesigned.	4/21/2019 12:10 AM

Heamoor Questionnaire

54	Not really, the on-road parking tends to make drivers more careful and considerate	4/20/2019 11:37 PM
55	Very bad	4/18/2019 2:51 PM
56	Getting worse	4/18/2019 2:48 PM
57	No physical restrictions to support & achieve the 20mph limit. Lights at the crossroads near the school could slow traffic from Madron.	4/18/2019 2:23 PM
58	Cars still too fast, 20mph is ignored	4/18/2019 2:19 PM
59	Road safety is always a major concern	4/18/2019 2:17 PM
60	Yes but mostly at rush hour or when school's out, otherwise it's quiet	4/18/2019 2:08 PM
61	Traffic congestion bad already, accident waiting to happen.	4/18/2019 12:10 PM
62	No parking lines needed at Sona-Merg cottages to stop parking. Hea corner is a death trap.	4/18/2019 11:53 AM
63	Our roads are choked with traffic during rush hour and school run times and is worse during holiday season. Pollution damages health and emergency vehicles can't get through.	4/18/2019 11:01 AM
64	Very important	4/18/2019 10:46 AM
65	The main road through Heamoor is already too congested	4/18/2019 9:19 AM
66	Nightmare to gain access to Heamoor roundabout	4/18/2019 12:24 AM
67	Lethal!	4/18/2019 12:21 AM
68	My main concern	4/18/2019 12:18 AM
69	Motor bikes and cars all speed through Madron	4/18/2019 12:16 AM
70	I don't see this being an issue as most second homes are by the sea with views. Biggest problem is greedy landlords buying to let.	4/17/2019 11:50 PM
71	Any large scale development would be a concern regarding traffic.	4/17/2019 10:39 PM
72	I have contacted Counullor Foakes on concern of the speed cars travel through the centre of the viillage and would like to see speed bumps that are in place in other areas within Penwith.	4/15/2019 1:55 PM
73	yes our roads especially the roundabout above the John Daniels Centre is a disgrace it has very long splits in it the traffic is horrendous especially at school times and rush hour times and it is getting worse as the time goes on.	4/8/2019 2:15 PM
74	Too many cars parked on the roads everywhere in Heamoor is making it dangerous and difficult to drive anywhere in the village.	4/7/2019 6:11 PM
75	The safety of our children and other vulnerable people (people with learning disabilities, elderly people, etc) is very important to us. Increased traffic, especially from new development, puts lives at risk.	4/2/2019 2:52 PM
76	A difficult balance to be struck between the need for people to park in the village centre (most of the older houses don't have garages) and the need to keep traffic moving. Biggest safety issue is speeding traffic at the entrance to the village from Madron. Build-outs and an extension of the speed limit further north would help.	4/2/2019 12:38 PM
77	As above.	3/27/2019 8:42 AM
78	Madron Road is very busy, the pavements are narrow and speed limits not adhered to.	3/20/2019 3:58 PM
79	See above. School pick-up time is already IMPOSSIBLE at the Polmennor junction toward Mounts bay school. Cars permanently parked at roadside reduced the road to single-lane.	3/19/2019 11:04 PM
80	We already have too much traffic during school opening and closing times. Parked residents' cars help to slow down traffic along Rosparvah Gardens and Poltair Terrace, but there are still dangers from far too many cars, buses and tractors speeding through the village. I have young children who need to cross the roads at school time and some drivers go far to fast through our streets. My dad is almost 90, walks with the aid of a wheeled walker and crossing the road for him is a nightmare as he's so slow. The bollards either side of the crossroads at the pub junction are very badly placed for clear views of the approaching traffic: the bollards on the Poltair Terrace side of the junction are too far around the corner for pedestrians on the Holly Terrace side to see safely up the road to see if any cars are coming down from Madron, and the ones in Rosparvah Gardens are too far towards Hea Corner to see cars coming from Penzance. We need speed bumps as well as the cars parked along the roads to slow traffic to the 20mph limit. We also need a pelican crossing in the village to enable both young and old to cross the road safely.	3/19/2019 12:00 AM

Heamoor Questionnaire

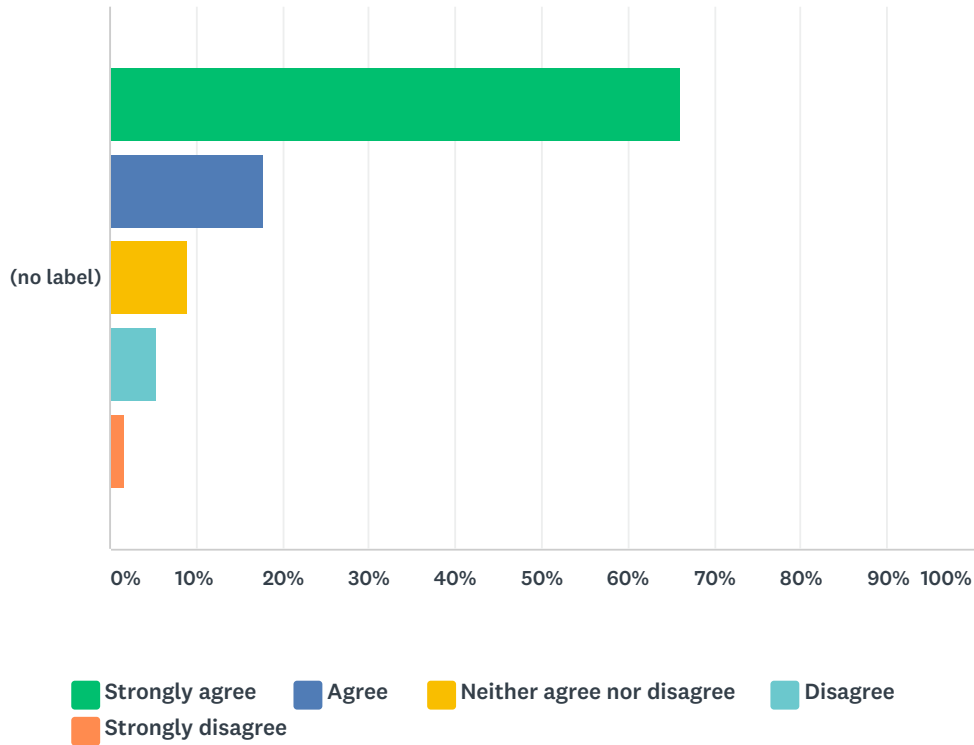

81	Traffic levels most certainly . . though road safety is always an issue everywhere. I think that unlicensed drivers may be on the increase, and that's bad for everyone everywhere.	3/18/2019 9:38 PM
82	Already congested roads and problems parking why add to it	3/16/2019 10:41 AM
83	More houses mean more cars. The village can not cope with the amount of traffic it has at the moment.	3/16/2019 10:21 AM
84	Old roads in the village cannot cope with traffic now	3/16/2019 9:08 AM
85	Plan new developments near to the best existing transport links, and these will be used more, resulting in less traffic on the roads	3/16/2019 12:06 AM
86	And for those using the roads who live elsewhere eg Madron	3/15/2019 10:36 PM
87	Most Vehicles break the speed limit through the village.	3/15/2019 10:06 PM
88	Traffic main concern Road safety not an issue as movement is so slow. Any new development should have access direct to A30 at developer's expense	3/14/2019 8:21 PM
89	The whole village should be 20mph from the very beginning and one way system to enable more street parking	3/11/2019 11:36 AM
90	Every morning there are near misses on the road during school time, more traffic would add to this.	3/11/2019 9:58 AM
91	The village is at bursting point during peak hours. Speeding, fumes and congestion and safety are real concerns	3/8/2019 3:47 PM
92	I fear for the safety of the school children going though the village. The parked cars and the shear volume of traffic coping with smaller pavements	3/8/2019 11:51 AM
93	Traffic at school times is bad enough at present and in the summer becomes grid locked this is difficult for emergency services and is only going to get worse.	3/8/2019 11:14 AM
94	How about a park and walk or school bus shuttle from Nancerverne field .	3/7/2019 12:33 PM
95	This is why it is vitally important that any road from Roscadghill through site H8 should be open to all traffic and not just as a bus lane. A through road would allow traffic to take an alternative route around the village and reduce the congestion currently experienced on the main road through the village.	3/7/2019 11:35 AM
96	Traffic calming measures need to be enforced, cars drive much to fast through the village	3/7/2019 11:12 AM
97	I think it's been improved a lot by the 20mph speed limit. Most drivers are pretty good though you do get the odd idiot.	3/6/2019 3:32 PM
98	traffic thru Heamoor is 20mph! ha ha ha - speed camera installed would stop the speedsters as very few adhere to this limit	3/6/2019 11:37 AM
99	This area is very dangerous in the village, Madron road is chaos parking both sides leading to single file traffic fighting their way through and speeding around Hea corner . The roads become overrun with school kids struggling to cross roads at junctions often going both sides of cars stuck in traffic jams ,accident waiting to happen. Hea corner,reens road are often blocked with parked cars creating traffic jams with poor visibility	3/5/2019 3:15 PM
100	As mentioned above, due to sight problems, traffic is a very real danger for me.	3/5/2019 11:46 AM
101	the school children have to walk along the side in some places eg Polmennor Road, and the traffic in the morning and after school causes congestion already	3/4/2019 7:09 PM
102	Terrible problems with blind bends, lack of pedestrian crossings and the amount of traffic. Heamoor roundabout is impossible for pedestrians. Subways not ideal.	3/4/2019 5:26 PM
103	Especially during the drop off and pick up at school time. Very heavy traffic at the round about and the main road through Heamoor turns into single lane as most houses don't have their own parking, so road sides are used.	3/4/2019 3:30 PM
104	Narrow pavements and the number of youth walking through the village to the large schools morning and evening them the elderly through the day. The village cannot cope with further traffic.	3/4/2019 1:13 PM
105	Already had fatal accidents in the village do you want to risk more	3/4/2019 10:16 AM
106	The village roads are very busy at various times and vehicles are often exceeding the speed limits.	3/3/2019 11:50 PM
107	It is these days...cars parked everywhere now	3/3/2019 11:49 PM

Heamoor Questionnaire

108	Although some traffic calming measures have been introduced within Heamoor, it still remains a rat run for the 3 local schools and traffic congestion is extremely high. With increased traffic comes an increase in road safety concerns.	3/3/2019 10:17 PM
109	The traffic at peak times is already bad, but this would be much worse with extensive redevelopment. Our roads have not been designed for heavier traffic than at present.	3/3/2019 7:25 PM
110	Especially from the A30 to Mounts Bay.	3/3/2019 7:09 PM
111	Especially around school times!!	3/3/2019 6:27 PM
112	Traffic along Madron Road comes to a near stand still during the school runs, the village will not be able to cope with the extra traffic generated by the proposed huge developments. The Heamoor Roundabout will also not be able to cope with the extra traffic	3/3/2019 5:22 PM
113	Pollution ,safety of both pedestrians,cyclists,and all road users is paramount ,and is not being addressed by Cornwall Council currently let alone in the future ,we had a fatality in the centre of the village due to speeding traffic ,could well have been 2 however the babies pram was squashed under the car ,and his grandmother was squashed by the car,lessons due not seem to have been learnt ,Madron traffic in and out of Heamoor ,at both ends ,is horrendous ,they don't heed speed signs ,or care less.	3/3/2019 4:46 PM
114	The residents of Heamoor are the drivers that will cause a road safety elsewhere on their journey!	3/3/2019 3:02 PM
115	Roads already far to congested	3/3/2019 12:59 PM
116	Any plane should include upgrades to existing roads and new inner ring roads to keep local traffic away from the A30	3/3/2019 11:13 AM
117	We have carried out a survey and we are averaging over 2500 cars per hour going around Heamoor roundabout. In very close porximaty there are 3 schools a place for disabled adults a okay park fir children and supported housing all of which are vulnerable. The pollution should be monitored closely. The main part of the village is difficult enough to manover around in a vehicle without additional dwellings giving additional vehicles. The back roads are already used like rat runs	3/3/2019 10:51 AM

Q16. Heamoor roundabout isn't pedestrian/cycle friendly

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Or mobility scooter friendly!	5/20/2019 9:14 PM
2	It's atrocious.	5/20/2019 9:06 PM
3	Not safe, need another route into town so people can walk	5/20/2019 7:48 PM
4	Improvements please!	5/20/2019 6:33 PM
5	It's god a subway, paths, bollards...what more could you need?	5/20/2019 6:17 PM
6	People have been robbed in the underpass, a lot of elderly are afraid to use it. CCTV? I'm afraid to use it during the day.	5/18/2019 6:16 PM
7	There is the underpass!	5/18/2019 6:04 PM
8	Underpass and pavements improved all the way to PZ, cycle paths preferably away from roads.	5/17/2019 10:14 PM
9	Only access is the subway. Pedestrians & cyclists take life in own hands with speed of traffic	5/17/2019 9:54 PM
10	Or for wheelchairs, pushchairs	5/13/2019 11:32 PM
11	traffic needs to indicate and keep speed down	5/13/2019 11:06 PM
12	Dangerous enough in a car, let alone bike/on foot	5/13/2019 10:29 PM
13	No excuse not to use underpass, but roundabout and car speeds make it difficult for cyclists	4/24/2019 11:37 PM
14	Got an underpass	4/24/2019 11:26 PM
15	Death trap for cyclists	4/24/2019 11:15 PM
16	Pedestrians have an underpass - use it	4/24/2019 11:05 PM
17	An up and over cycle & wheelchair crossing is required west of roundabout	4/24/2019 10:59 PM

Heamoor Questionnaire

18	Quite dangerous with volume of frustrated drivers	4/24/2019 10:50 PM
19	Roundabout very busy. I will only use underpass in the daytime.	4/24/2019 10:44 PM
20	Should provide suitable cycle paths.	4/24/2019 10:23 PM
21	Congestion has got worse in last 5 years. If development goes ahead Heamoor will be a nightmare.	4/24/2019 10:12 PM
22	I wouldn't want my child to cycle on it at all.	4/24/2019 5:17 PM
23	Please refer to previous road survey	4/24/2019 5:09 PM
24	The walkway tunnel is there but single walkers can be nervous at night	4/24/2019 4:52 PM
25	Congestion on A30 and air pollution is only going to get worse even with no more development.	4/24/2019 4:11 PM
26	Underpass side is ok, opposite side bad for pedestrians.	4/24/2019 3:50 PM
27	Speed limit & new double yellows not enforced, no traffic slowing measures in place.	4/24/2019 3:44 PM
28	Many elderly/disabled residents. Narrow pavements especially on refuse collection days force pedestrians to use the road.	4/24/2019 3:35 PM
29	Underpass out of bounds at night, to dangerous to use	4/24/2019 3:23 PM
30	Roundabout is used for emergency services access & is regularly gridlocked without any pedestrian crossing except tunnel which you have to cross roads to access.	4/24/2019 2:46 PM
31	Madron Rd not suitable for pedestrians or cyclists. Pavements very narrow.	4/24/2019 2:10 PM
32	The PZ bypass is a problem. New homes = more cars.	4/24/2019 1:39 PM
33	Underpass is not safe, 4-5 muggings so far	4/22/2019 1:25 AM
34	The underpass although filthy is adequate	4/22/2019 12:42 AM
35	Underpass for pedestrians, cycle lane	4/22/2019 12:11 AM
36	We have use of the underpass	4/21/2019 11:46 PM
37	Speed humps?	4/21/2019 1:00 PM
38	Now very dangerous for cyclists	4/21/2019 12:54 PM
39	Very dangerous roundabout for cyclists	4/21/2019 12:47 PM
40	Not just the roundabout, the local runs are just as bad	4/21/2019 11:52 AM
41	Traffic census has identified that additional people vehicles will only exacerbate current issues.	4/21/2019 12:17 AM
42	Complete new design and a bark line from Heamoor to Treneere.	4/21/2019 12:10 AM
43	Underpass available and used by many	4/20/2019 11:55 PM
44	The underpass is fine	4/20/2019 11:37 PM
45	Trying to cross the road from the underpass to Roscadghill is very dangerous due to speed of traffic coming off the roundabout	4/20/2019 11:26 PM
46	Subway on one side, but some reluctant to use it. Completion of new St Clare houses could make roundabout busy.	4/20/2019 11:23 PM
47	Really dangerous on a bike	4/20/2019 11:16 PM
48	Underpass should be used	4/18/2019 2:51 PM
49	Building extra homes won't change this	4/18/2019 2:17 PM
50	True, could be a lot better	4/18/2019 2:08 PM
51	Bikes seem to cope without it. Pedestrians use the underpass which is useful.	4/18/2019 12:02 PM
52	Lethal!	4/18/2019 12:21 AM
53	Not completely	4/18/2019 12:04 AM
54	The green area next to the old school should be tarmacked and used for parking to alleviate the dangerous parking on Madron Road.	4/17/2019 11:50 PM
55	No roundabouts in this area etc. Difficult to solve but worth a try.	4/17/2019 10:39 PM
56	There is a subway for pedestrian however busy roundabout for cyclists	4/15/2019 1:55 PM

Heamoor Questionnaire

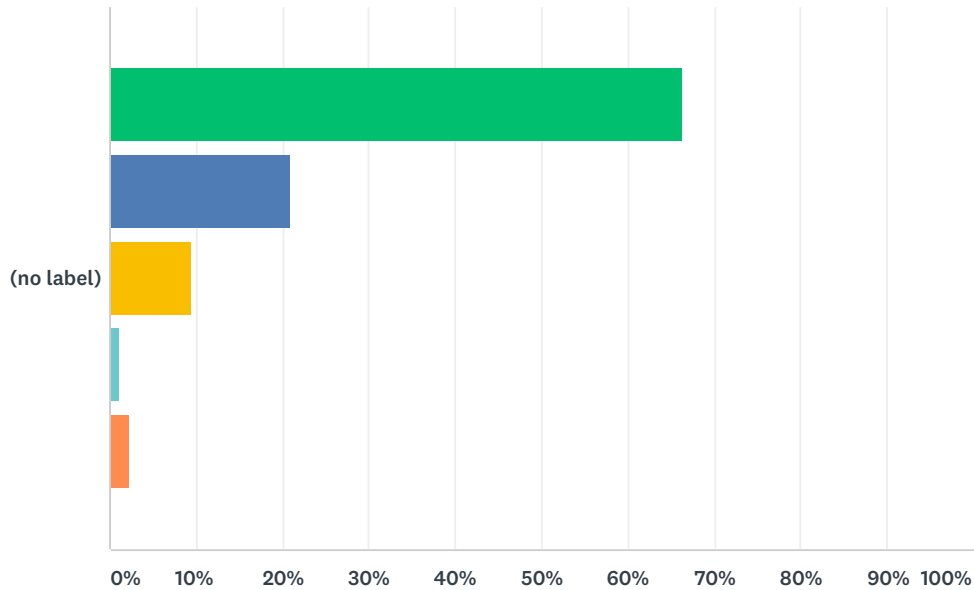

57	That is true traffic comes around the roundabout and quite often pulls out in front of other traffic so what chance do pedestrians or cyclists have again at school and rush hour time when people are leaving work you take your life in your own hands.	4/8/2019 2:15 PM
58	The underpass serves it's purpose.	4/7/2019 6:11 PM
59	Heamoor roundabout has a dreadful road surface which is very dangerous, especially for cyclists. As a cyclists using the roundabout I feel very exposed to traffic from all angles.	4/2/2019 2:52 PM
60	The underpass is widely perceived as dangerous, and is also a sink for exhaust fumes. As a regular cyclist I just about cope with the traffic but only by riding more aggressively than I would like. Better pedestrian/cycle crossing points at Castle Horneck & Treneere would help.	4/2/2019 12:38 PM
61	Dangerous in the extreme.	3/27/2019 8:42 AM
62	The subway makes it more pedestrian friendly, although I wouldn't walk through it in the evening unaccompanied.	3/25/2019 9:58 AM
63	I personally always use the subway at the roundabout but I appreciate that many people prefer not to as they don't feel safe. However, there are no safe alternatives to the subway. I've never cycled around there but I would imagine it is not cycle friendly.	3/20/2019 3:58 PM
64	Polmennor Road is narrow, has no pavement, and no street lighting. So dangerous for children that parents feel obliged to add to the already heavy traffic congestion.	3/19/2019 11:04 PM
65	It's very dangerous using the pedestrian crossings as they re so near to the roundabout and it's not always possible to know if a car is coming off the roundabout or staying on it so you can cross safely. This is very dangerous at rush hours. Some drivers stop and let pedestrians cross, but it's dangerous. Cars come flying off the roundabout into Heamoor oblivuios of the 20mph limit - could these signs not be redesigned? They are not clear for cars coming into the village, even though of course most of the traffic is local and chooses to ignore the speed limit. Again, we need pelican crossings here.	3/19/2019 12:00 AM
66	Roundabouts were built expressly for motor vehicles to facilitate traffic flow, and not for pedestrians or bicycles. I think bicycles should be registered with a numberplate just like every other vehicle on the road so that they can be identified in the event of an accident. Bicycles on roundabouts are a problem for everyone, them as well as motor vehicles but frankly . . anything that is going to further interrupt the traffic flow around Heamoor is a very bad idea. The most common solution in cities is an underpass, and that should perhaps always be planned as apart of roundabout construction where there is a need.	3/18/2019 9:38 PM
67	None of the roads in Heamoor are pedestrian friendly	3/16/2019 10:41 AM
68	The underpass works well	3/16/2019 9:08 AM
69	There is an underpass, maybe Penzance areas could have one traffic free day each quatre to encourage people to use alternative forms of transportation	3/16/2019 12:06 AM
70	Underpass is fine	3/14/2019 8:21 PM
71	there is a subway there for everyone to use	3/14/2019 3:44 PM
72	The underpass in Heamoor is an asset. Admittedly this is a busy junction and I would advise any cyclist to dismount and use the underpass, rejoining off the main A30	3/8/2019 3:47 PM
73	We have a subway o one side which has been the site of 2 attacks. Another footpath has bee compromised by building more houses on the small area bt Nancealvan	3/8/2019 11:51 AM
74	Also a lot of women are afraid to use the under pass because the design is poor and people feel unsafe.	3/8/2019 11:14 AM
75	underpass works fine.	3/7/2019 12:33 PM
76	There is a suitable subway adjacent to the roundabout. I cannot think of any other roundabout in the area that has this pedestrian facility.	3/7/2019 11:35 AM
77	I feel I am in danger every time I cycle across the roundabout.	3/7/2019 11:15 AM
78	There needs to be a safer area for crossing, it's too close to the bend of roundabout	3/7/2019 11:12 AM
79	I don't know that it can be made 'friendly' for cyclists. It's a roundabout that some drivers take at too high a speed. You would need to drop the speed to 10 mph.	3/6/2019 3:32 PM
80	not only not ped / cycle friendly the roundabout and roads need re tarmacking, NOT surface dressed - have you seen the 'rut' in the middle of the roundabout, it's like the grand canyon, try cycling over that! your wheels get locked in, it's very dangerous	3/6/2019 11:37 AM
81	Very dangerous, very busy with traffic and then people and school kids trying to cross between cars	3/5/2019 3:15 PM

Heamoor Questionnaire

82	there's no safe place to cross, and using the underpass could prove dangerous for vulnerable people eg it can flood and those less stable on their feet could struggle to get through	3/4/2019 7:09 PM
83	See comments to previous question.	3/4/2019 5:26 PM
84	It's rubbish.	3/4/2019 4:52 PM
85	The subway side is!	3/4/2019 3:30 PM
86	People need educating in how to negotiate roundabouts	3/3/2019 11:49 PM
87	I use a pushbike at times and find the Heamoor roundabout challenging from a safety angle because of the speed and volume of traffic. It is part of the A30 and traffic is especially busy at rush hour times From a pedestrian perspective; if walking home on my own at night after dark (which in winter can be 5pm), as a woman walking alone, I tend to avoid the underpass for security / safety reasons	3/3/2019 10:17 PM
88	Very dangerous for pedestrians and cyclists.	3/3/2019 5:22 PM
89	It's an accident waiting to happen ,unfortunately only then will anything be done about it ,if even then?	3/3/2019 4:46 PM
90	it is poorly designed and signed, no-one uses it correctly	3/3/2019 4:08 PM
91	There are appropriate crossing facilities. Not many bikes in Heamoor, school built at same time as most of housing. Hand in hand developement.	3/3/2019 3:02 PM
92	I wouldn't walk through underpass at night.	3/3/2019 12:59 PM
93	it has a subway which is under used, and this should be better signed and a crossing made on the newlyn exit to link up with the pavement from nancelverne school	3/3/2019 11:13 AM
94	Heamoor roundabout is a very dangerous area. As I have already stated there are three schools in close proximity to the roundabout plus a place for disabled adults and supported housing all in this area. There is not good quality access for these vulnerable people young and old.	3/3/2019 10:51 AM

Q17. Congestion on the A30 (Penzance bypass) is a growing problem

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	And is likely to remain so. As long as the proposed bypasses speed the traffic down to Penzance.	5/20/2019 9:14 PM
2	Yes, and people let people out of cars on the roundabout by the barriers, don't indicate & Heamoor junction isn't marked.	5/20/2019 9:06 PM
3	I would like to know what our air pollution is in the summer months with all the holiday traffic	5/20/2019 7:48 PM
4	New and improved links please.	5/20/2019 6:33 PM
5	Especially school times.	5/20/2019 6:23 PM
6	The A30 needs dual carriageway from Alverton all the way up the A30 to Hayle.	5/20/2019 6:17 PM
7	Yes it is!	5/18/2019 6:16 PM
8	Can't travel west after 10am or east after 3pm and local roads when schools turn out	5/17/2019 10:14 PM
9	Only really in summer season	5/17/2019 9:47 PM
10	Cars bumper to bumper at walking pace peak times	5/13/2019 11:32 PM
11	School times very bad	5/13/2019 11:06 PM
12	Constantly becoming heavier, not just summer now	5/13/2019 10:29 PM
13	Depends on time of day - can be a problem during school run	4/24/2019 11:37 PM
14	Almost impossible to use in August	4/24/2019 11:18 PM
15	closure at certain times for all but local vehicles, number plate recognition?	4/24/2019 10:59 PM

Heamoor Questionnaire

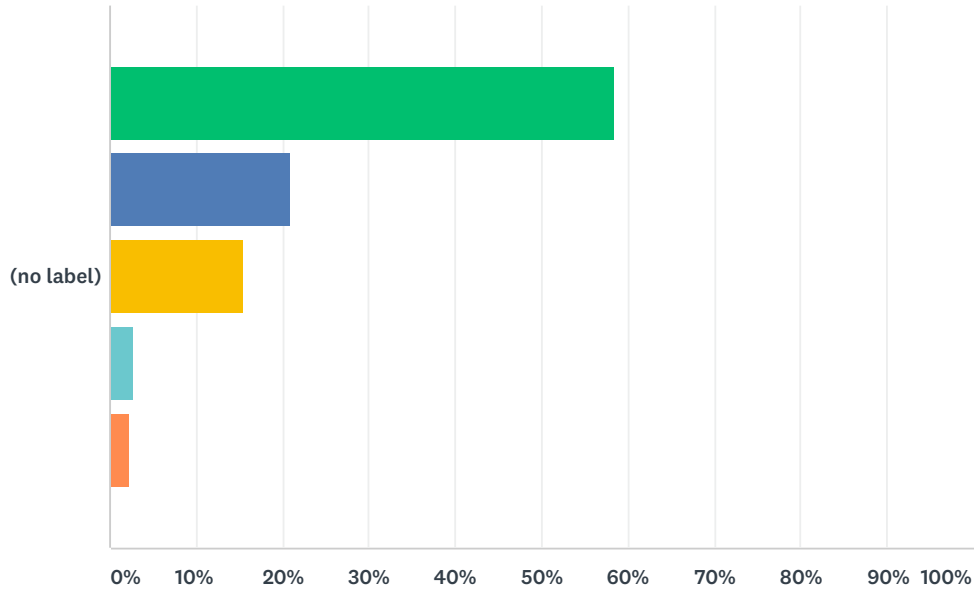

16	Traffic at standstill at peak times	4/24/2019 10:50 PM
17	More visitors & cars on roads. Horrendous in summer.	4/24/2019 10:44 PM
18	Bad enough to cause delays in winter, gridlock in summer.	4/24/2019 10:35 PM
19	A30 from Camborne to PZ not fit for purpose. No new developments should be implemented until this is addressed.	4/24/2019 10:23 PM
20	Boscathnoe Way is used as a rat run with many exceeding the speed limit	4/24/2019 10:12 PM
21	Every new development brings new congestion. The old council site development will make matters worse once completed.	4/24/2019 4:52 PM
22	Underpass definitely needed for pedestrians & cyclists across all three roads to tie in with the existing one.	4/24/2019 4:11 PM
23	Traffic queues are now commonplace at any time of day/year. Pollution is concerning. dangerous for cyclists, no cycle lanes.	4/24/2019 4:01 PM
24	Yes but we need tourist income so must be worth putting up with. Compared to congestion in some other parts of the country it's a minor problem.	4/24/2019 3:50 PM
25	Gets worse every year, too many cars & not enough expenditure on roads	4/24/2019 3:23 PM
26	More & more traffic each year due to "staycations".	4/24/2019 1:58 PM
27	Always been a problem.	4/24/2019 1:39 PM
28	If development off Boscathnoe Way is approved, the cars arriving at Heamoor roundabout would be 1 every 16 seconds (using CCC figure of 0.6/house - $0.6 \times 175 / 60$)	4/24/2019 1:28 PM
29	Always a traffic jam	4/24/2019 1:20 PM
30	It can only get worse if more residential buildings are built	4/21/2019 11:52 AM
31	If you use the underpass to walk to PZ there are no traffic problems	4/21/2019 11:27 AM
32	Seems to flow ok - I use it often at all times of day	4/20/2019 11:37 PM
33	Already a lot of traffic from Penwith College school & leisure centre. Medical centre will add to this.	4/20/2019 11:23 PM
34	Also with the new build next to fire stations. Bollards put in place create restricted access for fire engines due to queueing traffic both ways. Nowhere for cars to go.	4/20/2019 11:11 PM
35	Much less than PZ town centre & prom, Newlyn Coombe & village	4/18/2019 2:17 PM
36	Not too bad, more cars as more people live here	4/18/2019 2:08 PM
37	Not growing, it's here and getting worse	4/18/2019 1:57 PM
38	Traffic build-up is caused by too many tractors on roads at busy times when people are trying to get to work, school etc.	4/18/2019 12:02 PM
39	The public transport system is so infrequent and not linked well so people have to use cars for work and leisure travel. The queues on the A30 cause delay and pollution.	4/18/2019 11:01 AM
40	School time round Heamoor roundabout is a serious issue with pupils coming out of Pensans and stopping traffic to only let 1 cross	4/18/2019 12:24 AM
41	It's got a subway, paths, bollards, what more do you need?	4/17/2019 11:50 PM
42	Each succeeding summer it has become worse. Long delays, cost to business, frustration for residents and idling traffic pollution.	4/17/2019 10:39 PM
43	Potential will be with the new housing development at St Claire's	4/15/2019 1:55 PM
44	It is getting more and more like Piccadilly Circus again more so at rush hour time in the evenings.	4/8/2019 2:15 PM
45	Everywhere is getting more congested because there are more cars on the roads, especially in the summer when there are lots of visitors.	4/7/2019 6:11 PM
46	If planned development went ahead, the A30 would become a death trap, through children trying to cross it on the way to and from school, emergency vehicles unable to get through, and extra air pollution, especially with idling engines due to congestion.	4/2/2019 2:52 PM
47	Particularly bad last summer. If large-scale developments happen at Trannack, Boscathnoe and St Clare (all feeding onto the bypass) it will quickly become intolerable.	4/2/2019 12:38 PM
48	As above.	3/27/2019 8:42 AM

Heamoor Questionnaire

49	It's a very busy road.	3/20/2019 3:58 PM
50	I now leave the house an hour earlier than once upon a time, and deliberately avoid certain times of day. The traffic fumes are offensive as a pedestrian.	3/19/2019 11:04 PM
51	YES - YES - YES.	3/18/2019 9:38 PM
52	Yes can only get worse	3/16/2019 10:41 AM
53	It will only get worse as traffic inevitably increases	3/16/2019 9:08 AM
54	This is true all over , see comments above	3/16/2019 12:06 AM
55	there is definitely congestion at peak times as well as during the holiday periods	3/8/2019 3:47 PM
56	Not just with holiday makers but local traffic. Every home as at least 2 cars	3/8/2019 11:51 AM
57	This is going to get a lot worse.	3/8/2019 11:14 AM
58	Popularity of the area ? Everywhere is gridlocked.	3/7/2019 12:33 PM
59	There are short periods of congestion mainly at peak times but it is not a major impact on the area.	3/7/2019 11:35 AM
60	Very busy in the summer.	3/6/2019 3:32 PM
61	traffic, especially in the summer, is queued right thru the by pass from Varfel all the way to Mount Misery - the noise and fumes entering my garden is unbearable at times	3/6/2019 11:37 AM
62	Yes ,especially at school times.as backs up from school crossing.	3/5/2019 3:15 PM
63	only at school times	3/5/2019 10:05 AM
64	it can be a standstill in the summer months	3/4/2019 7:09 PM
65	Bad throughout the year, not just in summer. Has got much worse in recent years.	3/4/2019 5:26 PM
66	Again, rubbish planning. Imagine bus stops and lollipop ladies just by the cemetery straight after turning from a main artery roundabout. Madness.	3/4/2019 4:52 PM
67	Traffic is often quing from all directions to access the roundabout.	3/3/2019 11:50 PM
68	Bound to to and it will get worse..	3/3/2019 11:49 PM
69	It would be interesting to see the statistics on the volume of traffic increase in the past 10 years	3/3/2019 10:17 PM
70	Due to more development west of Heamoor,ie,St Just ,Pendeen,Sennen,St Buryan etc ,the traffic flow is now at a maximum ,the state of the road echoes the wear ,and will soon emulate a cart track as it deteriorates daily ,it's construction does not stand the test of time.	3/3/2019 4:46 PM
71	Congestion slows traffic better than speed limits. Just look at Madron Road Penzanz School at school times andbetween Hea Corner and Sportsmans most of the day.	3/3/2019 3:02 PM
72	The worst lollipop woman in the country works at penance school. How there is not more accidents beats me. The build up of traffic between tesco and heamoor roundabout is ridiculous	3/3/2019 12:59 PM
73	Infrastructure should be part of the plan to keep local traffic away from the A30 as far east as gulval	3/3/2019 11:13 AM
74	The traffic is often at a standstill at peak times if the day at thus roundabout.	3/3/2019 10:51 AM

Q18. Rat-running is a problem in the lanes and village streets (examples: Polmennor Road, Josephs Lane, Boscathnoe Lane, Boscathnoe Way)

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Boscathnoe is an accident waiting to happen as it is not if just when!	5/20/2019 9:23 PM
2	I don't know - I have no experience of this.	5/20/2019 9:14 PM
3	Plenty of drug deals in all the streets and lanes all the time. There's also everyone dog shitting. Dog shit is lunch to vermin.	5/20/2019 9:06 PM
4	This wouldn't happen if parking in Madron was double yellow lined. If traffic doesn't flow people driving to work will find alternative routes.	5/20/2019 6:17 PM
5	Drivers seem to go too fast at times	5/20/2019 5:29 PM
6	And Hea Road & Reeves. Maybe a speed bump would help.	5/18/2019 6:07 PM
7	School runs. Heamoor school, St Paul's, Nancealverne, Penwith College. New, St Clare Medical Centre.	5/18/2019 6:04 PM
8	The noise in summertime is very disturbing	5/17/2019 10:54 PM
9	Yes, improve public transport	5/17/2019 10:14 PM
10	Certain streets are dangerous with speeding drivers	5/17/2019 9:54 PM
11	Can't get out of my drive during rush hour	5/13/2019 11:32 PM
12	I had no idea there was a vermin problem.	4/24/2019 11:41 PM
13	Any new build would make this worse	4/24/2019 11:39 PM

Heamoor Questionnaire

14	If not used then min Madron road would be at a standstill. Control of parking on double yellows would help.	4/24/2019 11:37 PM
15	only for short times a day e.g. school start/finish	4/24/2019 11:26 PM
16	Speeding though this area is horrendous - traffic calming must be used	4/24/2019 11:05 PM
17	Weight restrictions from Josephs Lane to Newmill. Pinch point entering Heamoor from east.	4/24/2019 10:59 PM
18	Drivers speed through before getting jammed	4/24/2019 10:50 PM
19	Has become quite a problem.	4/24/2019 10:44 PM
20	Cars speed up and down all day, esp. Josephs Lane	4/24/2019 10:39 PM
21	This also happens through main street.	4/24/2019 5:17 PM
22	Roads mentioned can't be really classed as rat runs, just roads people use to get from here to there.	4/24/2019 3:50 PM
23	More traffic would only make things much worse.	4/24/2019 3:44 PM
24	Significant amounts of indiscriminate litter just dumped on these roads. Drivers roar through with no thought for horses, dog walkers etc.	4/24/2019 3:23 PM
25	All lanes & streets too narrow and overcrowded by roadside parking, major problem.	4/24/2019 3:09 PM
26	I haven't seen any change in the past 3 years I've lived here.	4/24/2019 2:54 PM
27	Rat run is an understatement, cars regularly speed through.	4/24/2019 2:46 PM
28	I have been nearly hit several times by cars trying to pass me. They travel too fast, over 40mph especially between 4:00 and 7:30. No lighting either.	4/24/2019 2:10 PM
29	20mph completely ignored, never a police presence	4/24/2019 1:58 PM
30	Traffic & cars parked on both sides of the road don't help.	4/24/2019 1:39 PM
31	Safety of children trying to get to school - already dangerous	4/24/2019 1:20 PM
32	Back lane has 20mph limit, used to be used by quarry lorries	4/22/2019 1:25 AM
33	We have suffered with rats as well	4/22/2019 1:14 AM
34	Treneere Lane is a drugs run route	4/22/2019 12:59 AM
35	Yes, really bad, 40mph sometimes!	4/22/2019 12:50 AM
36	The 20mph speed limit is largely ignored.	4/22/2019 12:42 AM
37	Especially at school run time	4/22/2019 12:36 AM
38	Especially at school times	4/22/2019 12:32 AM
39	Main road through Heamoor - speed limit often ignored.	4/21/2019 11:49 PM
40	My back garden wall has been hit by large vehicles several times	4/21/2019 12:54 PM
41	Particularly bad during school runs	4/21/2019 12:47 PM
42	Yellow lines on road through village?	4/21/2019 12:34 PM
43	Don't need more traffic in Heamoor	4/21/2019 11:52 AM
44	The 20mph limit is regularly exceeded, often by parents dropping off children at school. there is no pavement and children walking from Gulval to Mounts Bay school have to brave this twice a day, very dangerous	4/21/2019 11:39 AM
45	The 20mph limit is not policed and the roadside parking dramatically reduces road width. No parking from Gulval to Heamoor and Mounts Bay pupils have to walk this dangerous route every way.	4/21/2019 11:33 AM
46	Will get worse with planned huge developments in Heamoor	4/21/2019 11:27 AM
47	It would be worse if you stopped the rat runs	4/21/2019 11:24 AM
48	Always an issue, especially during school runs.	4/21/2019 12:27 AM
49	Speed humps/cameras may help. cost is obviously an issue.	4/21/2019 12:17 AM
50	Widen path by removing bushes & grass embankments.	4/21/2019 12:10 AM
51	Rat running?	4/20/2019 11:37 PM
52	Especially road to Gulval, no pavements for pedestrians	4/20/2019 11:16 PM

Heamoor Questionnaire

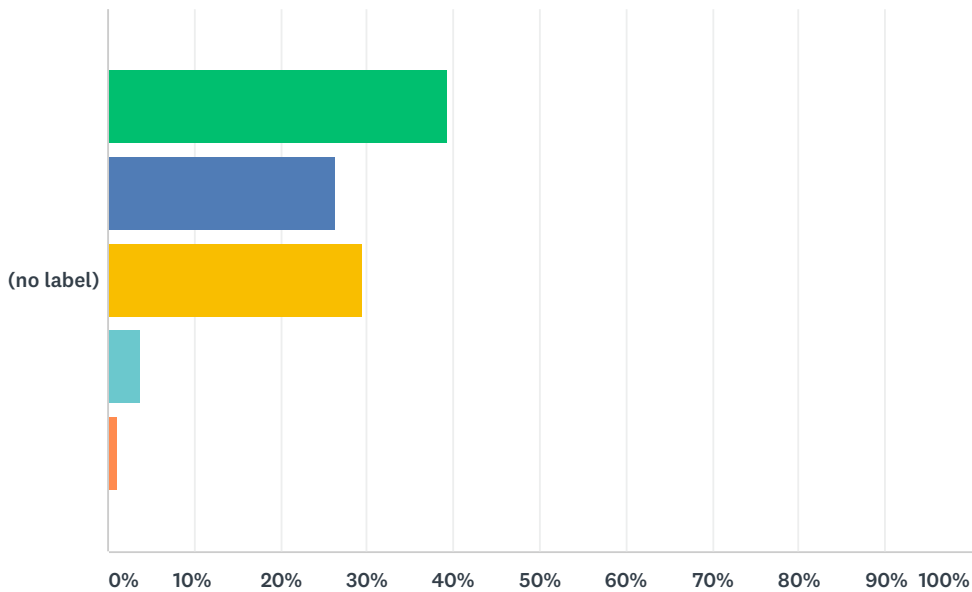

53	Terrible, 20mph?	4/18/2019 2:51 PM
54	Road humps essential.	4/18/2019 2:23 PM
55	More speed humps needed	4/18/2019 2:17 PM
56	Not an issue in our road	4/18/2019 2:08 PM
57	Living on Boscathnoe Way it is a problem, the 20mph does get ignored. mainly it's school traffic and buses in the evening.	4/18/2019 12:02 PM
58	Very narrow roads with mostly no pavements and dangerous to cyclists, pedestrians and horse riders.	4/18/2019 11:01 AM
59	20mph ignored, schoolchildren at risk.	4/18/2019 12:21 AM
60	We live on Polmeor and there are a large number of tractors passing through the day and increased traffic from rat running or new homes would cause considerable jams near us.	4/18/2019 12:13 AM
61	The A30 needs dual carriageway from Alverton to Hayle.	4/17/2019 11:50 PM
62	We are all guilty of that as a means to get round.	4/17/2019 10:39 PM
63	Yes with the river running down the side it is.	4/8/2019 2:15 PM
64	Polmennor Road is getting worse to the point that I rarely use it anymore. There are huge trucks that use it daily and even foreign coaches getting stuck in the summer. Don't understand why they can't use the bypass. Polmennor Road is a winding country road not suitable for the current volume of traffic.	4/7/2019 6:11 PM
65	This has been a growing problem in recent times, especially as the A30 and other roads become more congested.	4/2/2019 2:52 PM
66	These are really narrow lanes with high hedges, blind bends and no pavement. The situation can only get worse as the A30 becomes more congested. A weight limit (with agricultural vehicle exemption) would help.	4/2/2019 12:38 PM
67	Come and hold a site visit at pek times and see for yourself. this is not an exaggeration, just a fact.	3/27/2019 8:42 AM
68	School run hours are particularly horrendous	3/25/2019 1:21 PM
69	This occurs particularly at school times and when it's raining. The main road is clogged up with cars and buses so residents do need to find alternative routes.	3/20/2019 3:58 PM
70	See comments above - I spent 10 minutes today STUCK on the junction of Josephs Lane as about 20 cars, all with ONE driver, arrived to collect pupils from local schools.	3/19/2019 11:04 PM
71	Only at school drop off and pick up times. Can we not have a place where parents can drop off children then they could do a 'walking bus' or walk with parents to the primary school, or independently to Mounts Bay? Could the schools and parents be asked about ways to keep cars out of Heamoor at these times? With our growing awareness of the dangers of car pollution is this not a good time to think of somewhere to stop cars coming near schools and create a safe drop off zone at either end of the village?	3/19/2019 12:00 AM
72	Roads are built for vehicles to drive on. People will always take the most convenient route. The network of pathways across the countryside, over farmer's land, or privately owned land can also be described as rat-runs, but many passionately defend them. I think objecting to cars driving on council owned roads that were built for cars to drive on, and paid for by every council tax payer is unreasonable, and with the levels of congestion we have on our major roads in the region, how else are people supposed to get around. No, these are council roads, not private roads.	3/18/2019 9:38 PM
73	Live on Polmennor Rd and I fear for the lives of the school children adults and myself you take your life in your hands with the speed people drive and increased amount of traffic	3/16/2019 10:41 AM
74	Find a way to reduce the traffic and there is the answer	3/16/2019 12:06 AM
75	People also drive too fast and aggressively	3/15/2019 10:06 PM
76	Speed limits and chicanes (NOT speed bumps)	3/11/2019 11:36 AM
77	As per previous comments	3/11/2019 9:58 AM
78	I have witnessed this on many occasions	3/8/2019 3:47 PM
79	Because it is the only way you can get to places without having to queue	3/8/2019 11:51 AM
80	As a resident on Boscathnoe estate for over 30 years I have not experienced this problem.	3/7/2019 11:35 AM
81	I don't really know enough to comment	3/6/2019 3:32 PM

Heamoor Questionnaire

82	school leaving times is a nightmare, it needs to be a one way system from 3 till 3.45? parents park anywhere and everywhere making it impossible to drive down Boscathnoe Lane - this is also supposedly 20mph, the speed of some of the cars that race past the school is frightening	3/6/2019 11:37 AM
83	Yes ,also cars and motorcycles racing up and down Trenear Lane	3/5/2019 3:15 PM
84	I am guilty of this , but there is little option if you have to travel past Mounts BAy school on a regular basis, the parents dropping off their children/ picking them up, park so inappropriately that i have witnessed arguments on the verge of getting physical on many occasions.	3/4/2019 8:13 PM
85	some people are indifferent to the speed limits and don't know the roads that well so don't drive accordingly	3/4/2019 7:09 PM
86	Not sure, people try to get from A-B with minimum disruption. If someone designs a crap roundabout and causes congestion people will use independent thought to right the problem and if that mean 'rat runs' then that's the outcome.	3/4/2019 4:52 PM
87	It's used by locals to avoid the traffic in the main road	3/4/2019 10:16 AM
88	Vehicles often speed through the lanes,causing danger to other road users.	3/3/2019 11:50 PM
89	Bound to happen...happens everywhere..	3/3/2019 11:49 PM
90	3 schools within a 1.5 mile radius, absolute gridlock at 8.30am & 3.15/3.30pm	3/3/2019 10:17 PM
91	It does not help with coaches doing the school run and poor parking.	3/3/2019 7:09 PM
92	This is a major concern which will get worse if the developments get the go ahead	3/3/2019 5:22 PM
93	Due to increased traffic flow around the village many motorists ,cyclists try to avoid the main roads ,and as such the village roads used by both schoolchildren ,OAPs,and all others are rapidly getting more hazardous ,lack of road planning is to blame ,we live with the consequences.	3/3/2019 4:46 PM
94	The rat running is done by local residents.	3/3/2019 3:02 PM
95	Also the amount of learner drivers and buses coming through boscathnoe way. Parents of children at secondary school should be made to make the children walk or drop them off on outskirts of village.	3/3/2019 12:59 PM
96	see previous answers	3/3/2019 11:13 AM
97	But only around school time.	3/3/2019 10:59 AM
98	The narrow lanes around the village are already used as a rat run fir people avoiding the congestion on the main A30	3/3/2019 10:51 AM

Q19. It is difficult for people with mobility issues to get around the village

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	I don't know - I only know that if I go anywhere I have to drive to within 200 yards as my walking is limited.	5/20/2019 9:14 PM
2	It's horrendous, infuriating.	5/20/2019 9:06 PM
3	Pavements covered with dog poo	5/20/2019 7:48 PM
4	New & improved facilities are desperately needed but should be incorporated in future development.	5/20/2019 6:33 PM
5	The Heamoor Island underpass is intimidating, unless you can run through it. A few more dropped kerbs would be good.	5/18/2019 6:16 PM
6	Cars are parking on pavements restricting the footpaths	5/17/2019 10:54 PM
7	Narrow pavements, not level & with overhanging bushes	5/17/2019 10:14 PM
8	Footpaths are hindered by overgrown gardens & inconsiderate parking, oaths & roads are narrow & can't cope	5/17/2019 9:54 PM
9	especially as more cars parked on pavements	5/13/2019 11:32 PM
10	Too many parked cars, not enough ramps	5/13/2019 11:00 PM
11	More dropped curbs required	5/13/2019 10:29 PM
12	The main problem is bad parking obstructing dropped pavements	4/24/2019 11:37 PM
13	Narrow roads & pavements, bad parking across dropped kerbs	4/24/2019 10:59 PM
14	Some pavements narrow, parking issues don't help	4/24/2019 10:50 PM

Heamoor Questionnaire

15	Not easy in Heamoor in a wheelchair	4/24/2019 10:44 PM
16	Too many parked cars, some on pavements	4/24/2019 10:39 PM
17	Needs pedestrian crossing	4/24/2019 10:35 PM
18	Paths/kerbs don't meet required standards.	4/24/2019 10:23 PM
19	Not catered for at all.	4/24/2019 7:15 PM
20	Kerbs too high and traffic too fast. I am on 2 crutches and can't cross at all.	4/24/2019 7:06 PM
21	Crossing roads and badly parked cars are a constant problem	4/24/2019 5:17 PM
22	Narrow pavements, busy roads, lack of parking	4/24/2019 5:09 PM
23	Probably no more difficult than other parts of PZ and district.	4/24/2019 3:50 PM
24	Small, non-existent pavements must be a problem.	4/24/2019 3:44 PM
25	sometimes as roads quite hilly & steep, pavements/roads narrow	4/24/2019 3:23 PM
26	Mainly at school times	4/24/2019 2:54 PM
27	Dangerous for elderly & not very mobile to cross the road at most times of day. Cars drive too fast & parked cars impede visibility.	4/24/2019 2:10 PM
28	Paths too narrow, cars on pavements	4/24/2019 1:58 PM
29	No lower curbs, bad paths, use the road, traffic increase	4/22/2019 1:25 AM
30	Pavements narrow but could be remedied if residents/Council cut back hedges	4/22/2019 1:20 AM
31	Same everywhere	4/22/2019 1:01 AM
32	At the frontage of Mounts Bay School there are no dropped kerbs for people in wheelchairs for people to carry on towards Boscathnoe	4/22/2019 12:59 AM
33	Footpaths narrow along Madron Road	4/22/2019 12:11 AM
34	Lack of footpath as too narrow footpaths	4/22/2019 12:09 AM
35	Parking restrictions should be strictly enforced	4/21/2019 11:51 PM
36	Vehicles parked on pavements and overgrown bushes make pavements very narrow and mobility difficult	4/21/2019 11:49 PM
37	Parking on pavements does not help	4/21/2019 12:54 PM
38	The pavements are far too narrow for pushchairs & mobility scooters on the way to Madron	4/21/2019 11:56 AM
39	The roads are not mobility issue friendly	4/21/2019 11:52 AM
40	narrow and sloping pavements make walking uncomfortable and wheelchair use very difficult. I have observed a wheelchair user obliged to travel on the road outside a line of parked cars, incredibly dangerous!	4/21/2019 11:39 AM
41	Locals will be forced to do this because of planned huge developments	4/21/2019 11:27 AM
42	Parking is an issue	4/21/2019 12:27 AM
43	No allowance for disabled people to move about.	4/21/2019 12:17 AM
44	Roundabout too large, subway needs extending to have extra lane from Treneere. Plus subway from Mythom Court to main subway.	4/21/2019 12:10 AM
45	Heamoor is a valley full of slopes so problematic no matter what you do	4/20/2019 11:37 PM
46	And pushchairs! Some pavements so narrow they are impassible	4/20/2019 11:16 PM
47	Footpaths uneven & narrow	4/18/2019 2:23 PM
48	No more than rest of Cornwall	4/18/2019 2:17 PM
49	Yes because pavements are narrow	4/18/2019 2:08 PM
50	It has improved over the years. It's the same for prams/pushchairs.	4/18/2019 12:02 PM
51	The pavements aren't suitable so people on mobility scooters and wheelchairs are forced to use the road.	4/18/2019 11:01 AM
52	Paths aren't very wide	4/18/2019 12:16 AM
53	This wouldn't happen if parking on Madron Rd was double yellows. If traffic doesn't flow people going to work will find alternative routes.	4/17/2019 11:50 PM

Heamoor Questionnaire

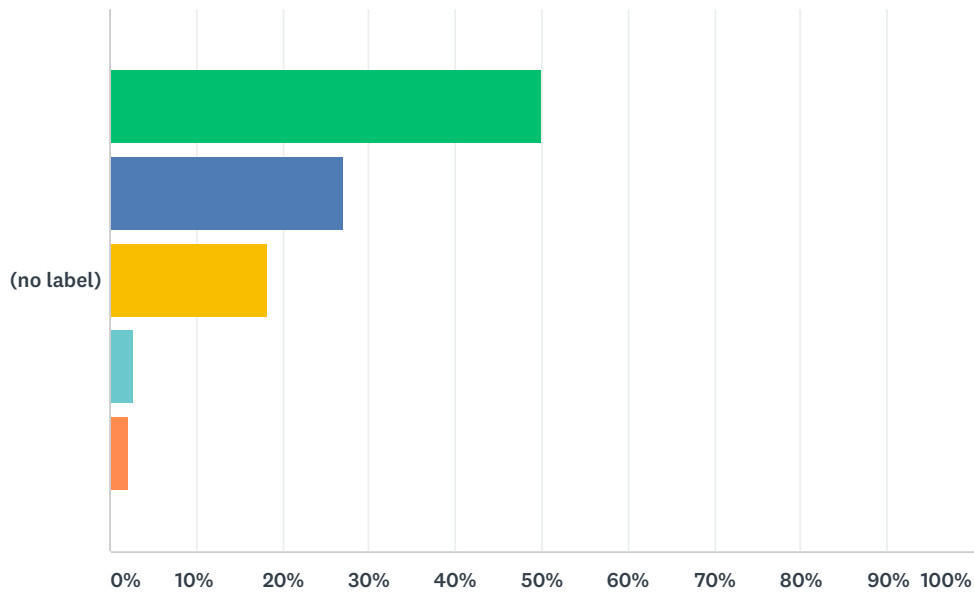

54	My wife is disabled	4/17/2019 11:00 PM
55	It will only get worse if over development is allowed.	4/17/2019 10:39 PM
56	Lots of parking on roads	4/15/2019 1:55 PM
57	because of the traffic that rush around here yes if we had a zebra crossing somewhere on the main road into Heamoor from the Roundabout to the Pub then people could navigate the road better	4/8/2019 2:15 PM
58	There are simple (and relatively inexpensive) measures that could be taken to improve things, preferably in consultation with local people with mobility issues who use these roads and paths, rather than by talking to an expensive external consultant who has never even been to Heamoor.	4/2/2019 2:52 PM
59	Narrow pavements, badly parked cars and wheelie bins all create problems. A few more dropped kerbs might help.	4/2/2019 12:38 PM
60	Generally, the pavements are too narrow which makes it difficult for wheel chair users or those who use wheeled zimmer frames to use the pavements. One wheel chair bound resident is often seen using the road (Bolitho Road and Madron Road) rather than the pavements which obviously puts her in danger.	3/20/2019 3:58 PM
61	Few pavements. Uneven ground. Potholes.	3/19/2019 11:04 PM
62	Especially crossing the roads as I've mentioned earlier. Also, our pavements are quite narrow, especially in front of Poltair Terrace, which is probably one of the busiest areas for walkers (Not solely about those with mobility issues, but this is especially so when children are walking to and fro Mounts Bay. Young children and teenagers are naturally not aware of their surroundings so seldom notice the cars, buses and tractors trying to 'push' past them to get somewhere a few seconds quicker. Could we not ban cars moving through our village at school start and end times? I often fear some idiot driver, completely unaware of the damage they can do to a human body with their car, will run one of our children over as they aggressively drive past them far to fast at such close proximity to the children). Also, the huge amount of dog muck resident dog owners leave lying around the pavements, especially on the way from Parc Letta to Heamoor CP School and along Holly Terrace is revolting for any wheelchair users and anyone else using our pavements.	3/19/2019 12:00 AM
63	I see more and more mobility scooters these days in Penzance.	3/18/2019 9:38 PM
64	Yes narrow pavements, no pavements parking congestion and huge increase in traffic make it difficult for the able bodied to get around the village	3/16/2019 10:41 AM
65	Not qualified to comment	3/16/2019 9:08 AM
66	Because of the traffic	3/11/2019 11:36 AM
67	Unless you are confined to pavements then its difficult.	3/8/2019 3:47 PM
68	Pavements are an issue	3/8/2019 11:51 AM
69	It is very difficult, i am disabled myself	3/7/2019 11:12 AM
70	parking at some times of the day can make things awkward. The bend by the Sportsmans and parking can be a problem, having said that, now that we've lost the corner shop in Holly Terrace there is a lot less parking there now.	3/6/2019 3:32 PM
71	sorry haven't really noticed	3/6/2019 11:37 AM
72	Hard to get push chair with out going onto roads	3/5/2019 3:15 PM
73	I have no problem at the present time because I know the area well (I've lived here for 20 plus yrs). Major changes and increased traffic would be detrimental to me.	3/5/2019 11:46 AM
74	I am now very disabled and need a wheelchair and someone to push it. Find problems because of height of kerbs, lack of dropped kerbs and steps everywhere. Cannot access shops or the church so am virtually housebound. Even before needing a wheelchair it was very difficult to get around because of narrow pavements, people parking on the pavement and the need for raised pavements at bus stops (although I can see why. The bus stops are too far apart.	3/4/2019 5:26 PM
75	Not sure about this as I don't know anyone with disability issues. But any improvements obviously would be helpful to the residents who have these particular problems	3/4/2019 4:53 PM
76	Pavements are too narrow. There are not enough dropped kerbs. Parking on pavements is common. All this means that wheelchair users are impeded and even put at risk.	3/4/2019 4:42 PM
77	Small pavements make access very hard.	3/4/2019 1:13 PM
78	Pavements are for pedestrians	3/3/2019 11:49 PM

Heamoor Questionnaire

79	pavements aren't wheelchair friendly. Traffic volume at school times are not conducive or safe for anyone in a mobility vehicle	3/3/2019 10:17 PM
80	There is a 20mph speed limit which is ignored by many motorists ,so the disabled in society are very much at risk of befalling an accident throughout the village.	3/3/2019 4:46 PM
81	My aged parents in their 90's get around ok.	3/3/2019 3:02 PM
82	Not only people with mobility issues trying to cross the main road takes ages	3/3/2019 12:59 PM
83	I walk with crutches and the pavements are very narrow and uneven. I used to push my mother-in-law around in a wheelchair and we would iften have to walk on the road which was dangerous in itself.	3/3/2019 10:51 AM

Q20. Air pollution is a growing problem in the village, especially around the Heamoor roundabout

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Given the amount of traffic using the roundabout, I would think so.	5/20/2019 9:14 PM
2	Try getting to town from here. The new place at St Clare's is going to mean constant traffic jams and is choking. Before they started it I'd never heard of it.	5/20/2019 9:06 PM
3	Would like to know how polluted Heamoor is in the summer months with the holiday traffic	5/20/2019 7:48 PM
4	Would be worse with new developments.	5/20/2019 6:23 PM
5	No idea, I assume it's getting worse but can't tell	5/20/2019 6:17 PM
6	My husband has CIPD, air quality is bad in rush hours.	5/18/2019 6:16 PM
7	More trees & hedgerows	5/17/2019 10:14 PM
8	High volume of traffic especially in summer but all year round	5/17/2019 9:54 PM
9	I have to cover my mouth when walking to avoid fumes	5/13/2019 11:32 PM
10	Main road increasingly congested with cars parked on either side	5/13/2019 11:00 PM
11	Can't sit in garden any more - noisy and smelly	5/13/2019 10:29 PM
12	Traffic a constant problem twice a day at school with buses discharging exhaust fumes & parking on double yellows.	4/24/2019 11:51 PM
13	Responsibility of government & council but won't do anything til after Brexit	4/24/2019 10:59 PM
14	Only going to get worse with more traffic	4/24/2019 10:50 PM
15	More housing more pollution!	4/24/2019 10:44 PM

Heamoor Questionnaire

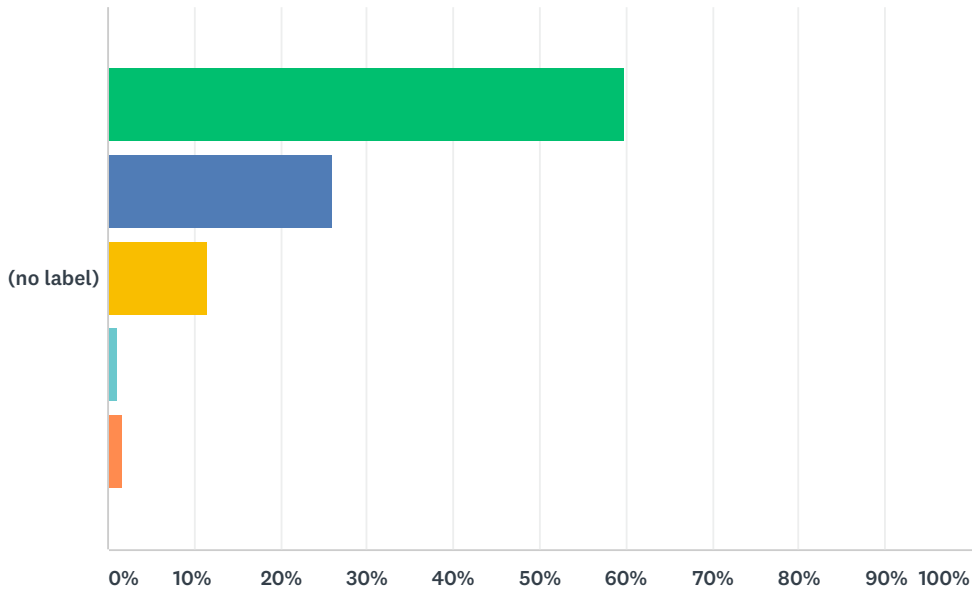

16	A30/PZ should be changed to a self charging surface for electric cars	4/24/2019 10:23 PM
17	Due to high level of traffic which increases even more in high season.	4/24/2019 7:06 PM
18	More traffic means more pollution.	4/24/2019 4:52 PM
19	Many elderly people live in the village; narrow pavements and increasing traffic make getting around a challenge.	4/24/2019 4:01 PM
20	No problem t all compared to cities.	4/24/2019 3:50 PM
21	Any increase in traffic will add to this.	4/24/2019 3:35 PM
22	It will become worse if trees & hedges are felled indiscriminately	4/24/2019 3:23 PM
23	Destroying trees means pollution will only get worse.	4/24/2019 3:09 PM
24	I think it's reasonable	4/24/2019 2:54 PM
25	Air pollution is an increasing problem.	4/24/2019 2:10 PM
26	And the school	4/24/2019 1:20 PM
27	already a high level of air pollution at roundabout	4/22/2019 1:20 AM
28	Universal problem	4/22/2019 1:01 AM
29	Too many cars	4/21/2019 12:37 PM
30	A30 during rush hour, pollution from fire station to cross roads on Madron Hill. Schoolchildren, parents & pedestrians suffer. worse since Linden Homes development.	4/21/2019 12:34 PM
31	More traffic would make it obviously worse	4/21/2019 11:52 AM
32	the increase in traffic makes this inevitable	4/21/2019 11:39 AM
33	Need to develop newer road to the school so cars don't come via village	4/21/2019 12:27 AM
34	That should be the focus for open space for Heamoor more than the old school field where some homes should be built.	4/21/2019 12:10 AM
35	Air pollution is commensurate with vehicle use	4/20/2019 11:55 PM
36	Plant more trees	4/20/2019 11:37 PM
37	It should be refurbished (grants available)	4/20/2019 11:11 PM
38	Lot of traffic	4/18/2019 2:51 PM
39	Less than PZ town centre & Newlyn harbour	4/18/2019 2:17 PM
40	With decreasing use of diesel cars it will improve naturally	4/18/2019 2:08 PM
41	Not particularly aware of traffic pollution, again it's because of slow-[moving vehicles and not flowing at roundabouts.	4/18/2019 12:02 PM
42	I am aware that people who live near the roundabout have chronic health problems, mostly respiratory.	4/18/2019 11:01 AM
43	Yes that has always been a big problem there	4/8/2019 2:15 PM
44	Air pollution certainly is a growing problem. Congestion means idling engines and the related pollution is very injurious to local residents, especially around the Heamoor roundabout, and especially people with respiratory problems.	4/2/2019 2:52 PM
45	Especially at school run times.	4/2/2019 12:38 PM
46	This issue is becoming more important as research progresses.	3/27/2019 8:42 AM
47	I live right on Madron Road and in the morning and evening as the cars and buses thunder by it is really bad for both air and noise pollution. The roundabout is bad too.	3/20/2019 3:58 PM
48	See comments above.	3/19/2019 11:04 PM
49	More traffic means more pollution. Hopefully the London government will sort this out one day.	3/19/2019 12:00 AM
50	Electric cars would resolve that problem. They are on the way.	3/18/2019 9:38 PM
51	Increased traffic = increased pollution it's a no brainer	3/16/2019 10:41 AM
52	It's inevitable as traffic increases	3/16/2019 9:08 AM
53	Traffic, car and diesel fumes will get worse unless we can work together to find a solution to transport issues	3/16/2019 12:06 AM

Heamoor Questionnaire

54	I moved from London so it will always seem cleaner here!	3/14/2019 11:36 AM
55	And out the schools because of parents sitting in their cars with the engine running whilst waiting for their children.	3/11/2019 11:36 AM
56	With the huge volume of traffic comes jams and fumes	3/8/2019 11:51 AM
57	Due the the constant high flow of traffic	3/7/2019 11:12 AM
58	It does worry me that the road crossing attendants don't wear face masks - they are standing in a cloud of exhaust fumes. I would like to know if anyone has done an air quality check at the schools entrances opposite Penzance cemetery.	3/6/2019 3:32 PM
59	as per my previous comment	3/6/2019 11:37 AM
60	I don't know. Do we have figures?	3/4/2019 4:52 PM
61	Walking to work via the subway and Pensans school seems very polluted with lots of car going past.	3/4/2019 3:30 PM
62	Increased traffic will increase pollution.	3/3/2019 11:50 PM
63	Volume of traffic most households now have 2 cars minimum	3/3/2019 11:49 PM
64	substantial increase in traffic volume - see comment Qu.17 Q4b	3/3/2019 10:17 PM
65	We had some air quality monitoring done, the quality of the air is not very good, this will get a lot worse if all the houses are built, especially with the nearly built houses at St Claire's	3/3/2019 5:22 PM
66	Traffic ,traffic, and more traffic ?what can we expect ,soon be like Japan ,and China wearing smog masks,our children ,and grandchildren will suffer the all that pollution and its effects to their health ,and put our health service under even more strain than it already is.	3/3/2019 4:46 PM
67	Haven't come across any. Congestion makes pollution but aids road safety. Air pollution from dog faeces in the whole of Heamoor is though.	3/3/2019 3:02 PM
68	As I have already stated there are three schools in close proximity to the roundabout. A place for disabled afukrs and supported housing all places for people with vulnerabilities to go and they are ALL close to the roundabout.	3/3/2019 10:51 AM

Q2. The Heabrook Parc Play Site should be kept as a play site (if not, how do you think it should be used?)

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Why isn't there more community schemes run here - fetes, playdays. There is little community feeling in Heamoor - the play field is a big area and should be managed better.	5/20/2019 9:47 PM
2	The children need somewhere safe to play. Maybe turn it into a skate park.	5/20/2019 7:48 PM
3	Heamoor needs a larger new play facility somewhere more accessible - this would release the land for housing.	5/20/2019 6:33 PM
4	Leave alone!	5/20/2019 6:23 PM
5	Improve access to it from Parc Letta. Looking at Google Maps there appears to be a lane to it but it's so overgrown.	5/20/2019 6:17 PM
6	Could a part be used for a limited number of houses for local people?	5/20/2019 6:02 PM
7	I have no young children but I think it should be kept.	5/18/2019 6:07 PM
8	Should be improved, great area for fetes etc.	5/18/2019 5:18 PM
9	Should have more seating	5/17/2019 11:08 PM
10	A lot of Heamoor houses don't have gardens, children need places to play	5/17/2019 9:54 PM
11	Covenant in place?	5/17/2019 9:47 PM
12	should be kept as playing area, children need to be safe	5/13/2019 11:06 PM
13	Needs more equipment, football nets and benches	5/13/2019 11:00 PM
14	Not enough areas for children to play, leave these areas alone	5/13/2019 10:29 PM
15	Make it a pleasurable place for people to sit	4/24/2019 11:47 PM

Heamoor Questionnaire

16	Parents need somewhere to take their children to play locally	4/24/2019 11:39 PM
17	Improved facilities for children	4/24/2019 11:28 PM
18	Must be used and maintained - if not, use for affordable homes	4/24/2019 11:05 PM
19	If vehicle access is possible this would be preferred site for small housing development	4/24/2019 10:59 PM
20	Very little rec space now in village. Where will youngsters go?	4/24/2019 10:50 PM
21	Keep as playsite. Children must have safe areas to play in.	4/24/2019 10:44 PM
22	Children need this area to play safe from traffic	4/24/2019 10:35 PM
23	Our children rarely use it because it has very poor access from different directions - this needs to change.	4/24/2019 10:23 PM
24	Children should have play areas	4/24/2019 10:12 PM
25	Children need outdoor play space.	4/24/2019 7:15 PM
26	Always good to have a safe designated play area for children.	4/24/2019 7:06 PM
27	Children have to have somewhere to play, although when road is opened up crossing will be a problem	4/24/2019 5:17 PM
28	Surely this must be kept as a playsite	4/24/2019 5:09 PM
29	definitely should be kept as playsite. Council don't take good enough care of it. Maybe it should be in trust? Committee take over upkeep with money taken from council tax of local residents.	4/24/2019 4:11 PM
30	Wasn't aware this existed but looks like a good green area to keep as a public amenity.	4/24/2019 3:50 PM
31	Maintain & keep as play parc.	4/24/2019 3:44 PM
32	Perfect for children to play. Not enough thought/places for teenagers.	4/24/2019 3:23 PM
33	Very under used. Not easily acceptable t most village inhabitants & unknown to many. Build a few affordable hosues for locals.	4/24/2019 2:10 PM
34	That's where children can play safely	4/24/2019 1:58 PM
35	Not a lot of safe areas for children to play - they need these.	4/24/2019 1:39 PM
36	Community centre	4/22/2019 1:25 AM
37	Memorial park (no dogs permitted)	4/22/2019 1:11 AM
38	It is the only safe green space where dogs and children can play	4/22/2019 12:59 AM
39	Yes because it's the only play park nearby but needs to be updated	4/21/2019 11:46 PM
40	Dog park we could charge access fee	4/21/2019 4:51 PM
41	There are only limited play areas in and around Heamoor, we must not lose these	4/21/2019 12:47 PM
42	The children need somewhere to play	4/21/2019 12:37 PM
43	I think the parc should be improved	4/21/2019 11:56 AM
44	Should be kept as a play site	4/21/2019 11:52 AM
45	The importance of nature and fresh air to wellbeing is increasingly recognised. If the play site is removed where will local children play safely?	4/21/2019 11:39 AM
46	The next generation will need an open space to meet and greet.	4/21/2019 11:33 AM
47	The deeds say it has to stay a play park, it was given to the young of Heamoor	4/21/2019 11:24 AM
48	Always been issues in Penwith with closing down children's play areas to build housing	4/21/2019 12:27 AM
49	This is a small facility for a large area & should be retained for future generations.	4/21/2019 12:17 AM
50	Half the field should be used for housing for locals and the other half open space.	4/21/2019 12:10 AM
51	Play sites are a good thing	4/20/2019 11:37 PM
52	Important to retain areas for children to play.	4/20/2019 11:26 PM
53	Could do with some redevelopment - a bit of a sad path!	4/20/2019 11:16 PM
54	It should be refurbished (grants available)	4/20/2019 11:11 PM
55	Keep it as play	4/18/2019 2:51 PM
56	Kept as a residential green space for residents' enjoyment	4/18/2019 2:23 PM

Heamoor Questionnaire

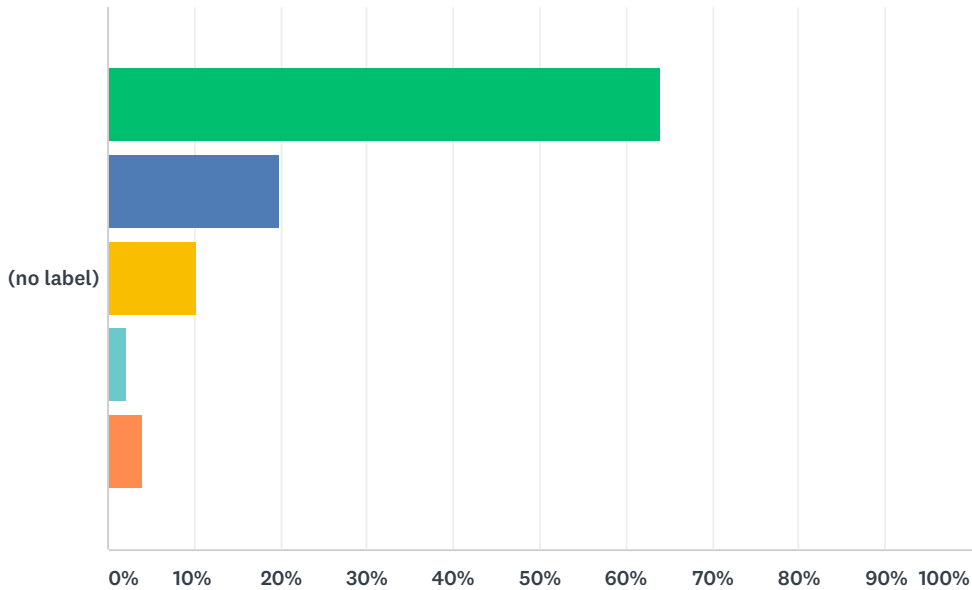

57	There must be something for children naturally	4/18/2019 2:08 PM
58	It's a safe place for families with young ones to go and play.	4/18/2019 12:02 PM
59	More trees!	4/18/2019 11:01 AM
60	I think it should remain as a play site, with perhaps a little local investment to add to the facilities	4/18/2019 9:38 AM
61	A valuable space for the children & families - we use it very frequently.	4/18/2019 9:19 AM
62	Not housing at all, keep as green space	4/18/2019 12:24 AM
63	If it is being used. If not, why not use this site for housing development instead of building on green land.	4/18/2019 12:04 AM
64	It would be a good idea to ask young families and young people themselves for ideas and designs.	4/17/2019 10:39 PM
65	Yes as children do not really have anywhere else to play so that should remain and kept as a play site.	4/8/2019 2:15 PM
66	Access from opposite Hea Corner next to the allotments would be good too.	4/7/2019 6:11 PM
67	I think a public meeting should be called specifically to address this issue, with all residents invited, and especially those living adjacent.	4/2/2019 2:52 PM
68	It's much underused though.	4/2/2019 12:38 PM
69	This is a lovely space for the children of the local area to play. It is safe and enclosed and away from the nearby roads. It should also be dog free but some residents feel that this rule doesn't apply to them.	3/20/2019 3:58 PM
70	I have no experience or knowledge of this.	3/19/2019 11:04 PM
71	It is a fantastic resources for children in the Heabrook Parc area, and for all children in Heamoor. It's a great place for anyone to get some exercise playing football or any other sports with friends and family as there's a lovely space. The slide is also a great favourite with my children.	3/19/2019 12:00 AM
72	Not familiar with it.	3/18/2019 9:38 PM
73	It should be improved and maintained better	3/18/2019 6:11 PM
74	Very important for the health and wellbeing of children to have somewhere to play	3/16/2019 10:41 AM
75	If it is used	3/14/2019 8:21 PM
76	this is a much used space, safe and the only one in this village. Should be kept at all cost. It might be possible to use part of the area to build a youth club	3/8/2019 3:47 PM
77	It is a great area a needs to be kept as a play area	3/8/2019 11:51 AM
78	Children need somewhere to play and let off steam away from the streets and traffic.	3/8/2019 11:14 AM
79	Needs to remain a play park, but improvement could be made new equipment etc	3/7/2019 11:12 AM
80	play sights are much needed to provide out door safe areas for children.	3/6/2019 11:06 PM
81	I wouldn't mind seeing it planted with trees with a small picnic area so mums and dads could sit down while the children use the play area.	3/6/2019 3:32 PM
82	children need some where to go, as long as it's monitored and not abused, drug / alcohol, gang use etc	3/6/2019 11:37 AM
83	Children need safe play areas	3/5/2019 3:15 PM
84	given that there's less space to play in the streets due to so many cars being parked in Heamoor in the evening there's no safe place elsewhere for children to play	3/4/2019 7:09 PM
85	More open play areas is paramount for everyone.	3/4/2019 4:52 PM
86	Suitable maintained with a variation of equipment for youth of all ages along with easy access for the whole village.	3/4/2019 1:13 PM
87	There must be safe play areas for the village children.	3/3/2019 11:50 PM
88	As kids and residents in Heamoor years ago we campaigned for many years to get a playing field... eventually we got one...if you got it look after it...use it or lose it..	3/3/2019 11:49 PM
89	Green spaces and designated play areas important for child development and a healthy state of mind	3/3/2019 10:17 PM
90	This is the one remaining play site in the village. It should not be lost.	3/3/2019 7:25 PM

Heamoor Questionnaire

91	It is important for our youngsters to have somewhere safe to play	3/3/2019 5:22 PM
92	Children need somewhere to play ! Better signage of its existence would help ,and monitoring activities that take place there would also benefit the users	3/3/2019 4:46 PM
93	Why not improve the park facilities making it more suitable for toddlers! Like trenerre Park, soft play flooring and smaller slides etc	3/3/2019 4:31 PM
94	My son and his family use it all the time	3/3/2019 12:59 PM
95	Did not know there was a play park site and n the area	3/3/2019 11:32 AM
96	It should be kept as a green /play area for the use of residents and their families	3/3/2019 11:13 AM
97	A Nature Reserve.	3/3/2019 10:59 AM
98	This is the only safe play site for children to go in the village and should be protected at all costs.	3/3/2019 10:51 AM
99	Should be invested in even more!	3/3/2019 12:21 AM

Q22. The old school field in Madron Road should continue to be an open space (ideas welcome!)

#	YOUR COMMENTS – REALLY HELPFUL	DATE
1	Definitely, for the above reasons.	5/20/2019 9:47 PM
2	No idea, it's impossible to me as I can't walk that distance, the road is too narrow and the bus drivers don't seem to want to lower the bus to let me on.	5/20/2019 9:06 PM
3	It's a dog toilet at the moment.	5/20/2019 7:48 PM
4	Parking spaces, this will ease a lot of congestion in the village.	5/20/2019 6:17 PM
5	Could not part of this be used to solve on-street parking?	5/20/2019 6:02 PM
6	A community garden. It would bring people together and make a lovely area for people to sit and meet.	5/18/2019 6:07 PM
7	Only green space in the village for elderly dog walkers	5/17/2019 11:08 PM
8	Not an open space Knock down hedge and fit swings & slides.	5/17/2019 10:14 PM
9	Play equipment for children, community garden	5/17/2019 9:47 PM
10	Cemetary in PZ will soon be full, maybe place for a new one?	5/13/2019 11:06 PM
11	Bit of a white elephant	5/13/2019 11:00 PM
12	Swings and slides for toddlers would be great	4/24/2019 11:43 PM
13	Turn field into parking spaces	4/24/2019 11:40 PM
14	Should be made into a car park, much needed in Heamoor. Space not used, car park would stop congestion on main road.	4/24/2019 11:39 PM
15	Grass should be regularly cut to encourage children to play & avoid dog excrement	4/24/2019 11:37 PM

Heamoor Questionnaire

16	seating area gate to stop dogs/children running onto road	4/24/2019 11:34 PM
17	All for as many open spaces as possible	4/24/2019 11:32 PM
18	Why not turn it into a car park for all the large commercial vans	4/24/2019 11:26 PM
19	This to become a full play area with proper amenities, swings etc.	4/24/2019 10:59 PM
20	Must keep green spaces for community to use.	4/24/2019 10:44 PM
21	Should have a children's play area similar to the one in Marazion	4/24/2019 10:35 PM
22	Park/allotments	4/24/2019 10:23 PM
23	An area for children to play team games.	4/24/2019 7:15 PM
24	Our house overlooks this small field which is used every day for the community. Dog walkers, football, family picnics, elderly neighbours in fold-up chairs reading the paper. Only green space in village accessible to people with poor mobility. More should be done to look after it - a bench & flowers would be nice.	4/24/2019 7:06 PM
25	Yes open space but not for dog exercising	4/24/2019 5:17 PM
26	This is the only secure play area in the village and it must stay as this. I would like to see a no dogs sign. The council has a duty of care to make it safe.	4/24/2019 5:09 PM
27	Maintain as it is, people use it for all kinds of purposes - football, dog walking etc.	4/24/2019 3:44 PM
28	We need open countryside.	4/24/2019 3:23 PM
29	Could be better used. A wildlife and gardening plot for the school perhaps or a community garden?	4/24/2019 2:54 PM
30	As an open space - somewhere for children to play & older people to sit - benches, flowers etc.	4/24/2019 2:10 PM
31	Or a play site in centre of village	4/24/2019 1:58 PM
32	Should continue to be open space for everyone to enjoy. Make it look like a park area. Somewhere to sit and chat where children can play safely.	4/24/2019 1:39 PM
33	Car boots, maybe parking	4/22/2019 1:25 AM
34	This is an ideal play area for children but is only used by dog owners due to infrequent grass cutting by Council	4/22/2019 1:20 AM
35	Swings and slides for village children	4/22/2019 1:14 AM
36	It is only used as a dog toilet anyway so should be put to better use	4/22/2019 1:01 AM
37	This area could be made a lot more attractive and garden-like, perhaps with benches or even a pond. It is important to still be made available for responsible dog owners too. More tree planting round the edges, perhaps some small tree planting in the streets to reduce pollution, encourage insects and birds and break up the grey granite.	4/22/2019 12:42 AM
38	Make it gated to keep children and dogs safe. Put in a couple of benches.	4/22/2019 12:16 AM
39	Used as a play area	4/22/2019 12:15 AM
40	Play park?	4/22/2019 12:11 AM
41	Would be nice but should have a specific purpose. Community garden?	4/22/2019 12:09 AM
42	Play site for children only or car park	4/22/2019 12:07 AM
43	Off-street parking?	4/22/2019 12:05 AM
44	Would be welcome seating area for mums & children. Ban dogs! Just a dog playground at the moment.	4/22/2019 12:01 AM
45	Playground required especially for young children. dog walkers need policing here.	4/21/2019 11:51 PM
46	Converted into resident parking spaces maybe?	4/21/2019 11:46 PM
47	I would like to see a community garden/rest area. Shrubs/flowers, perhaps a bench. (Dogs allowed but a bin provided.)	4/21/2019 11:40 PM
48	Dog park	4/21/2019 4:51 PM
49	Part used for car parking. Put yellow lines in place to keep one side free from cars - stop congestion and give emergency vehicles easy access	4/21/2019 1:00 PM
50	But not for dogs to foul in	4/21/2019 12:54 PM
51	This should be a children's park	4/21/2019 12:37 PM

Heamoor Questionnaire

52	Use as parking area if yellow lines on road through village	4/21/2019 12:34 PM
53	Continue to be an open space	4/21/2019 11:52 AM
54	This space could be developed as a recreational/sensory garden. Possibly a residents' community allotment.	4/21/2019 11:39 AM
55	Madron road school field could be a community garden with seats to meet other people who cannot travel far	4/21/2019 11:29 AM
56	Control of this site and above should be taken over by a Heamoor community group to prevent misuse	4/21/2019 11:27 AM
57	Should be used for small development, or if not then play area with equipment	4/21/2019 12:31 AM
58	Good for exercise and off-road playing for children	4/21/2019 12:29 AM
59	How about a landscaped meeting area for the older generation?	4/21/2019 12:17 AM
60	Mainly used by us, the dog walkers	4/20/2019 11:55 PM
61	This should be used for parking so parking on Madron Road can be restricted	4/20/2019 11:40 PM
62	Healthy hedgerows - archery field	4/20/2019 11:37 PM
63	Village green, playing field	4/20/2019 11:16 PM
64	Yes, to hold fetes, special events, summer fairs	4/20/2019 11:11 PM
65	Park with seating for the elderly	4/18/2019 2:51 PM
66	Children's playground	4/18/2019 2:25 PM
67	Picnic tables, play equipment, skate park?	4/18/2019 2:17 PM
68	Children's play place? A natural assault/fitness course as in other parks.	4/18/2019 2:08 PM
69	Restrict dog walking to a limited area	4/18/2019 1:57 PM
70	Thought it belonged to Mounts Bay school?	4/18/2019 12:02 PM
71	Community woodland or orchard? We can get together and plant more trees! Nature reserve with a little café?	4/18/2019 11:01 AM
72	I never see it being used! I think it should be used for local housing needs, i.e. Heamoor residents only, affordable prices too!	4/18/2019 12:04 AM
73	Improve access to it from Parc Letta. Looking at Google Maps there appears to be a lane to it but it is so overgrown.	4/17/2019 11:50 PM
74	Open it up and add flower beds	4/17/2019 11:00 PM
75	See above. What is needed, what would promote use and what could locals do as DIY.	4/17/2019 10:39 PM
76	Yes it should or build a wooden shed on it as a village hall for the locals and run by volunteers	4/8/2019 2:15 PM
77	Community garden perhaps rather than a dog poop area.	4/7/2019 6:11 PM
78	Many people will have made suggestions through this questionnaire. Again we need a public meeting.	4/2/2019 2:52 PM
79	This little open space has been completely trashed in the last year or two. Revive it with a community garden (gardening club/school involvement?) + small play area + dog walking zone with poo bins. And a community noticeboard. Make it our "village green".	4/2/2019 12:38 PM
80	It is the last green space in the village and must be saved.	3/27/2019 8:42 AM
81	If it could be kept dog free then I would welcome it as a open space which could be an additional play park or community space. It is, in its current state, unusable as either due to the amount of dogs' mess on it. Another alternative would be to make it into extra parking space for local residents (though how this would be managed may be difficult).	3/20/2019 3:58 PM
82	I have no knowledge of this	3/19/2019 11:04 PM
83	This would be a great place for our children to play, especially younger ones as it is so safe with a full hedge round it to protect the children from traffic. Unfortunately, a large number of Heamoor's dog owners see it as their place to toilet their dogs and so it is was so full of dog muck when I last took my children there I have not used it since as it is disgusting. Could dogs be banned from it? It would make a fantastic play area for children, or families to get together. Could it be used for for residents to hold fetes or band concerts? Of for residents to have children's birthday parties there?	3/19/2019 12:00 AM

Heamoor Questionnaire

84	If there was to be development in the area, causing a significant increase in traffic through the village, there would almost certainly be double yellow lines on both sides of Jamaica Terrace. It might be needed by some of those people who currently park their cars there, as an alternative place to do so. But that would be a sad use for a beautiful green space in the village. Has there never been a fete there ? . . . A flower market ? A WI market ?	3/18/2019 9:38 PM
85	Green space good for health why concrete over everywhere only increases the flooding risk	3/16/2019 10:41 AM
86	The field could be created as a play area similar to Marazion which is very well used by young families	3/16/2019 9:08 AM
87	I am biased because I live right next to it and so see it every day. It affected me even when a tree at the entrance was cut down.	3/14/2019 11:36 AM
88	It should be encouraged that we use this space as a community asset	3/8/2019 3:47 PM
89	Make it a community garden instead of a dog toilet. It would be great for people to enjoy an open space	3/8/2019 11:51 AM
90	this is a good sight for a rest area or pleasure space for locals to sit walk within the community.	3/6/2019 11:06 PM
91	And again should be planted with trees.	3/6/2019 3:32 PM
92	Small park for children or a quite sensory space with seating suitable for children and elderly residents to access and sit in the sun to gather as a community again.	3/6/2019 7:28 AM
93	Must stay as green area ,could be improved with a play park this would mean less children have to cross the road	3/5/2019 3:15 PM
94	This is the only open green space in the middle of Heamoor and is used by many dog walkers (many of them elderly) and children alike. Open space is valuable for it;s own sake.	3/5/2019 11:46 AM
95	similar reasons as above	3/4/2019 7:09 PM
96	Need for space for young people and their bikes and scooters.	3/4/2019 5:26 PM
97	One of the very few areas that are safe to walk dogs in and children to play.	3/4/2019 3:43 PM
98	Picnic area etc	3/4/2019 10:16 AM
99	The field is the only play area on the eastern side of the road.	3/3/2019 11:50 PM
100	Keep it...use it...or lose it...	3/3/2019 11:49 PM
101	only bit of green amongst a concrete mass	3/3/2019 10:17 PM
102	Planting of trees, gates on entrance to make safer for dog walkers.	3/3/2019 7:09 PM
103	This could be turned into a lovely park with benches.	3/3/2019 5:22 PM
104	All open spaces must be kept ,maybe a think tank in the community would help make more and better use of that area.	3/3/2019 4:46 PM
105	yes but should have a gate on all exits for safety	3/3/2019 4:08 PM
106	Residents have to have somewhere to exercise their dogs,	3/3/2019 3:02 PM
107	Think it should be put into car parking spaces which local people with no parking can rent instead of a dogs toilet.	3/3/2019 12:59 PM
108	more play equipment for children	3/3/2019 11:13 AM
109	This would make a lovely public garden. A few benches , shrubs & maybe a water feature.	3/3/2019 10:59 AM
110	Dog walkers should be stopped from using this area as a dogs toilet and benches and flower beds should be put in there. Somewhere nice fir people to sit and enjoy. This area could then be used for things like fetes improving the community spirit.	3/3/2019 10:51 AM
111	A children's play park	3/3/2019 12:21 AM

Heamoor Questionnaire

Q23 ANY OTHER COMMENTS? How do you see the future of Heamoor?

Answered: 153 Skipped: 149

#	RESPONSES	DATE
1	I am very worried about the development in Heamoor. In my view residents are lucky to live in Heamoor with its rural aspect. It's in walking distance to the town and served by a good regular bus service. Residents are near to doctors, schools, the hospital and the A30. Moving more people and traffic into this already tightly packed village (or on the outskirts) will only be disastrous. The future of Heamoor needs to improve what the village already has and to create more of a community by offering the residents more to do to get involved with this. More allotments are needed not to take them away. A purpose-built community hall aiming activities and events at the local people.	5/20/2019 9:47 PM
2	The proposed development is a ridiculous size for the infrastructure which does not exist now, the profits will only line the pockets of outside property developers! Who don't give a monkey's for the village or its residents. We do not need an urban sprawl at the top of Boscathnoe. Yet again Cornwall Council have played fast and loose with the truth, one thing that doesn't change.	5/20/2019 9:23 PM
3	If they carry on ignoring all the crimes and join in to other villages they will need more than a Trump wall (and their own undertakers). So much crap happening and no-one gives a damn. I've been 3.5 years abused at this property because 4 lots of them are Colinsey and they know how to get away with it because it's gone on for over 40 years. There's also issues with money and handshake gaslighting. 1 person/family are causing fear for everyone in Heamoor; they steal from allotments, if you don't give them money they smash everything you own, follow and stalk you, spit at you and throw stuff at you, attack you for being in your own garden and allotment and intimidate you while you are inside your own home and no I'm not going to be quiet about it those who harbour crimes allow it to keep happening. Policing is a total joke and after 3.5 years of waiting for a neighbour team from BDM then & DCH I have now had a 6th H.O. Try to blame me I'm ill to run round estate, I hardly ever go outside and how can I defend myself on a 2-stick walker.	5/20/2019 9:06 PM
4	Time to get rid of second homes, these could be homes for local people; then we would not need to build more homes on our green fields. The Council is ruining all that is good about Cornwall. A lot of problems with antisocial behaviour and drugs in footpaths around Roscadghill Parc.	5/20/2019 7:48 PM
5	I see the Penzance area developing into a larger and very important town given its location. a - its fishing industry. b- farming heritage. c - increasing technological importance. d - communications importance; IOS links shouldn't be underestimated, it could be a premier yachting harbour as well as ferry links further afield. e - not forgetting the increasing population in coming years will need housing and job opportunities.	5/20/2019 6:33 PM
6	We cannot have large scale housing developments. Traffic already dreadful. Schools at full capacity. We need to keep our countryside green. We are a small village not a town! And already will have to cope with additional traffic from Porthgwari housing development.	5/20/2019 6:23 PM
7	The chip shop has crap opening times and quality isn't very good. We still use Buzz's in Alverton as the quality is better and more reasonable opening times. Try it and compare the two.	5/20/2019 6:17 PM
8	I feel that the SWW Boscathnoe Reservoirs have a huge potential for leisure use for the locality, if sensitively redeveloped. It's a great shame that access is now prevented.	5/20/2019 6:02 PM
9	The problem is if you have more housing it will cause problems with parking and cause more flooding in future.	5/20/2019 5:29 PM
10	I would like to see a shelter or seats at the bus stop into town. CCTV in the underpass. more lighting along it might help, keep all the trees and shrubs there to help air pollution from the island. Crossing the road to use the underpass is a deathtrap - you have to rely on the traffic to indicate, they often don't and are going too fast for us elderly and disabled. Elderly crossing sign or zebra crossing? Makes you feel cut off from the town if you can't use the underpass. I love Heamoor, I hope it doesn't get overdeveloped. The green spaces are awesome!	5/18/2019 6:16 PM
11	Why is there a new Keep Left post right outside the fire station? Buses struggle already and stop even before the post was put there - stupid!	5/18/2019 6:04 PM
12	The main point of this questionnaire is that there should not be any development of land in & around Heamoor, no need of it!	5/18/2019 3:12 PM

Heamoor Questionnaire

13	People with dogs should be considered as well as cars and houses as the places you can walk them are becoming very restricted. Many older people have pets for companionship.	5/17/2019 11:08 PM
14	Cycling is getting quite common on pavements. They travel quite fast and are often quite rude.	5/17/2019 10:54 PM
15	Cars should only park on one side of Madron Road	5/17/2019 10:43 PM
16	Police should take more action against speeding & noisy traffic especially motorbikes - someone is going to lose their life.	5/17/2019 10:14 PM
17	A wonderful place to live as long as no large-scale building projects. Parking is an issue especially in narrow roads. Would be a shame to lose village-style shops. It has a number of social activities that enable all ages to thrive in the area, e.g. British Legion, Scouts, Snooker Hall. Post office has been missed and should be returned.	5/17/2019 9:54 PM
18	Bring back a post office, especially for elderly & place with no transport	5/13/2019 11:06 PM
19	Heamoor will become engulfed if planning for extra housing goes through. Can't cope with additional cars. Yellow lines needed on one side of the road. Field by old school could be residents car park?	5/13/2019 11:00 PM
20	It's so sad to see what is happening to our village, it used to be a safe and quiet place to live where children could play and we could walk to shops/post office. We know things changed but lately Heamoor has become overwhelmed with undesirables, traffic and noise. Roads no longer safe, can't leave doors open, community becoming obsolete.	5/13/2019 10:29 PM
21	Hopefully as it is now, with consideration for wildlife and the environment.	5/6/2019 11:44 AM
22	I thoroughly agree with all points listed. We need to preserve more countryside for future generations to enjoy & the environmental benefits. No school places or hospital beds available or any other expected facilities.	4/24/2019 11:49 PM
23	If any more properties are built Heamoor will not be here any more. To my mind anyone who moved here like I did to live in a nice quiet village would feel betrayed and I would want a rebate on my rates.	4/24/2019 11:47 PM
24	Vital to preserve local shops and it would be wonderful to have a post office again. Houses need to be lived in full time, not used as holiday lets to keep Heamoor thriving	4/24/2019 11:43 PM
25	No longer a village. future is depressing, all services & facilities overloaded	4/24/2019 11:30 PM
26	Grey areas not green should be developed. Heamoor already under pressure from traffic, pollution & population.	4/24/2019 11:20 PM
27	Insufficient infrastructure to cope with new development.	4/24/2019 11:18 PM
28	Village benefits greatly from services, these need customers. New housing will support local services & amenities.	4/24/2019 11:15 PM
29	Needs a residents' committee which can then join with the same in other neighbouring villages to form a local Council	4/24/2019 10:59 PM
30	If all suggestions go ahead I see nothing but problems - I would consider moving	4/24/2019 10:50 PM
31	If this proposed site is to be populated by bad areas such as Manchester, then we will be like St Austell. Gangs of young men cruising the area, drug issues and long waiting times to see a doctor. This is short-term folly.	4/24/2019 10:35 PM
32	Council approach to housing developments is shocking and shortsighted. NP guidance should require developments to: Deliver much more green space than set out in local plan Preserve green corridors from sea to countryside Cycle/footpaths ditto House designs to have very high design guide to reduce heating bills etc.	4/24/2019 10:23 PM
33	We have lost our community status so the future of Heamoor is bleak. People don't support each other, the elderly are lonely, it would be good to have a community centre.	4/24/2019 7:15 PM
34	I would hope to see better managed traffic. Some social housing. I would prefer to see no large developments or unaffordable little white boxes but realistically expect just that.	4/24/2019 5:17 PM
35	If there is a mass build of houses the village will become a small town with no extra infrastructure or amenities. Who is going to be able to afford the houses?	4/24/2019 5:09 PM
36	Not too optimistic because of government deregulation. However SHED are doing a good job on behalf of Heamoor residents re. large new building developments. Infrastructure envisaged for increased developments and traffic. Parking is a real problem.	4/24/2019 4:52 PM
37	More traffic controls on main roads through Heamoor. Permit parking? Cycle lanes. Improve and expand community centre, more family friendly activities, more regular groups for the isolated and elderly. residents committee? Love this village and want to keep it this way.	4/24/2019 4:01 PM

Heamoor Questionnaire

38	As a village now and in the future with green space to enjoy and a community in its own right.	4/24/2019 3:35 PM
39	Heamoor is a very special village, so many people have relocated to it because of its location, quietness & rural aspects. We can walk to our doctor/hospital appointments and it would be a great shame if it became any busier. Road infrastructure is only just coping, flooding situation is pretty desperate - any additional impact on this amenity will be a catastrophe. Please be mindful of everyone's right to a peaceful happy village and don't sell us out.	4/24/2019 3:23 PM
40	Would love Heamoor to be preserved as a distinct rural community. Woods and green spaces must not be destroyed just to meet government requirements. This will be an insult to Heamoor through mindless planning and land grabbing.	4/24/2019 3:09 PM
41	It would be great to see it develop as a community and become even closer-knit/ A limited amount of affordable housing for local people who want to love where they were born is a good option.	4/24/2019 2:54 PM
42	Would like to see Heamoor kept as a village with a unique identity which cares for both the local community and the environment. If development is allowed, this identity would be wiped out forever.	4/24/2019 2:46 PM
43	I've lived in Heamoor for 35 years. It can't cope with extra people, cars & congestion that will be cause if these houses are built.	4/24/2019 2:17 PM
44	Heamoor will inevitably have to adjust somewhat to the times but it is a unique, individual Cornish village. great care and respect should be shown by those in authority. Must be kept totally separate from PZ and nearby villages. Please, we love our village and treasure it.	4/24/2019 2:10 PM
45	Needs to stay a village. Council do nothing re. weedspaying, road cleaning or traffic calming. No hope if they develop more.	4/24/2019 1:58 PM
46	Heamoor is a lovely place to live with friendly people. The thought of big developments is scary - needs small scale projects that don't change it too much. Wages here are low and many people can't afford high private rentals.	4/24/2019 1:39 PM
47	Should remain a rural community not overdeveloped. Traffic is already a hazard and shouldn't be added to. Local bus service is inadequate and should be improved to promote its use. Affordable housing should be a priority, second homes banned or heavily council taxed.	4/24/2019 1:28 PM
48	Needs to be kept as a separate village - horses, farming. Mounts Bay field is never used - use as parking or drop-off.	4/24/2019 1:20 PM
49	If building is allowed, more flooding. Property prices down. Increase in crime - no local policeman or force to hand. No crossing for children. Loss of lifestyle and no jobs. St Clare houses look like army barracks. Is it true half of St John's Hall is being sold for flats?	4/22/2019 1:25 AM
50	Develop grey sites not green	4/22/2019 1:16 AM
51	I would like Heamoor to remain a village distinct from Madron, Gulval, Treneere	4/22/2019 1:14 AM
52	An even better Cornish rural community. Ban cats - too many owners don't stop them fouling in other people's gardens. Ban dogs - as owners let them foul and don't stop them barking and urinating on houses. If you know of drug dealers/users/abusers report them to the police immediately. Social meeting places need to be more vigilant of illegal drug users on their premises.	4/22/2019 1:11 AM
53	Hopefully staying as it is.	4/22/2019 12:55 AM
54	The village of Heamoor is fine just as it is	4/22/2019 12:50 AM
55	Heamoor must not lose any more shops or the chemist. Bring back the post office!	4/22/2019 12:44 AM
56	Need another post office and cash machine for the elderly. road surfaces are in shocking condition and could soon lead to fracture of gas and water mains especially in Main Street.	4/22/2019 12:42 AM
57	I love living here. Quiet village.	4/22/2019 12:38 AM
58	Heamoor needs to remain a small, identifiable community. any changes/developments need to be on this small scale.	4/22/2019 12:36 AM
59	I would like Heamoor to remain as much as it is possible to do	4/22/2019 12:32 AM
60	I am very concerned that Heamoor will lose its identity as a village	4/21/2019 11:49 PM
61	No more housing, less congested. Cleaner streets - everyone pick up their dog mess.	4/21/2019 1:00 PM
62	To achieve the required demand for housing some development in Heamoor will have to happen but selecting the right sites so that infrastructure can be put in place will be vital. Roads, sewerage, school places and any number of other considerations must be taken into account.	4/21/2019 12:58 PM

Heamoor Questionnaire

63	Existing bungalows should not be redeveloped into hosues. Existing accessible housing for the elderly and disabled is limited in Heamoor.	4/21/2019 12:47 PM
64	It would be nice if it was laid out with shrubs, paths and benches rather than just grassed	4/21/2019 12:43 PM
65	Would like to see Heamoor as a separate parish and not just an add-on to Penzance	4/21/2019 11:27 AM
66	Getting worse, you cannot park your car. It's just the times we live in.	4/21/2019 11:24 AM
67	Heamoor is badly in need of a covered bus shelter near the roundabout leaving Heamoor. his is not a safe area.	4/21/2019 11:20 AM
68	Try to reopen shops for elderly people. Needs a post office.	4/21/2019 12:29 AM
69	Change must be managed and come with new shops, schools, roads etc.	4/21/2019 12:27 AM
70	I was born in Heamoor and feel it should be left as it is please, it will soon be joined with Penzance	4/21/2019 12:02 AM
71	Heamoor has a potential flooding problem and any development would make it worse.	4/21/2019 12:00 AM
72	Over populated, roads seriously congested. Roundabout extremely dangerous. No real infrastructure (schools, hospital, provisions for car parking, post office etc). Places like Boscathnoe way used for long-term parking. Employment for extra population. Traffic rat runs driving too fast.	4/20/2019 11:58 PM
73	Heamoor is a village community and as such is special to its residents and contributes to the unique lifestyle in Kernow.	4/20/2019 11:55 PM
74	Heamoor as we know it will be destroyed if we let scammer developers on it, because they don't care about wider infrastructure or environment as they are not profit-related. Hundreds of peer-reviewed scientific papers now show that Public Health England's safety levels for mobile phone radiation are woefully wrong and that all wireless radiation, over a period of 10-15 years of exposure is damaging to human health. Do not allow 5G rollout! Research this please! I am very happy to talk with you about this issue.	4/20/2019 11:37 PM
75	No more awful buildings	4/20/2019 11:27 PM
76	Village fete on village green?	4/20/2019 11:16 PM
77	Parking is a problem. even though double yellow lines are in place these are ignored and not policed. Also a road scheme next to old primary school similar to as of Mounts Bay with give way signs priority to oncoming traffic etc. Eliminate parked cars in this area.	4/20/2019 11:11 PM
78	Very overcrowded and busy with traffic	4/18/2019 2:51 PM
79	I've lived and worked in Heamoor for 20 years and raised a family. Heamoor is getting more and more crowded and traffic and parking are becoming a problem. Would hate to see a lot of second homes here.	4/18/2019 2:48 PM
80	Thank you for all the hard work you're putting into this.	4/18/2019 2:25 PM
81	The success of SHED proves a strong community interest; therefore its identity should be encouraged and preserved.	4/18/2019 2:23 PM
82	Any new builds would have profound effects, more traffic, pollution and delays on the roads. Since I have lived here (2002) Heamoor has lost off-street parking due to the Council's yellow line policy that is often put in place with no consultation. More areas are required for parking in Heamoor!	4/18/2019 1:55 PM
83	Love living here, have done for 9 years. One problem is parked cars, families have more than one and many hosues don't have parking. Getting increasingly difficult to use the main road. If there are going to be more housing estates they must have outside parking garages and sort the pipes out so there's no flooding.	4/18/2019 12:02 PM
84	A café would be an asset, somewhere for walkers, locals and visitors to meet up. Trengwainton tea rooms is always packed. Local artists could exhibit in the space. A community orchard? The WI in my Dad's village planted plums, apples and pears and the villagers can help themselves. It's near the children's playground, has benches for resting and enjoying the space. The bees love it!	4/18/2019 11:01 AM
85	Retain the status quo	4/18/2019 10:46 AM
86	I moved to Heamoor 14 years ago. Whilst I appreciate the world and people's needs move on, I believe areas such as small rural villages (Heamoor) need to retain their character and place in society. Heamoor does not have the facilities to support further development, or the infrastructure. What green areas it has should remain. We are already threatened by the ever-growing number of homeless in the area which neither the police nor the Council show any appetite for tackling.	4/18/2019 9:38 AM

Heamoor Questionnaire

87	As far as possible Heamoor should not be merged with Penzance	4/18/2019 12:26 AM
88	A few small developments is obviously necessary but should be social housing for local need and no large scale speculative housing development.	4/18/2019 12:07 AM
89	Heamoor is not equipped to deal with large scale housing developments which would only put pressure on all the services, schools etc. Small number of new builds in areas that need developing, should be affordable and a priority to people born & living in Heamoor. Parking is becoming a problem as the double yellow lines have been extended, New builds would increase this problem and create more pressure on the village.	4/18/2019 12:04 AM
90	The chip shop has crap opening times and quality isn't very good.	4/17/2019 11:50 PM
91	The main aim is to keep opposing major housing development happening in what is a delightful village still. Much better signage for SLOW DOWN on all roads into Heamoor. We live at Polteggan Farm & the traffic coming from both directions is too fast for a blind corner.	4/17/2019 11:28 PM
92	It would be nice if all the drug addicts, Dealer, lowlife and homeless were cleared up not just around Heamoor, but in Penzance its self. That would make it a much nicer place to live? PS ALL THE DOG MESS IN HEAMORE REALY?	4/17/2019 11:03 PM
93	New homes may be needed but not at the expense of the majority who live contentedly at present, if more consideration is given for infrastructure it would make more sense. Our roads cannot cope at the moment.	4/17/2019 10:56 PM
94	The future of Heamoor and every other village is to be allowed to grow according to its needs. Usually no thought for infrastructure, brownfield not greenfield. Why are most new homes so ugly and not in keeping with the area? We need to grow more food, not build more.	4/17/2019 10:39 PM
95	Hopefully supported to be maintained as a village, it has lost a vital post office service for the village Parents of school children at Mounts Bay should be encouraged to use public transport to drop and pick up children	4/15/2019 1:55 PM
96	We believe Heamoor should not become another Camborne where it is being continually developed on and is in danger of becoming joined up with Gulval, Madron, and even Longrock leave the village as it is we do not have the infrastructure here to cope with more traffic, nor do we have the jobs here for anymore people, and nor do we have the schools or doctors or vets etc to cope with it.	4/8/2019 2:15 PM
97	No more housing developments, especially on the outskirts. We don't want to merge into Penzance or Madron, we want to keep our own identity as a village. The infrastructure is at breaking point as it is. I don't want to see my village disappear and be surrounded by new cheap housing developments. The fields above Polmennor road should stay as they are, they are protecting the village from the winter floods getting even worse. Perhaps if Cornwall Council cleaned out and maintained the drains occasionally like Penwith Council used to we wouldn't even be getting floods!	4/7/2019 6:11 PM
98	Heamoor is a beautiful green place. The community is friendly and happy. It will grow organically. The important thing is for Heamoor to be involved in decisions about its future so that residents remain committed to this lovely village. Where residents feel powerless to shape the future of their village or town, they stop caring and the place runs down. I wouldn't want that to happen to Heamoor. Let's keep Heamoor green and beautiful and loved.	4/2/2019 2:52 PM
99	If Heamoor residents can have a real influence over what happens here, I see no reason why we shouldn't remain a happy, cohesive bunch taking pride in where we live. I've lived here 20 years and seen a real resurgence of community spirit in the last year or two. But if large-scale development goes ahead, it will no longer be the same community and the positives that attract many people to live here (close to countryside, quiet, essentially rural) will vanish.	4/2/2019 12:38 PM
100	Hopefully it will not be blighted by the over supply of new houses as has happened to many parts of Cornwall.	3/27/2019 8:42 AM
101	Fighting	3/26/2019 9:48 AM
102	The rural nature of Heamoor is beneficial to locals and tourists alike. Losing it makes Penzance less attractive to all, and would create problems with congestion and flooding.	3/25/2019 1:21 PM
103	I do not object to new houses but I think to maintain the character and identity of the village, the developments need to be small scale and exclusively for local people which would mean making them truly affordable. We don't want huge estates of houses that nobody can afford nor the village cannot cope with.	3/20/2019 3:58 PM
104	I wish public/school transport could alleviate the traffic congestion.	3/19/2019 11:04 PM

Heamoor Questionnaire

105	We need houses built for our children and the growing population of the country in general. However, as the victims of tourism (a double edged sword as without tourism we wouldn't really have any work down here) we need to ensure that we have houses the fit the the needs of the local economy especially in price, and they need to be earmarked solely for locals, who need them and aren't able to buy them at current unrelated to the local economy prices. Hopefully Heamoor will become more pedestrian friendly eg wide pavements throughout, pelican crossings in the centre of the village and at the Penzance approach, more control of dog owners to prevent them leaving their muck all over our pavements. Hopefully it will still have its own identity and not be subsumed into Penzance. It would be good to have another shop, and I hope the shop we've got, the chip shop, pub and the chemists stay. It would be good to have a cashpoint in the village.	3/19/2019 12:00 AM
106	I would like to see village events take place on the old school field- I would like to see more allotments for people- most of all, I would like to see the Trannack site along the north side of the valley, as woodland, covered in trees and exotic planting of all sorts, with small (as described above) pockets of housing scattered amongst and throughout it, connected by a road or 2 . . maybe including a self build pocket, but with a unified colour and design to avoid turning into a shanty town . . hens ? . . rural things. Big no to Quad bikes etc.	3/18/2019 9:38 PM
107	Heamoor is indeed a very close and strong community, which has been highlighted by the support and passion against the councils misguided housing programme. Efforts should be made to enhance our current housing stock and focus on improving what we have now.	3/18/2019 6:11 PM
108	Hope we can preserve the uniqueness of the area	3/16/2019 10:41 AM
109	It must be kept as village with its own borders and identity	3/16/2019 9:08 AM
110	Heamoor is a beautiful village, As an outsider coming to live here I can see the quality of life here, perhaps clearer than people who are used to it, development is not in its self bad, but it needs to be planned carefully, as the result is not reversible	3/16/2019 12:06 AM
111	As a separate village community	3/15/2019 10:06 PM
112	Traffic is the main issue and provision of services eg health	3/14/2019 8:21 PM
113	the future of Heamoor depends heavily on what development schemes are planned. The village is too small and the infrastructure not good enough to absorb new builds. It would also ruin the uniqueness of this place	3/14/2019 3:44 PM
114	It has a strong community so I think it will survive but I fear that with the influx of more and more people and lack of housing, there will be less and less countryside left	3/14/2019 11:36 AM
115	GOOD	3/13/2019 9:41 PM
116	Encourage more rural business and working from home	3/11/2019 11:36 AM
117	I see Heamoor as being a desirable, safe, green area to live and bring up a family	3/8/2019 3:47 PM
118	At the moment if houses are still being built it will overcrowded, traffic congested and forgotten as a village just part of Penzance	3/8/2019 11:51 AM
119	Roads are in poor condition with potholes etc, which will get worse with increased traffic.	3/8/2019 11:14 AM
120	This survey may be 30 yrs to late.	3/7/2019 12:33 PM
121	Heamoor is a lovely place to live and with considerate planning any new housing developments can be delivered without impacting on the quality of life of the wider community.	3/7/2019 11:35 AM
122	The village pavements are always covered in dogs mess, something needs to be done about this. The village is a beautiful place, surrounded by fabulous countryside and the whole area needs protecting.	3/7/2019 11:12 AM
123	I CAN SEE SERIOUS ACCIDENTS HAPPENING IN THE VILLAGE DUE TO VERY FEW VEHICLES OBSERVING THE 20 MPH SPEED LIMITS. THERE IS A GREEN KAWASAKI MOTORCYCLE WHO REGULARY IS SEEN TRAVELING AT MOTORWAY SPEEDS THROUGH THE VILLAGE. EVEN TRACTORS GO THROUGH HERE FAR TOO FAST.	3/7/2019 12:13 AM
124	it would be nice to think it could remain a small community working with those around it but being separate from them in individuality.	3/6/2019 11:06 PM
125	It will be a bigger dormitory village of elderly people and much more part-time workers. It will be what you want it to be - if you don't clear up after your dog, if you don't pick up the litter that other people drop, if you don't fall back on old values where you sweep up outside your houses and keep the gutters clean, then there will be a gradual decline. I don't think we will go that route, do you? People still have pride and it's good to see that young people are being educated in beach cleaning, plastic waste, the food we eat and how to do things a bit better. And they can be a good example to us older folk :o)	3/6/2019 3:32 PM

Heamoor Questionnaire

126	The heart of the community needs to be restored.	3/6/2019 7:28 AM
127	This needs to stay as a village. The main issues that I see are lack of parking causing roads to be blocked as people park both sides, there are a lot of houses in central Heamoor which are landlocked so park their cars on local roads. This is a major problem at Madron road and Hea corner, if there was an incident could fire engines get through. Buses used to come through Reens road but had to stop as constantly getting stuck by parked cars and it's got a lot worse. More houses would make these issues worse, crossing these roads you are taking you like in your hands, we need to make it safer not worse. Heamoor should be connected to the Treener round about this would release some of the traffic pressure.	3/5/2019 3:15 PM
128	Heamoor risks becoming just another anonymous housing development with no community and no industry to support an increased population that have no affinity for where they live. Historically this will inevitably see an increase in crime, traffic and pollution. I for one, would be forced to move to a less congested area.	3/5/2019 11:46 AM
129	We love our village for its choice of amenities, views across to open countryside & its greenery. Heamoor is a lovely village as it is & it would sadden us greatly if it was to become too big. The roads are struggling now with the enormous growth of traffic. Building more housing will mean bigger schools which means more cars on the roads.	3/4/2019 10:11 PM
130	Affordable and local housing is needed. As long as still some green space there shouldn't be a problem with Heamoor growth.	3/4/2019 7:20 PM
131	remaining a distinct community with safer roads and affordable homes for locals	3/4/2019 7:09 PM
132	Try not to think about it because of the problems!	3/4/2019 5:26 PM
133	Hopefully the village will become more of a thriving community with places for families, friends and everyone to enjoy. More community spaces are needed inside and out and if this can be done over a period of time it can only be beneficial for everyone.	3/4/2019 4:53 PM
134	It's an interesting community. I was born in Heamoor and grew up in Penzance. I returned to Heamoor 8 years ago. It still contains a non-exclusive community. It's about people communicating with people because they live in the same area. This is very different from moving down here and joining 'community choirs' or other designed 'community events' that people feel are needed to bring everyone together. Make an effort to know the local population and the way they think and work and what they value and then try to fit in without causing too much disruption. There is little in the Penwith area that reflects the (living) Cornish/Penwith mindset these days. Heamoor is one of the few. With young families to aged retired people it's a warm and friendly if not fun place to live. It doesn't have to be ruined by building and moving loads of people in. Unfortunately, my gut feeling is that no-one will listen and it'll get destroyed. We seem to have funding for Cornish language events, maritime sea related events or new feast days/dress up events 'whatever people think "Cornishness" is etc., but don't even see the dying culture on our doorsteps or try to find it.	3/4/2019 4:52 PM
135	Bleak and congested in proposed developments take place. It will change the feel of Heamoor	3/4/2019 3:43 PM
136	Dire if you keep building, too many cars using the village and an accident waiting to happen	3/4/2019 10:16 AM
137	Remaining as a rural village.	3/3/2019 11:50 PM
138	Well it's not the same village as I was born and grew up in...Heamoor and indeed Penzance will always be home to me..Even now that I don't live there...that said it will no doubt continue to evolve.. unfortunately not always for the better...Too many outsiders wanting to bring about change and all because money talks...Please do not ruin my Home Village....Paul Barnes formerly of Haig Place Heamoor and Holly Terrace Heamoor Penzance Cornwall	3/3/2019 11:49 PM
139	Hard to say - depends on whether it is subject to mass development or not. It would be a travesty if the countryside was to be concreted over. Protect our natural habitat and heritage	3/3/2019 10:17 PM
140	The redevelopment of bungalows into housing should not be permitted. The elderly and disabled already have problems finding truly accessible properties to live in. To turn a bungalow into a house is only done for financial gain to sell on at a larger profit, and should be discouraged.	3/3/2019 7:25 PM
141	Being taken over by Penzance and losing any identity.	3/3/2019 7:09 PM
142	I believe that the village should remain unspoiled and it would definitely suffer through over-development and increased traffic problems!	3/3/2019 6:27 PM
143	It is a lovely village, the residents enjoy living in it. We do not want it spoiled by huge developments. We hope that Heamoor will remain a lovely little village, we do not want it spoiled.	3/3/2019 5:22 PM

Heamoor Questionnaire

144	It can only get better,it's stagnated a little but with the help of our community ,and non political ,organizations as SHED helping to cement the community as one ,it can ,and will improve with diligence,and time to be a better place we will all enjoy being a part of.	3/3/2019 4:46 PM
145	Going down hill, due to poor up keep off the grass and hedges. The parking by pensans school(cemetery enterance) they park in the lay by and people nearly get ran over, school won't do nothing about it due to not being their land. The dealing off drugs in the heamoor subway and more to the lane going into manor way! The constant dog mess left that owners don't pick up! I've lived in heamoor for all my life 35 years and my parents have for over 40 years and it's definitely gone down hill especially more recently over the last 2 years	3/3/2019 4:31 PM
146	Will be detrimentally affected for the long term good by the vociferous few, who are now objecting to a repeat of what happened in the 70's, but they are living in the result. NIMBYism at its best! Just look at the circumstances affecting Penzance Harbour a few years ago loosing 64 million pounds of secured finance.	3/3/2019 3:02 PM
147	Hopefully not just an amalgamation of Penzance.	3/3/2019 1:29 PM
148	Just joining up with Penzance and made in. It's all very well building all these new house but locals can't afford them. So they shouldn't be built	3/3/2019 12:59 PM
149	Thanks	3/3/2019 11:44 AM
150	Good with no further large council type development	3/3/2019 11:39 AM
151	It should be allowed to be developed, but retain its existing character and ammenities	3/3/2019 11:13 AM
152	Unfortunately I see big changes coming. Too many homes , too much traffic & losing the village community completely.	3/3/2019 10:59 AM
153	I would like to see Heamoor surrounding areas protected what we have improved to help with making a better community spirit and a better place to live. We have the grounding please don't spoil the beautiful village by expanding it!	3/3/2019 10:51 AM
