#	1.	DATE
1	People seem unaware that Eastern Green has residential areas. The place is constantly treated like an industrial estate with no regard for people who live there. Proper signage - speed limit signs posted along Jelbert Way! Most people I speak to think the speed limit is 40mph! A traffic island near Freshbrook/Gwel Lewern so children and families can cross! Proper double yellow lines and restrictions enforced by wardens. Stop lorries parking opposite junctions!	12/31/2018 10:01 PM
2	Jelbert Way - 2 road crossings! One at old heliport junction, one at tesco roundabout area	12/31/2018 9:54 PM
3	Only access for residents	12/31/2018 9:50 PM
4	Road by Tesco roundabout to Heamoor (bypass) - footbridge over the road to town, currently an accident waiting to happen! Double yellow lines on road (both sides) as you turn into Gwel Lewern.	12/31/2018 9:49 PM
5	Trees planted along grassed area to nullify traffic noise	12/31/2018 9:39 PM
6	Tesco roundabout - traffic lights	12/31/2018 9:36 PM
7	Rethink the Tesco roundabout - proper pedestrian crossing, warning signs on road from Heamoor roundabout, reduced MPH	12/31/2018 9:32 PM
8	Jewsons deliveries - timed deliveries, lorries parked away from junctions and called when they are able to unload. This situation is an accident in the making, I have had many near misses (parking on a junction contravenes road traffic highway laws)	12/31/2018 9:17 PM
9	Traffic, which is going to get worse when heliport opens - cameras, a police presence!	12/31/2018 9:07 PM
10	Dog mess on the lane to be cleaned and tidied up, the streets cleaned. Eastern Green wants a good clean.	12/31/2018 9:03 PM
11	GMO Cars parking on entrance and exit to Gwel Lewern - this is a public highway being used to sell cars and making it difficult for residents going in and out. The road in should have yellow lines right down the entry in and out.	12/31/2018 8:58 PM
12	Getting across road to go to Penzance and coming home from Penzance - a flyover from Tesco's entrance near the road to the other side of the road. Someone is going to be killed trying to cross. How people with young children manage I'll never know.	12/31/2018 8:55 PM
13	Jelbert Way - stop lorries parking and delivering between 9am and 6pm and blocking access	12/31/2018 8:37 PM
14	The helicopters to go out across the bay first	12/31/2018 8:32 PM
#	2.	DATE
1	Unsafe access to the area coming from PZ for pedestrians. Please some kind of footbridge over Ponsondane bypass, before someone is killed!	12/31/2018 10:01 PM
2	Rail crossings - one near Tesco roundabout for easier access	12/31/2018 9:54 PM
3	Stop the car transporter stopping on the road by the garage. The road is congested enough and this transporter makes it worse. Deliver vehicles at night instead of the daytime when road is busy - double yellow lines?	12/31/2018 9:49 PM
4	Stop GMO parking cars on grass and on road by pine trees	12/31/2018 9:39 PM
5	Jelbert Way - wider, better clearer signage	12/31/2018 9:36 PM

Eastern Green consultation

6	Stop the takeover of every available space by GMO - fine them for road parking	12/31/2018 9:32 PM
7	Traffic lights on roundabout.	12/31/2018 9:03 PM
8	Lorries delivering to the cash and carry should drive in instead of blockign the road both ways. When the heliport is built it will be even worse.	12/31/2018 8:58 PM
9	Access - double yellow is now a GMO car park	12/31/2018 8:37 PM
#	3.	DATE
1	Please help make Eastern Green a safer place for pedestrians! The safety of residents needs looking into way before thoughts can be made of community events and areas, as it stands you'd get run over going to them.	12/31/2018 10:01 PM
2	Post box - post box in Jelbert Way or Branwell Lane	12/31/2018 9:54 PM
3	Litter bin which takes dog waste as well at the beginning of the lane opposite Tesco to Gulval. Suggestin moving litter bin opposite om the lane that runs by Tesco.	12/31/2018 9:49 PM
4	Parking by lorries and cars half across pavements - traffic warden patrols, fines	12/31/2018 9:32 PM
5	Stop selling drink late at night in 24-hour shops.	12/31/2018 9:03 PM
6	Entry - single yellows at bottom of estate now car park for staff from local businesses	12/31/2018 8:37 PM
#	4.	DATE
1	Double yellow lines in no through road (both sides) off Jelbert Way/opposite garage which leads to pedestrian crossing across bypass to coach garage/wooden bridge	12/31/2018 9:49 PM
2	Horses using footbridge over railway - effective horse barriers	12/31/2018 9:32 PM
3	You can call the police and they might come 2/6, the same with all the 999 calls, not the fire people yu can still wait and this 101 number is ****	12/31/2018 9:03 PM
4	Traffic calming and crossing - by Jewsons, stop speeding and safe crossing to beach side of the road	12/31/2018 8:37 PM
#	5.	DATE
1	Footbridge over bypass by coach garage so traffic can flow without stopping	12/31/2018 9:49 PM
2	Proper steps and better maintenance of railway footbridge - the temporary short cut steps should be made into proper steps =, the walkway better maintained	12/31/2018 9:32 PM
